COME AND DRINK OF THE WATERS!

Fresh, Pure and Natural, as furnished by Old Mother Earth "FOR THE HEALING OF THE NATIONS." Obtained Direct from their Sources and Kept on Ice by

BARCLAY BROS.

AT THE SIGN OF THE GOLDEN LION
CAIRO, ILL.
BETHESDA MINERAL WATER
Of Waukesha, Wisconsin.

Claims to be a specific in all cases of Diabetes, Inflammation of the Kidneys, Inflammation of the Neck of the Bladder and Ureters, Inflammation of the Bladder, Dropsy, Gouty swellings, Stoppage of Urine, Albumenuria, Ropy or Cloudy Urine, Brick Dust Deposit; Thick, Mucoid, Bilious and Dark Appearing Urine, with Bone Dust Deposit; Burning Sensation with Sharp Pains when voiding Urine; Hemorrhage of the Kidneys, Pain in the Kidneys and Lungs, Torpid Liver, Indigestion, Calculus, and Female Weakness.

There is no remedial agent known to man that can cure the foregoing diseases as effectively as Bethesda Water. This fact has been demonstrated wherever the water has been used according to directions; which can be had as the General Agents by application to them. The water is sweet and pleasant to the taste. It can be drunk at all hours. Why should any one suffer while this water is so easily obtained?

DR. HAWLEY BEATH, of 299 Broadway, New York, gives the following list of recent cures within his practice:

Continuation of cure by BETHESDA WATER, after the patients have been pronounced beyond relief, though they are not a tithe of those daily received:

SACCHARINE DIABETES—Rev. Thomas Fenrose, Sea Cliff and Brooklyn; Morris Brown, Penn Yan; Major Burr, Mr. Barber, Mrs. Guion, Kinderhook; Mr. Saunders, New York.

BRIGHT'S DISEASE—J. S. Gould, Hudson; Mrs. Judge Van Cott, Galeh Marzen, Mr. Barnes, Mount Vernon; W. W. Seeger, Sing Sing; Mrs. Alderman, Mrs. Hall, Mrs. Wilcox, New York; Dr. G. W. Beal, Mr. Remig, Mrs. Herzog, Mr. James, Brooklyn.

ULCERATION OF THE BLADDER—E. Colfax, Buffalo; T. J. Cox, New York.

What Surgeon-General Wolcott and other prominent Medical Men say about the Bethesda Water.

MILWAUKEE, January 1, 1875.

I am gratified to find that the opinion given by me, over two years ago, on the medicinal properties of the Bethesda Water, has been fully sustained and confirmed by its use, in a vast number and variety of cases, involving the urinary organs. In many cases in most of such cases, I do not hesitate to say that it is vastly superior to any other remedy known to the profession.

E. B. WOLCOTT, M. D.

We fully concur in the above. O. P. Wolcott, M. D.; J. E. Garner, M. D.; Diabetes; H. Zelowski, M. D.; J. M. Allen, M. D.

BLUE LICK

Blue Lick Water, in its therapeutic aspects, is described as Tonic, Diuretic, Alterative and Aperient, purifying and stimulating the blood, and stimulating every active organ of the economy. Dr. Robert Pease, the distinguished, and yet safe, and reliable and superior waters are quite frequent, comparatively, in our Blue Limestone strata; but among all the springs of this nature, known at present, cases involving the urinary organs. In many cases, in many respects, as those of the lower Blue Lick.

EXCELSIOR WATER,

Fresh From the Spring at Saratoga.

The water of the Excelsior Spring is invaluable, removing and preventing, by its aperient and alterative effects, the incipient forms of disease.

It is highly recommended by the most eminent physicians, and is used with great success in the treatment of Dyspepsia, Constipation of the Bowels, Affections of the Liver and Kidneys, Fevers, Scrophula, Cutaneous Diseases, Etc. It is also an excellent remedy for the Headache, and a pleasant and healthful beverage.

Mineral waters frequently present medicinal virtues, in their use, which cannot be accounted for by the properties of the ingredients which are shown by analysis.

All of the above Waters for sale on draught in Bottles, by the Gallon in Jugs or Kegs, or by the Barrel by

LOVE'S LUSE.

