NOGALES NOTES.

A Survey of the Happenings of the Line City and Vicinity During the Week.

Upon the seventeenth of the present month there will be sold at auction in front of the United States custom house forty bolts of colored cotton prints. Mark Lulley will officiate as auctioneer.

Go to the Congress saloon, Calle Elias, Nogales, Sonora, opposite Banco de Sonora, for finest wines, liquors and cigars. Juan Aguirre, proprietor, Pedro B. Torres Mgr. *

Yesterday evening Mr. and Mrs. Bird of THE OASIS, and Mrs. F. B. Brown of San Francisco, went to Guaymas for a short visit expecting to return to the line city tomorrow evening.

Send broken glasses to be repaired or duplicated, to Dr. Schell, Tucson, Arizona. Complete grinding plant, enabling him to make prompt returns. tf

Wednesday evening at 7:30 the sky in the northeast was illuminated very brilliantly for a few seconds by the transit of a very large and refulgent meteor with a white light.

Mr. J. F. Brady, local manager for the Consolidated Telephone Co., whose injuries were reported in THE OASIS two three weeks ago, is convalescent, and was about the streets Monday, and every day since.

Monday the board of supervisors was in session, and Messrs. Oscar F. Ashburn (chairman) and Alexander S. Henderson from Patagonia, and George W. Parker from Parker Cañon, members, were in town in attendance.

Mr. and Mrs. D. G. Chalmers of Lochiel, were visitors at Nogales Saturday, Sunday and Monday. Mr. Chalmers, who is in the United States customs service, is stationed now at Arivaca, and he came from that direction.

At Alamos the travelling public will find good American cooking and nice, clean rooms and beds at the American hotel, Mrs. R. V. Pillsbury, proprietor. Fine lunches for the road a specialty. *

George Januel will move the Fashion barber shop, on the first of September, from the Nolan building to the Breen building in the premises occupied by the Racket store of A. H. Saleebey, who is closing out his business and probably will remove to Phoenix.

Mr. Wm. Huntington, of the firm of Semler & Huntington, general blacksmiths, is erecting on their property at the corner of Walnut street and Sonoita avenue, a handsome brick cottage of four rooms, wherein Mr. and Mrs. Huntington will make their home.

Monday and Tuesday there was at Nogales Major W. A. Cooper, president and general manager of the Richfield Copper Company, who arrived from the camp Sunday night, and departed Wednesday morning for his home in Washington, D. C.

Wednesday there was received at Zimmerman's Palace of Sweets, on Morley avenue, next to the Red House, a large and very handsome soda water fountain and fixtures, which cost; laid down at Nogales, nearly \$2500. It is a work of art and a thing of beauty—marble, plate glass and onyx.
