WE MEAN IT.—We have an affection for Cairo business men, and therefore will print bill heads, cards, bills of lading, etc., for them at cost—just to keep our presses moving.

DELIGHTFUL.—The weather is delightful. It cannot be beaten by any other weather in the world; and Paradise would be put to its best to furnish a superior article.

OIL.—The oil-lighting project is being again agitated. But gas is the thing, and to gas we will adhere forever. Give us gas—cheap gas—or give us liberty or death.

WHERE IT CAME FROM.—The prize beef on exhibition and for sale by Koehler Bros., this morning, was raised by G. W. Harris, Libertyville, St. Francis county, Missouri. It is a beauty.

FOR SALE.—BUGGY.—We desire to sell a splendid buggy—almost new. We will sell it at a great sacrifice. Persons desiring a good bargain in a buggy have now an opportunity to obtain one.

LUCK.—We had the pleasure of meeting Lusk, formerly of Shawneetown, now of The Taxwell Republican, Pekin. Lusk is one of the most industrious and able editors in the state, and besides he is a confounded good fellow.

THE GERMAN SCHOOL society will give a ball on the 26th inst., at John School's Hall. A general invitation is given to all. Full notice, with committees, etc., will be given next week. 320-10-7-6t

On and after Oct. 1st, the price of day board at the St. Charles Hotel, to new boarders will be \$25 per month. Only a limited number will be received at the above rate.

FROM ENGLAND.—Mr. Legg, of Leeds, England, was in the city Thursday, the guest of Capt. Halliday. Mr. Legg is the principal stockholder in the Cairo City Gas Company.

UP THE ROAD.—Major Morrill, superintendent of the Cairo and Vincennes railroad, with Mr. Goodrich, freight and passenger agent, and Mr. Oakley, treasurer, passed along the line yesterday on a special train paying off the employes of the receivers.

SOCIABLES.—The Liberal Religious association of this city will hold, during the winter, a series of sociables. The standing of the ladies and gentlemen concerned gives ample assurance that the proposed reunions will result successfully, as well socially as financially.

FOR RENT.—Five fine rooms and hall on second floor of my house, on Twentieth street. The rooms have all been overhauled and are in fine order. Water on the same floor. WM. EHLERS. 327-10-9-6t

DANCING SCHOOL.—G. C. Boden will organize classes in dancing at Kluge's Hall, corner Sixth street and Washington avenue, Saturday, October 10th, 1874. New features and new dances. Juvenile class.

on Saturday, at 3 p. m. Ladies and gentlemen's classes, Monday and Thursday evenings, at 7 1/2 o'clock.

INSURED.—Mr. Thomas J. McClure, a large farmer of Alexander county, was injured in a railroad accident that occurred near Holly Springs, Mississippi. It was reported in Cairo that he had been killed, but we have pleasure in saying that he was only slightly injured.

BOARD OF COUNTY COMMISSIONERS.—To the exclusion of almost all other matter from THE BULLETIN we publish this morning the report of the proceedings of the last session of the board of county commissioners of this county. Every taxpayer has an interest in the proceedings of the board, and will find the report interesting reading.

HONOR TO CAIRO.—The election of Mr. Geo. E. Lounsbury, of this city, grand master of the Masons of Illinois, is an honor of which Cairo may well be proud. Mr. Lounsbury is one of the "brightest" Masons in the country, and will fill the office of grand master in an acceptable manner, to his own credit and the advantage of our city.

FAMILY GROCERY.—Albert Grindler has opened a family grocery store on the corner of Center and Walnut streets, opposite the High School building. He will keep all articles usually kept on sale in such stores. He invites the public to give him a call. He will endeavor to make it to the advantage of the people to patronize him.

A STRANGE DEVICE.—Capt. Sol. Silver, passenger agent of the Anchor Line, visited the St. Louis fair on Thursday, and stopped at the New Lindell Hotel. At the fair he purchased a strange little device that enables a person to see out of the back part of his head. Sol. spends most of his time now taking retrospective views.

You will find the latest styles at Elliott & Haythorn's. They are offering dry goods of every description at prices that should command attention.

WINTER'S BLOCK.—The elevated sidewalk is being removed from the side of Winter's block on Seventh street. The sidewalk will be laid to the grade of the city. This is a great improvement, and will add much to the usefulness of the basement rooms of the building. We understand that the building is to be changed into a hotel.

