

PENCILLETTES.

To-morrow is the big show day. If there wasn't frost this morning it certainly didn't miss it far. Miss Lullie Clay Begbie gave a reading in Conway hall, Bristol, Tuesday night. Sells Brothers' circus was in Chattanooga yesterday, will be at Sweetwater to-day and Knoxville to-morrow. The young people of Newport, Cocke county, are making arrangements for a grand tournament and coronation ball Oct. 15th. The Times estimates that the Nashville, Chattanooga and St. Louis railroad will spend \$500,000 on improvements to buildings, etc., in Chattanooga next spring. According to the Bristol News, Jonathan Hartsock, a well to do farmer, about 45 years of age, living in Scott county, Va., committed suicide a few days since by hanging himself to an apple tree in his orchard. The renowned personator, imitator and general fun and mirth producer, J. Prescott Eldridge, is booked for an appearance at Staub's Opera House Tuesday night, October 5th. This will open our regular amusement season. Emigrant agent Wm. Kerr has had his hands full for the past two days. Tuesday he had quite a large party of emigrants from upper East Tennessee, bound to various points west, and again yesterday a good party was ticketed from this point. Meetings of great interest continue at the First Baptist church. The house is well filled every night to listen to Mr. Strickland, who presents the Gospel in all its power and excellence to the people. Undoubtedly great good is being accomplished. Jonesboro Herald and Tribune: A Garfield and Arthur club was organized in the 15th civil district of Sullivan county with the following officers: Amos K. Mullens, president; Thos. H. Easley, vice-president; Enoch Harburn, secretary and treasurer; H. B. Dykes, editor. Some thirty names were enrolled. Morristown Gazette: Last Friday may be scientifically, successfully and wonderfully set down as a field day in child births, in Morristown and vicinity. If our information is correct, eight births were reported during the day and night—giving employment to three tired, sleepy and astonished physicians. The "boom" has reached us! Let us all make room for posterity! According to the Newport Sentinel, the remains of the late J. J. Bryant, who was killed by Siskey, near that place some days ago, were taken from the grave last Monday, after having been buried more than a week. The head was taken off and kept for examination by physicians, while the body was taken up at the request of relatives and counsel to obtain evidence for the prosecution of the case. The Nashville American of Tuesday says: "There is not a mechanic or laborer in Nashville who, if he wants work, can not obtain it. All our mechanics are engaged, and still more are wanted. A gentleman received a telegram from Memphis yesterday asking that six timers be sent him at once. The rounds of the shops were made, but not an idle timer was to be found." Still the American, among other democratic papers, insists that the people of this country are clamoring for a "change." "Facts are stubborn things," and so are coughs and colds, but the latter will invariably yield to Dr. Bull's Cough Syrup, which costs but 25 cents. REMOVED. Hope Brothers, Watchmakers and Jewelers. Have removed from the corner of Gay and Clinch streets to the next square, and now occupy THE KNOXVILLE BANK BUILDING, where they have a large and well selected stock of Watches and Jewelry, from the lowest to the cheapest. Thanking the public for their liberal patronage at the old stand, we hope, by keeping a full and well selected stock of goods and prompt attention to our customers, to continue to merit their patronage in the future. Come and see us at our new quarters, and we will serve you right. HOPE BROS., Two doors above Ogden's Book Store. sept29d4t "So ar Tip" Shoes. STRONG. BEAUTIFUL. EVERLASTING. Personal. Mr. A. Sumner and wife, formerly Miss Lullie Butler, who have been visiting friends in the city for some days, left yesterday for their home, St. Louis. Mr. James H. Cowan left on yesterday's noon train for Murfreesboro, to attend the state convention of the Y. M. C. A. which meets there to-day. Mr. John P. Beach left on the noon train yesterday for a trip to Cincinnati, St. Louis and other points. Mr. A. K. Capps, a Knoxville printer, returned yesterday with his family, who have been spending the summer in Hawkins county. Mr. J. A. H. Gregg, the newly elected mayor of Morristown, was in the city yesterday accompanied by his wife and son. Mr. S. P. Angel went on yesterday evening to Jonesboro, to represent his business at the fair which opened yesterday. Mr. W. R. Cooper, and other delegates left on yesterday evening's train to attend the Tennessee District Baptist association at Dampkin creek, Jefferson county. Rev. John R. Hughes, of Elizabethton, who has been attending the Federal court as a juror, left for home on yesterday evening's train. Mrs. Geo. R. Latta, of Hot Springs, Ark., accompanied by her little daughter, arrived yesterday evening, to spend some time with her mother, Mrs. E. A. Brownlow. Mrs. Latta has been in quite feeble health for some time, and it is hoped her native and bracing East Tennessee air will be beneficial. Miss Lillie Sawyers returned home Tuesday night from a visit of several weeks with her aunt at Hot Springs, Ark. Mr. T. S. Webb went over to Maryville on yesterday evening's train, to attend a suit in the circuit court. We were permitted yesterday to see a letter from Capt. D. M. Parker, a former and well known conductor on this road to his brother conductor, Col. Isham Young, written the 23rd inst. Mack was then at Elberton, in the southern portion of Colorado, and we are glad to know that he was improving slowly. He stated that he was thinking of taking a trip to New Mexico. Mr. R. J. Hughes, of Cleveland, arrived in the city yesterday evening, and is at the Hattie house.