"Let me in!" cried Cupid, knocking At the door one day.
To the sprite I answered, shortly, "I've no time for play."
But the rogue with silvery laughter Strove to move my heart,
Tempted me with merry darnings And Love's cunning art.
Still unnoted, the door I fastened 'Gainst the coaxing sprite;
Then he peeped within my window Beautiful and bright,
Promised me all things delightful, Wealth and wondrous fame,
"No," said I, "I deem your promise Light, sir, as your name."
Slowly turned he from my window, With a puzzled face,
"Fare you well," I cried, rejoicing, "Go, and leave no trace."
But too soon I heard a sighing Jet without my door:
"Let me in!" cried tearful Cupid, "Open I implore."
"Let my pinions be so weary: Give me rest, I pray,
Only for one fleeting moment, Ere I go my way."
Silvery laughter had not won me, Coaxing I had scorned,
Promises, ah! thanks to reason, 'Gainst them I was warned.
But when Cupid came in trouble, He brought Pity, too;
Love and pity leagued together: What could mortal do?
Then I drew my door wide open: With a mocking shout,
In few Cupid, and I never Now can turn him out.

The Silver Bill is Gone to the President.

The following is the full text of the joint resolution for the issue of silver coin, which has passed both houses of congress and now goes to the president for signature:

"Resolved, That the Secretary of the Treasury, under such limits and regulations as will best secure a just and fair distribution of the same through the country, may issue the same silver coin at any time in the treasury to an amount not exceeding \$10,000,000 in exchange for an equal amount of legal-tender notes, and notes so received in exchange shall be kept as a special fund separate and apart from all other money in the treasury, and be issued only upon the retirement and destruction of a like sum of fractional currency received at the treasury in payment of dues to the United States, and said fractional currency when substituted, shall be destroyed and held as part of the sinking fund, as provided in the act approved April 17, 1875.

Sec. 2. That the trade dollar shall not hereafter be a legal tender, and the secretary of the treasury is hereby authorized to limit from time to time the coinage thereof to such an amount as he may deem sufficient to meet the export demand for the same.

Sec. 3. That in addition to the amount of subsidiary silver coin authorized by law to be issued in redemption of the fractional currency, it shall be lawful to manufacture at the several mints, and issue through the treasury and its several offices, such coin to an amount that, including the amount of subsidiary silver coin and of fractional currency outstanding, shall in the aggregate not exceed at any time \$30,000,000.

Sec. 4. That the silver bullion required for the purposes of this act shall be purchased from time to time at the market rate by the secretary of the treasury with any money in the treasury not otherwise appropriated, but no purchase of bullion shall be made under this resolution when the market price for the same shall be such as will not admit of the coinage and issue as herein provided without loss to the treasury; and any gain or seigniorage arising from this coinage shall be accounted for and paid into the treasury, as provided under existing laws relative to subsidiary coinage, provided that the amount of money at any one time invested in such silver bullion, exclusive of such resulting coin, shall not exceed \$20,000,000."

DR. C. McLANE'S

CELEBRATED
LIVER PILLS,
FOR THE CURE OF
Hepatitis or Liver Complaint,
DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver. PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all Bilious derangements, and as a simple purgative, they are unequalled.

BEWARE OF IMITATIONS.

The genuine DR. C. McLANE'S LIVER PILLS are never sugar coated. Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers.

Insist on your druggist or storekeeper giving you the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., Pittsburgh, Pa.

Sold by all respectable druggists and country storekeepers generally.

To those wishing to give DR. C. McLANE'S LIVER PILLS, one will mail post paid in any part of the United States, one box of Pills for twenty-five cents.

The Bulletin

Will steadfastly oppose the policies of the Republican party, and refuse to be trammelled by the dictation of any clique in the Democratic organization.

It believes that the Republican party has fulfilled its mission, and that the Democratic party as now organized should be restored to power.

It believes the Radical tyranny that has for several years oppressed the South should be overthrown and the people of the Southern States permitted to control their own affairs.

It believes that railroad corporations should be prohibited by legislative enactments from extorting and unjustly discriminating in their business transactions with the public.

It recognizes the equality of color before the law.

It advocates free commerce (tariff for revenue only).

It advocates resumption of specie payment, and honest payment of the public debt.

It advocates economy in the administration of public affairs.
