LET US REASON TOGETHER
THE REMEDY FOR ALL
HOLLOWAYS PILLS
OF all the remedies that have been discovered
for the cure of the various ailments that
are incident to the human system, there is
scarcely one that is so generally successful as
Holloway's Pills. Only three years have elapsed since
their discovery, and a spirit has been kindled in
the human mind, which is steadily and rapidly
improving, and it is already recognized by
the medical profession, and the people of
the country to be the most surprising and effec-
tive remedy for certain diseases of which they
have knowledge.
All other compounds or systems of this sort have
failed to command the respect of the medical
profession, because on being tested, they have
been found to contain noxious ingredients, which
neutralize the good effects of the Sarsaparilla, and of-
ten-times injure the health of the patient. It is
not so with Holloway's Pills. They are
This is the pure and genuine extract of the
root, and will, in trial, be found to effect a cer-
tain and perfect cure of the following complaints
and diseases:
Affections of the Liver, Debility, Diseases of the
Kidneys, Dropsy, Female Irregularities, Pileus,
Erysipelas, Hæmorrhoids, Indigestion, Liver
Complaint, Piles, Pulmonary Diseases, Scrofula,
King's Evil, Scurvy, and All Diseases of the Skin.

HOLLOWAYS PILLS
WHY ARE WE SICK?
It has been the lot of the human race to be
weighed down by disease and suffering. Holloway's
Pills are especially adapted to the relief of
the liver, the skin, and the bowels, correcting
any derangement in their functions, purifying
the blood, the very fountain of life, and thus
curing disease in all its forms.
DYSPEPSIA AND LIVER COMPLAINT.
Nearly half the human race have taken these
Pills. It has been proved in all parts of the
world, that a strong liver is found equal to them
in cases of disorders of the liver, dyspepsia, and
stomach complaints generally. They soon give
a healthy tone to these organs, however much
deranged, and when all other means have failed.
GENERAL DEBILITY, ILL HEALTH.
Many of the most despicable Governments have
their Civilian Hospitals in the intricate
of these Pills that they may become the medi-
cine of the masses. Learned Calverley states that
this medicine is the best remedy ever known for
persons of delicate health or where the system has
been injured, and its invigorating properties never
fail to afford relief.

FEMALE COMPLAINTS.
No female, young or old, should be without this
celebrated medicine. It corrects and regulates
the monthly courses at all periods, acting in many
cases like a charm. It is also the best and safest
medicine that can be given to the children of all
ages, and for any complaint; consequently a
family should be without it.
Holloway's Pills are the best remedy known
in the world for the following diseases:
Anthem, Dropsy,
Bowel complaints, Dropsy,
Coughs, Debility,
Colic, Fever and Ague,
Chest Diseases, Female complaints,
Constipation, Hæmorrhoids,
Dyspepsia, Indigestion,
Stone and Gravel, Influenza,
Secondary symptoms of Lues,
Liver Complaints, Venereal Affections,
Liver Complaints, Worms, of all kinds,
Lowness of Spirit, Piles,
Sole of the Manufactories of Professor
Holloway, 80 Maiden Lane, New York, and 244
Strand, London, by all respectable Druggists and
dealers in medicine throughout the United States
and the civilized world, in boxes, at 25 cents, 63 1/2
cents, and \$1 each.
There is a considerable saving by taking the
larger size.
N. B. Directions for the guidance of patients
in every disorder are affixed to each box.