MILLINERY OPENING. Ladies, you are respectfully invited to attend our Millinery Opening Monday and Tuesday, October 4th and 5th. H. J. OWENS. sept29d4t

Morristown's Municipal Election. As we learn from the Gazette, our esteemed and staunch friend, Mr. J. A. H. Gregg was elected mayor of Morristown at an election last Saturday. Mr. Gregg is a native of New York state, a member of the agricultural manufacturing firm of Gregg & Co. of Trumansville, and has been located at Morristown for some time, selling implements. He is a thorough-going and enterprising business man and we predict will do himself as well as the citizens of that town honor. D. W. C. Davis, C. D. Merritt, Dr. John Howell, Hon. William McFarland and E. J. Wells were elected aldermen. There was a tie between D. Pierce and J. D. Miller, which must be settled in the board.

Congressional Discussion at Maryville. The candidates for congress in this district, Judge L. C. Houk, republican, and Mr. Thos. L. Williams, democrat, met in joint discussion at Maryville yesterday, and spoke to a large crowd of the sovereigns of Blount county. Through the kindness of General R. N. Hood, president of the Knoxville and Charleston railroad, a special train went over, leaving about ten o'clock. A party of about 150 Knoxvilleans, friends of either candidate, availed themselves of the opportunity to hear the discussion. They returned to the city about half past five o'clock yesterday evening. From reports that we get the republicans were largely in the ascendancy in the crowd, and the friends of Judge Houk were entirely satisfied with the result of the debate.

Edwin Freeman, of Norton, Mass., says: "I have suffered the most excruciating pain in my kidneys for years, and physicians or medicine could not relieve me until about three years since I commenced taking HUNT'S REMEDY. I purchased a bottle at Blanding's Drug store in Providence, and I took the first dose there, and after using one bottle I was free from all pain, and although this was three years ago. I have seen no trace of disease, and have not had to take any medicine since. I believe HUNT'S REMEDY to be the best kidney and liver medicine ever known, and I cheerfully recommend it to all sufferers from this terrible disease."

YOUNG & DYER'S OPENING.