JAMES GREANEY will entertain his friends with a grand free lunch at the "May Flower" saloon, corner Nineteenth street and Commercial avenue, to-morrow (Saturday) evening, at nine o'clock, and hopes to see them all out to a man. Everybody is invited and requested to make themselves at home. 329-10-9-2t

FINE DISPLAY.—It will beat the world—the display at Koehler & Bros. to-day, superintended by Mr. Phil Howard. Besides the fine beef on show and for sale, there will be the finest mutton, veal and pork ever exhibited in this city; and also every variety of sausages. The meats will be sold as low as the lowest; and, we venture to say, will be admitted to be the very best ever before sold in Cairo.

THE ladies of the Presbyterian church have secured "the well, call it the "Parry House," of Mr. Thoms, for their oyster supper on next Tuesday night. They propose furnishing a first class supper, including fine cream and the et ceteras, for 50 cents. Gentlemen are requested not to go home to supper, as the "sociable" tables will be ready for guests at half past 5 o'clock in the evening.

SATURDAY NIGHT.—The Democratic Liberal committee has been organized at last, and will meet on Saturday night next, at the office of John Q. Harman, Esq. "Parties interested" are requested to meet with the committee, by which expression we understand the committee to mean all persons who desire the election of Mr. Hartzell to congress—the success of the cause.

DEPARTERS.—We hear it stated that six members of Custer's cavalry deserted, at this point, while on route south. As many as three of them were seen on our streets, after the departure of their comrades, dressed in citizens' clothing, trying to dispose of their arms in order to raise money to reach their respective homes. It is needless to add, perhaps, that in politics, these deserters were Radical, all of them.

MR. EHLERS informs us that he has made arrangements with Henry Artar, the largest importer of French and German calves in New York, and will receive all his stock direct from him. The first invoice will be received in a few days, and it will be to the interest of all his patrons and the general public to call and examine his stock before ordering their boots and shoes elsewhere. He guarantees satisfaction in all cases. 10-9-4f

MILLINERY, TRIMMING and FANCY STORE.—Miss Burns desires to call the attention of the ladies to her full and complete line of millinery and fancy goods just opened in the Athenaeum building on Commercial avenue. Her stock consists of a full assortment of fall hats, jays, canvas and patterns, a full line of zephyrs, all colors, feathers, French flowers, ribbons, and a general assortment of fancy articles, such as are kept in a millinery store. 321-10-7-1m

DEMOCRATIC LIBERAL COMMITTEE MEETING.—At a meeting of the Democratic and Liberal Central Committee, held at their rooms on Tuesday evening, October 6th, 1874, Dr. Dan'l Arter was selected as chairman and John H. Gosman appointed secretary. On motion, the meeting adjourned to meet at the office of John Q. Harman, at 7 o'clock p. m. on Saturday next, the 10th inst. It is desirable that a full meeting of the committee and parties interested will then be had. D. ARTER, Chairman. J. H. GOSSMAN, Secretary.

THE ST. CHARLES HOTEL has several pleasant rooms on the upper floor, suitable for gentlemen, that can be secured for the winter, with board, at very reasonable rates.

The following pupils, in Room No. 4, Thirteenth street school, are entitled to have their names upon the roll of honor for the week ending October 2, 1874:

- Lily Martin, Julia O'Shea, Emma Barry, Maud Ritchhouse, Belle Freeman, Nellie Korstmyer, Ellen Law, Ellen Clodfelter, Harry Robbins, Willie Hogan, Zeraw Boehet, Willie Teaster, Lily Martin, Betty Willis, Minnie Baird, Lizzie Parker, Ellen Law, Ella Victor, Willie Williamson, Clement Mulkey, Lude Tessier, Eddie Taylor.

WETZEL'S LUNCH.—The opening lunch given by Wetzel, of the St. Nicholas hotel, on Thursday night last was a great success. We were denied the pleasure of indulging in the good things supplied, by an invitation to play whist, and then were swindled out of the game. When we have to choose between Wetzel's lunch and whist, we always wrestle with ourself. An ordinary lunch we can pass by on the other side, but one of Wetzel's—never! Sol and Phil and Tom say it is "old parsonisms." We will, we are sure, be pardoned the use of the expression. It is the only one that fills the bill.

