

RULE & RICKS, Proprietors. FRIDAY MORNING, OCTOBER 18, 1871. THE LARGEST CIRCULATION Of Any Daily Published in East Tennessee.

OFFICIAL CORRUPTION.

Corruption prevails to a fearful extent everywhere. Official corruption is the cause of more anxiety to the American patriot than any other subject. It is the breaker upon which our ship of State borders, and without skillful management, a wreck may be the fearful result.

Our Democratic neighbors down the street have not said a word about the new departure at Nashville. We are at a loss to account for it, as they generally notice movements of importance.

The Union and American has the following double-headed editorial in its issue of Wednesday: DEMOCRATS OF TENNESSEE, Eternal Vigilance is the price of Liberty.

The Athens Post speaks of the new departure at Nashville in this wise. After reciting the substance of the declaration of principles it says: All of which sounds well enough, and looks as pretty as a piece of calico.

THE OCTOBER ELECTIONS.

Most of our readers have been so deeply absorbed in the tidings of the fearful calamity that has befallen the great city of the North West, that they have taken but little interest in the very important elections of last Tuesday in Pennsylvania, Ohio and Iowa.

From facts given us by one of the members of W. B. Johnson & Co., we feel warranted in saying that the Knoxville and Kentucky Railroad will be speedily completed. The Company have an abundance of capital and intend pushing the work through vigorously.

COMMENDABLE LIBERALITY.

Nothing speaks so well for the liberality of the American people as the manner in which they have responded to calls for aid from the Chicago sufferers.

Cincinnati, \$200,000; New York, \$200,000; Buffalo, \$100,000; Louisville, \$100,000; St. Louis, \$100,000; Indianapolis, \$30,000; Pittsburg, \$100,000; A. T. Stewart, \$50,000; Cleveland, \$10,000; Oswego, \$5,000; Leavenworth, \$20,000; Memphis, \$5,000; Evansville, \$16,000; Boston, \$100,000; New Albany, \$25,000.

We select these from a host of others. The above amounts do not include all appropriated from the different cities, by any means. In many of them, subscriptions are constantly going on.

The City Council of Memphis appropriated \$5,000 to the aid of the Chicago sufferers.

FOR THIRTY-ONE YEARS PERRY DAVIS' PAIN KILLER

Has been tested in every variety of climate, and by almost every nation known to Americans. It is the most constant companion and inestimable friend of the missionary and the traveler on sea and land, and no one should travel on our LAKES or RIVERS WITHOUT IT.

PAIN KILLER was the First and is the Only Permanent Pain Reliever.

Since the PAIN KILLER was first introduced, and met with such unsurpassed sale, many Liniments, Pain-acs and other remedies have been offered to the public, but not one of them has ever attained the truly ESTABLISHED STANDING OF THE PAIN KILLER.

WHY IS THIS SO? It is because DANIS' PAIN KILLER is what it claims to be—a Reliever of Pain.

Its Merits are Unsurpassed. If you are suffering from Internal Pain, twenty or thirty drops in a little water will almost instantly cure you. There is nothing to equal it. In a few moments it cures.

Colic, Cramp, Spasms, Heart-Burn, Diarrhoea, Dysentery, Flux, Wind in the Bowels, Sour Stomach, Dyspepsia, Sick Headache.

In sections of the country where FEVER AND AGUE prevail, there is no remedy held in greater esteem. Every housekeeper should keep it at hand, to apply on the first attack of any kind. It will give satisfaction, relief, and save hours of suffering.

Do not trifle with yourselves by testing untried remedies. Be sure you call for and get the genuine PAIN KILLER, as many worthless nostrums are attempted to be sold on the great reputation of this valuable medicine.

Directions accompany each bottle. Price 25 cts., 50 cts., and \$1 per Bottle.

From a Reliable Druggist? MESSRS. J. N. HARRIS & CO., April 20, 1871.