A Magnificent Display of Millinery Viewed by a Large Crowd. Yesterday was opening day at the popular millinery establishment of Messrs. Young & Dyer, and it proved to be a splendid success. The millinery department, in rear of the store-room, presided over by the accomplished Miss Ella Scott, is most tastefully and elegantly arranged for the occasion. The walls, shelves and stands are beautifully bedecked about with as attractive and costly a display of millinery goods, of all styles, as has ever been seen in Knoxville. Besides, there appears in the back ground, "The Grand Opening," tastefully worked in flowers. All endeavor to render it a real treat to see in and take a peep. The day being lovely, there was a great rush all the time, and it kept all hands quite busy showing the many attractions. Those fine imported French Bonnets are dazzling beauties, and take the eye of every one. They take the shine off of anything ever brought to Knoxville. The opening will be continued to-day, and those ladies who have not been there should avail themselves of this opportunity.

Sells Brothers' Millionaire Menagerie and Circus. It positively comes to Knoxville on Friday, October 1st. It positively exhibits all it advertises. It positively has the largest herd of elephants ever seen in parade. It positively has the only tribe of Ute chiefs and braves. It positively has the only pair of full-grown, living hippopotami. It positively has the only genuine Arctic aquarium of huge sea lions, polar elephants, amphibious leopards and Siberian seals. It positively has the only drove of performing Colorado cattle. It positively has the only Willis Cobb miniature circus. It positively has the only huge two-horned rhinoceros. It positively has the only King Sarbro's royal Japanese circus. It positively has James Robinson the great. It positively has many times the most wild beasts and birds. It positively has many times the largest circus. It positively has many times the finest parade. It positively permits no peddling in its tents. It positively exhibits the great electric light both afternoon and night. The Cincinnati Daily Enquirer positively says of it, "Their present venture exceeds, in both size, novelty and expense, anything of the kind heretofore attempted."

MILLINERY OPENING. Fall and Winter, 1880. Mr. and Mrs. A. D. Dunbar's compliments to the ladies of this city and vicinity, and respectfully solicit their attendance Friday and Saturday, October 1st and 2nd, to the finest Millinery Display of the season.

Knox County Fair Association. A meeting of citizens was held at the Lamar house last night and the Knox County Fair Association was organized by the election of R. S. Payne, president; J. W. Lewis and W. A. Anderson, vice presidents; H. B. Branner, secretary. These are all representative, influential and thorough-going citizens, who have been selected to take the matter in charge, and success is insured.

A lengthy and interesting discussion ensued, and it was unanimously agreed to hold a meeting at the old fair grounds this fall, the date of which will be fixed hereafter, and at which liberal premiums will be offered by the association for fine stock of all kinds and for exhibitions in the speed ring.

A meeting will be held at the Lamar House to-night for the purpose of appointing additional officers and necessary committees to perfect arrangements and make the enterprise a success.

\$30.00 Reward. Stolen, on the night of the 23th inst., from my stables, two miles above Bevierville, a roan Mare, six years old, heavy mane and tail, a natural pacer, about fifteen hands high, with saddle mark on her weathers not haired over. Also one on her right side not quite haired over. A reward of \$15.00 will be paid for the return of the Mare, and \$5.00 for the apprehension of the rogue. J. M. THOMAS.

Funeral of Miss Belle Nelson. The funeral of Miss Belle Nelson, colored, occurred yesterday evening at Shiloh Presbyterian church, Rev. Dr. G. W. LeVere, the pastor, officiating. It was largely attended by our colored population, and the remains were interred in Gray cemetery.

Miss Nelson is favorably remembered by Knoxvilleans, having formerly, together with her sister, been a teacher in the colored public schools. She was a cultured, intelligent and highly respected young colored woman. She was afflicted with lung disease and left here a year or so ago for Cleveland, Ohio, where her brother lived, with the hope of improving her health, but her trip did not have the desired effect, and death at last came to her relief. The remains arrived here on the evening train, accompanied by the deceased sisters and brothers, were met with a hearse and conveyed to the church for the funeral.

Dr. C. L. Mitchell, Forte Meade, Fla., on May 28th, 1877, wrote: "I thank you would confer a blessing on the people in this country by establishing an agency here for the sale of Tutu's Pills. Having tested them, I know their superiority, and want to see them used instead of the worthless compounds that are sold in this country."