PHOTOGRAPHIC GALLERY.—Gustave Wetzel's Photographic Art Gallery, (formerly T. T. Thomas), corner Eighth street and Commercial avenue. Everything pertaining to the photographic art skillfully and elegantly executed. The happy combination of a splendid light and the best instruments, enable me to take children's pictures instantaneously. Mothers, give me a trial, if you desire the sweet smile of your cherubs preserved forever. Satisfaction given in every case, or no charge made. My prices are most reasonable. Cartes de visit, \$3 per dozen; Gems, six for \$1. Call and be convinced. 10-8-4f

R. JONES, fashionable bootmaker, has moved into his new house next to his old stand on Commercial avenue, and assures his friends that he is better than ever prepared to satisfy them in the style, stock, fit, etc., of their boots and shoes. An evidence of his ability to satisfy everybody, may be seen in the fact that he is crowded with work, and has been compelled to employ three more first-class workmen. He manufactures every style of boots or shoes and uses only the best of material in all cases, whether making a cow-hide shoe or a pair of the finest French calf boots. Give him a trial. Satisfaction is guaranteed. 303-10-3-2m

THE C. & ST. L. R. R.—The Jonesboro Gazette of this week says: "The county commissioner, on last Tuesday, ordered the first installment of county bonds (\$50,000) to be issued to the Cairo and St. Louis railroad company in accordance with the contract, and received \$50,000 in stock of the company. The creditors of H. R. Payson & Co. in this country, it is stipulated, will be paid out of the second installment (\$50,000) of the city bonds, due when the railroad is complete from St. Louis. The county has carried out its contract in good faith thus far, and it is just and right that the creditors of the contractors, who are citizens and taxpayers of the county, and to whom is due about \$30,000, should be paid as agreed between the company and the commissioners."

A NEW MODE OF ADVERTISING.—There is a gentleman in our city whose name is unknown to me, yet he is of rather slim build, with black hair and eyes, a black mustache and small chin whiskers, the latter being kept visible to the eye by the frequent use of the blacking brush. This gentleman has been in our city for the past few days, soliciting to get an advertising card of our business merchants, which he would place in a beautiful morocco-bound book (very much ornamented with fancy pictures). This book is to be on exhibition at the St. Charles Hotel, where it can be seen any day excepting Sundays. I advise all those who enjoy a look at such as the New Sensation, Day's Doings or other fancy pictorial papers, not to fall to look at this wonder of curiosities, as it is well worth the time invested. BONA FIDE.

MR. GLOVER'S DEATH.—We have learned some of the particulars of the death of Mr. Glover, referred to in THE BULLETIN of yesterday. Some time ago Mr. Glover removed to Dickey's Island, taking with him his gun-making tools and fishing implements. He had worked and fished upon the island for a couple of months. A few days ago he was in Cairo in apparent good health, except that he was complaining of trouble in his lungs, and he returned to his island home in good spirits. On the evening before his death a neighbor called upon him in his hermit-like residence, and finding him sick, offered to take him to Cairo. Mr. Glover refused this offer, saying he would be all right in the morning. During that night he was attacked by a congestive chill, and death resulted before morning. Mr. Glover was 55 years 9 months old at the time of his death. He was a gentleman respected by all who knew him, and the news of his sudden death shocked the entire community.

MR. EDITOR: To relieve the minds of a great many in regard to a game of base ball between the "Idolwoods" of this city and Stars of Cairo, please inform us what has become of the stars, and why they do not play the return game. There is considerable money up on the next game. Where is the sporting Phil Howard? He does not come up with his boys? Send them up, and we will promise to see them beat safely. Our fair comes off next week, and it will be a good time to play. Yours, C. BONNIE.

PADEUAH, KY., Oct. 7, 1874.

We have not heard a Cairo man question the game of base ball since the Padeuah boys disastrously defeated but boys a few weeks ago. That game convinced them that base ball is not their forte—that they were all intended for a higher destiny, such as playing pins or croquet. Immediately after the defeat of his chosen one, Capt. Howard committed suicide. He tied himself to the middle stringer of a high sidewalk, and says he died without difficulty and in the full hope of never again being so shamefully whipped in his own barn-yard. Since he did he feels

better, but he will never be a better on the ability of Cairo base ballers to defeat any club in the world.

SPLENDID BEEF.—While he was in the city last Thursday, we had the pleasure of meeting Mr. Legg, the English gentleman who owns half our gas works. We found him to be a very pleasant person, perfectly "at home" on the subject of food. He reproached the habit, peculiar to Americans, of eating; but soon convinced us that he was himself an able man at the trencher. Beef was his stronghold. He knew the subject by heart. We do very much regret he is not in the city now to feast his eyes upon the magnificent display of that kind of meat to be seen in front of the meat stores of Koehler & Brother. It is "perfectly splendid"—it is, by Jupiter! It is the beef that took the first premium at the Charleston fair, and will be cut to-day. We advise everybody to get a piece—everybody who can. A friend of ours, the best judge of beef in the city, assures us that this beef would take the horns any where, and we believe him. Fat and solid, juicy and sweet, it looks as if it did not need any cooking—as if it were intended to be eaten raw. Just go and see it, and get a slice. It is as cheap as it is good, and it will be sold this morning. Of course, everybody knows that Koehler & Brother's shop is on Eighth street, between Washington and Commercial avenues.

