THE CAIRO BULLETIN.

Leading Journal of Southern Illinois.

The Bulletin

Will steadfastly oppose the policies of the Republican party, and refuse to be tampered with by the dictation of any clique in the Democratic organization.

It believes that the Republican party has nullified its mission, and that the Democratic party as now organized should be restored to power.

It believes the Radical tyranny that has for several years oppressed the South should be overthrown and the people of the southern States permitted to control their own affairs.

It believes that railroad corporations should be prohibited by legislative enactments from extorting and unjustly discriminating in their business transactions with the public.

It recognizes the equality of a man before the law.

It advocates free commerce tariff for revenue only.

Advocates resumption of specie payment, and honest payment of the public debt.

It advocates economy in the administration of public affairs.
