PHOTODUPLICATION

Having entered into a co-partnership for the purpose of printing, in all its branches, would respectfully inform those desiring the services of a professional printer, that they are prepared to attend to their wants in every respect.
The filling of teeth done in the most satisfactory manner. Inserted artificial dentures, always with a view of restoring, as far as possible, the lost color and natural appearance of the most improved modes and materials. Teeth extracted absolutely without pain by using nitrous oxide gas.