DONGOLA NEWS.

—What is coming in lively, and the rush of sweet potatoes continues. The receipts of the latter are about a thousand bushels a day, and the cry is, for more room to unload. The farmers are getting their pockets full of money, and dull times will, therefore, soon be the exception and not the rule. Business is looking up.

—Henry Mowery, our good-looking dry goods man, was married on the 1st inst., to Miss Adelia Hight, of Wetzel and the happy pair are now "doing" Chicago and the exposition. May their expectations of pleasant journeyings along the path of life be realized, without a cloud to dim their happiness.

—Jack Davis and his sister, Mrs. John Holshouer, have gone to look through the exposition at Chicago.

—Mrs. E. C. Martin, of Monticello, Ill., is spending a few weeks here with her daughter, Mrs. Lewis Gottinger.

—The ladies of the Methodist church are arranging for a festival to come off on the 15th inst.

—The look and hinges of our moral persader, the calaboose, are rusting for want of use. Won't some one cut a few tantrums and be looked up just to keep things in good working order. It would be a saving to the corporation.

—L. T. Bonacina shipped a lot of sweet potatoes last Tuesday to Denver, Colorado. This is the pioneer shipment of this excellent hence to that market, and we hope it may be a profitable one, and lead to the opening up of a trade that will draw off the surplus that would otherwise be an over supply for Chicago. Denver has heretofore been supplied from Kansas.

—Monsieur is in town on Thursday with his educated bear. Bruin seemed to understand French better than our people did, and there is where he had the advantage of them. He was exhibited on the streets, and the hat was passed around to test our generosity; after which, by special invitation, he was taken to several private residences at a quarter a trip. The bear was the lion of the day.

—Some half dozen of our town and country folks have visited the St. Louis fair. They report a fine display of the industries of the country, but think that 'the cereals, fruits and vegetables were in no wise superior to those exhibited at our recent county fair. It is hard to beat old Union in products of this kind. HOWARD.

—The wreck of the Allegheny Belle was sold to Arthur Moore for \$1,800, and the machinery of the Wild Wagoner for \$55 dollars.

—Capt. Ray's Bon Accord leaves St. Louis to-day for the Tennessee river with two large loads of pig iron, tan bark, peanuts, &c.

—Capt. Billy Blanker, who had been up the river on account of failing health, is now one of the chief clerks in the Lindell Hotel, in St. Louis, and we are glad to learn is growing strong and healthy again.

—The Evansville packets have a hard row to hoe these days. The Silverthorn, night before last, was the first one to get out this week. The B. H. Cooke and P. P. Gracy lost so much time aground that they had to turn back from Paducah. The Silverthorn brought 100 barrels flour, 100 barrels whiskey, and 20 tons sundries, mostly for shipment.

CAIRO CITY CONFECTORY

PHIL H. SAUP

HAS NOW THE LARGEST STOCK OF CONFECTIONS IN EGYPT, AND IS SELLING 20 PER CENT LOWER THAN ANY HOUSE IN THE TRADE.

—It is reported that while steamboats are taking pound freights at St. Louis for New Orleans at 20 cents per hundred, the large line is taking it at 15 cents. Here the large line refuses to take less than 20 cents. Our shippers are not over it, and threaten to patronize the Mississippi Central railroad, which offers to take their freight at 1 1/2 cents per hundred.

—SCHENCK'S PULMONIC SYRUP, FOR THE CURE OF CONSUMPTION, COUGHS, AND COLIC.—The great virtue of this medicine is that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure.

—SCHENCK'S SEA WEEED TONIC, FOR THE CURE OF DYSPEPSIA, INDIGESTION, &c.—The Tonic produces a healthy action of the stomach, creating an appetite, forming chyle, and curing the most obstinate cases of indigestion.

—SCHENCK'S MANDRAKE PILLS, FOR THE CURE OF LIVER COMPLAINT, &c.—These Pills are alterative, and produce a healthy action of the liver, without the least danger, as they are free from calomel, and yet more efficacious in restoring a healthy action of the liver.

—These remedies are a certain cure for Consumption, as the Pulmonic Syrup ripens the matter and purifies the blood. The Mandrake Pills act upon the liver, create a healthy bile, and remove all diseases of the liver, often a cause of Consumption. The Sea Weed Tonic gives tone and strength to the stomach, makes a good digestion, and enables the organs to form good blood; and thus creates a healthy circulation of healthy blood. The combined action of these medicines, as thus explained, will cure every case of Consumption, if taken in time, and the use of the medicines is preserved in.
