PERSONAL.

Mayor Kerr returned from New York on Tuesday.

Mr. N. P. Clarke arrived from the East yesterday.

Mr. J. S. Mitchell, of T. & J. Mitchell, returned from New York yesterday, having purchased a very large stock of books, stationery, notions, &c., for the holidays and the winter trade.

Mr. F. B. Morrison, of Clearwater, was in town on Monday, on his return from a trip to the Fish Lake pier.

Mr. R. W. DeLann, editor of the Times, started for the East on Monday.

Services—Regular services will be commenced at the Congregational Church (in Sabbath, by Rev. Horace Bonham), of Massachusetts.

THANKSGIVING.—Union Services will be held in the Congregational church, at half past ten o'clock in the forenoon. The sermon will be preached by Rev. Webb, pastor of the M. E. church.

Fair.—The Ladies of the Baptist society will give a Fair and Festival at Schwartz & Thiel's Hall, on Thursday evening, December 1st. The proceeds will be applied toward laying the foundation of a Baptist church in this city.

Mrs. J. ROGERS, Sec.

POLICE COURT.—On Monday John Anderson paid Justice Barnes \$25 costs for a drunk.

On Tuesday A. D. Beardsman made a similar disbursement.

On Wednesday B. Stevens, for disorderly conduct, was relieved of \$5 and costs.

NEW FIRM.—On the 1st of December a partnership will be formed between Mr. M. E. Nixon and Mr. G. A. Vandervliet, who are at present engaged with D. M. G. Murphy & Co. They will occupy Mr. Nixon's present stand. The new firm will put in a very heavy stock of groceries, provisions, crockery, &c., making their store one of the very first in the upper country, and will mark prices down to the lowest figure. They will undoubtedly secure a large trade.

LECTURES.—A course of half a dozen lectures is talked of for this winter. The list of names will include either Wendell Phillips, Gen. Kilpatrick or Anna Dickinson; Hon. Ignatius Donnelly; Hon. C. K. Davis or J. B. Smith, Esq., of St. Paul; and perhaps some others. This would make a very acceptable course. The Library association or its Committee should act promptly and vigorously, that the people may soon know definitely just what they are to have.

STATIONERY.—A good business man generally likes to have a good outfit. The item of stationery is a comparatively trifling one to many, and yet well printed, neat and tasteful blanks, bills and letter heads, give a much more favorable impression than might generally be expected. The Journal makes a specialty of fine work of this description. We are filling orders for business establishments in every section of the country, and our printing is of that class which cannot be surpassed, either for neatness or reasonable prices. Good work costs no more than poor work.

HORSE TRAIL ARREST.—On the 13th a man named James Cochran, of Alexandria, (who gave his name as James Montgomery) came to Herbert & Lamb's livery stable and hired a pair of horses and a buggy to go to Little Prairie. He drove to Sauk Centre, where he was tried for the rig. He was a yoke of oxen, and with these went to Alexandria. On Sabbath last Sheriff Allen and Mr. Lamb started in pursuit, recovering the team and buggy at Sauk Centre and arresting the thief at Alexandria, where he was quietly hauled back to the city. They returned last night, and Mr. Thiel is now in jail.

NEW TIME TABLE.—The new schedule of the St. Paul and St. Cloud Railroad went into effect on Monday, with one train per day each way, leaving St. Cloud at 8:10 A. M., arriving at St. Paul at 12:30 P. M.; leaving St. Paul at 8 P. M., arriving at St. Cloud at 12:22 P. M. This arrangement will continue during the winter months. As will be seen, the running time has been shortened nearly one hour. This is an improvement which will be fully appreciated by the traveling public. The officers of the road could have done nothing which would be more acceptable.

RAILROAD MATTERS.

Return of the Committee from New York.

Mayor Kerr and Mr. N. P. Clarke, who were appointed to go to New York and confer with the Directors of the Northern Pacific Railroad Company concerning such railroad matters as are of interest to this city, returned this week, Mayor Kerr on Tuesday and Mr. Clarke yesterday. The following is the substance of a statement furnished by the Mayor, embodying the results of their visit.

We arrived in New York on Saturday, October 28th. None of the Directors were in the city, but clerks informed us that Governor Smith and Mr. Canfield would return on the 31st.

On the 31st, we were met by the Mayor, and Governor Smith, who telegraphed him to St. Albans, Vt. Received answer next day that he could not see us until Thursday, November the 6th, when he would be in New York. We concluded not to wait; so went to St. Albans, and had an interview with the Governor, who received us kindly and talked very favorably as to our railroad prospects, and the success of the scheme proposed by Mr. Becker, but was unwilling to make any pledges or assume any responsibility until the meeting of the Board of Directors on New York, November 14th, when he assured us the matter would be fully considered and definitely settled. He told us Mr. Morehead was absent somewhere in the Alleghenies, and it would be impossible for us to see him before the meeting on the 14th, and urged us strongly to remain over until then, which we concluded to do. I telegraphed results thus far to Mr. Barbark, asking him whether I should stay, which telegram, it seems, he never received. We met the Board of Directors on New York on November 16th, and had a full and free discussion in the Board of the whole matter. It was decided by the Board not to cross the Branch line into St. Cloud, and the question as to where the St. Vincent line should cross was referred back to Mr. Becker, he to report to the Board at its next meeting in December the most desirable point of crossing, taking into consideration questions of engineering, the wishes of the people, and all matters pertaining to the issue. The utmost efforts were made to induce the Board to definitely fix at once the point of crossing but without success, there being many and strong objections urged in the Board to the St. Vincent crossing, the Wilson crossing, and the crossing over the Sauk Rapids dam. Mr. Becker's report will probably be decisive on this point.

DOUGLAS COUNTY.—The Alexandria Post contains an extended report of the Sunday School Convention held at that place.

A festival is to be given on Thanksgiving evening, at the house of James Dicken, for the benefit of Dr. George Stewart.

Tom Conley, an insane man living at Carlos, attempted to kill O. H. Hall last week. The latter dodged two shots from a Henry rifle. Conley is in jail and will doubtless be sent to St. Peter.

Douglas county is slightly Republican. The vote on the 7th inst. stood 725 Republican to 56 Democratic.

The trial of the Paulson murderers began on Monday of last week, before Judge McKelvey. Names were put in trial. A number of witnesses were called by the prosecution. The case will probably consume two weeks.