Gentlemen—I heard one of my customers speak in such high terms of Allen's Lung Balsam to-day, that I thought I would write you the substance of his statement. He says his mother, who is now sixty years of age, has suffered with consumption for several years, and has been under the care of all our best physicians, but never received any permanent benefit; then she resorted to most every kind of Cough and Lung Balsam that could be procured for her, but all to no avail.

Was there ever greater proof of merit than the case this letter refers to? ALLEN'S LUNG BALSAM is without doubt the best expectorant remedy ever offered to the afflicted patient. It contains no opium in any form, and its use is harmless to the most delicate system.

Directions accompany each bottle. J. N. HARRIS & CO., Proprietors, Cincinnati, Ohio.

Drugs and Medicines.

Cherokee Pills No. 2 For the Removal of Obstructions and the Insurance of Regularity in the Recurrence of Monthly Periods.

These Pills are an unfailing Female Regulator, intended for special cases; those obstinate ones where milder and cheaper medicines fail.

They are composed of the most active and powerful principles of plants, roots and berries, so highly concentrated that each pill contains more medicinal strength than a whole box of ordinary druggist medicine in the market.

Although powerful, yet so mild and pleasant in their operation, that the most feeble can take them with perfect safety.

They may be safely used at any age, and at any period, except during the first THREE MONTHS, during which the unfailing nature of their action would infallibly prevent pregnancy.

All letters seeking information or advice will be promptly, freely and discreetly answered.

Each box contains about 100 pills, and is wrapped in white paper printed in deep red letters, with full and explicit directions enclosed.

Sent by mail, free of postage, on receipt of price, \$5, per box.

The Cherokee Pills No. 2 are sold by all enterprising Druggists in the civilized world. Some unprincipled dealers, however, try to sell worthless compounds in place of this; those which they can purchase at a cheap price, and make more money. As you value your health, do not be deceived by such unprincipled Druggists, ask for the pills, and take no others. If the Druggist will not buy them for you, enclose the money in a letter and we will send them to you by mail, free of postage, securely sealed from observation.

Ladies or Gentlemen can address us in perfect confidence, stating fully and plainly their diseases and symptoms. Patients need not hesitate because of their inability to visit us, as we have treated patients successfully in all portions of the civilized globe, by correspondence.

Patients addressing us will please state plainly all the symptoms, and write Post office, County, State and name of writer, and enclose postage stamp for reply.

We desire to send our thirty-two page pamphlet, entitled "Man and Woman as Invalids," to every reader of this paper. Send address, with Stamp to pay return postage, and address as follows: Dr. LUCY MERRICK ASSOCIATES, 117 NORTH SEVENTH STREET, SAINT LOUIS, MISSOURI.

No. 33. BROOKSIDE FARM. BEAUTIFUL SITES FOR

Suburban Residences, Market Gardens, Vineyards, and SMALL FRUIT FARMS For Sale.

We have recently divided "Brookside Farm," which lies less than half a mile from the northern limits of the city, into tracts of about five acres each, fronting on broad avenues sixty-six feet in width, which will be opened when necessary to the convenience of purchasers. The locations are very fine for SUBURBAN RESIDENCES, as the sites are elevated, overlook a large extent of country, and command a fine view.

The soil is in a high state of cultivation and is well adapted for Market Gardens or Fruit purposes. The growing of the small fruits would pay handsomely here, as the demand is good and the supply very limited. To those of our correspondents who have written us regarding sites for fruit-raising, this affords fine opportunity for securing choice locations not heretofore available.

Parties doing business in the city can find on this tract delightful situations for residences, and its short distance from town enables one to escape the heat and dust of the city and at the same time live within easy reach of his business; and a tract of five acres can be purchased for less than a small building lot in the city.

Property in this vicinity is rapidly increasing in value, and is now offered at a much lower price per acre than other property similarly situated as to distance from the city.

A fine map of the property can be seen at our office, and price, terms, &c., will be furnished on application.
