—There was just three wedding parties on the Charles Morgan yesterday, according to the books of Clerk Harry Stein, who ought to know, and we guess he does. They were Dr. W. S. McBurnie and bride, Captain W. J. Dickie and bride, and Dr. R. Z. Muzzy, all of whom boarded the steamer at Cincinnati.

—The John A. Scudder, Captain Carter, passed down for New Orleans on Monday night. She had a big trip of freight and 80 people in the cabin, who go to the crescent city to attend Mardi Gras. While the boat lay at the wharf taking coal, the younger portion of the excursionists, of whom Clerk Charles Dix was the "high mucky monk," passed the time in tripping the light fantastic.

Will steadfastly oppose the policies of the Republican party, and refuse to be tampered with by the dictation of any clique in the Democratic organization.

It believes that the Republican party has fulfilled its mission, and that the Democratic party as now organized should be restored to power.

It believes the Radical tyranny that has for several years oppressed the South should be overthrown and the people of the Southern States permitted to control their own affairs.

It believes that railroad corporations should be prohibited by legislative enactments from extorting and unjustly discriminating in their business transactions with the public.

It recognizes the equality of all men before the law.

It advocates free commerce tariff for revenue only.

It advocates resumption of specie payment, and honest payment of the public debt.

It advocates economy in the administration of public affairs.
