

REPUBLICAN CONVENTIONS.

Calls have been issued for the Republican State Convention, which will meet at Minneapolis, on Wednesday, September 9th, and for the Republican Congressional Convention for the Third District, which will meet at the same place on the following day.

DESTITUTION AND SUFFERING.

Governor Davis has issued a circular to the Grangers of the State asking their aid in relieving the destitution of the people of the southern counties, caused by the ravages of the grasshoppers.

Nothing new has been developed in the Beecher-Tilton matter. On last Friday Mr. Beecher held his last evening prayer meeting, before his three months' vacation, and summed up his life and experience, without alluding in any way to what most of those present were most anxious to hear about.

The St. Paul school scandal came to an end, for the present at least, on Monday evening, when the Board of Education elected a Superintendent of Schools and teachers for the ensuing year.

Another change will soon take place in the Minneapolis newspapers—Mr. W. A. Croft, for two years editor of the Tribune, and a writer of much experience and ability, becomes proprietor of the Evening Mail, while Messrs. J. I. and C. F. Hendryx, A. G. Wilcox and C. Thomson, present publishers of the Mail, take the Tribune. This transfer is to take place tomorrow.

The fight in the First Congressional District is a hot one, aside from all considerations of the weather. Mr. Dunsell is straining every nerve for a re-nomination, and from the distance appears to be ahead. Olmsted county has elected a delegation instructed for him. Gen. Edgerton is his competitor, and will give him a hard push for the nomination.

Among the members of the Peace Commission appointed last week by the President is Gen. H. H. Sibley, of St. Paul. Gen. Sibley is not only a gentleman of integrity, but he has a thorough practical knowledge of Indian affairs, and will make a valuable member of the Board.

Tax lists in Minnesota are generally very small this year. The Rice county list comprises less than one-fifth the space of last year's. The Nicollet county list fills but two columns. The Stearns county list is about one-half the usual size. This indicates a lively paying-up of taxes last spring.

Gen. Geo. W. Cass, President of the Northern Pacific Railroad, with a party, made a trip over the line of the proposed Brainerd Branch on Saturday. They will spend a week along the Northern Pacific.

It is rumored in Washington that Gen. Andrews intends leaving Sweden to return to Minnesota to figure for Senator Ramsey's place. So!

AN IMPORTANT RAILROAD DECISION IN WISCONSIN.

On Saturday a very important decision was delivered at Madison, by Judge Drummond of the United States Circuit Court, on an application of the Chicago and Milwaukee Railroad Company for an injunction to restrain the authorities of Wisconsin from enforcing the Potter law. This application was based on the grounds that the railroad had vested rights of the nature of a contract, to which the State was one party, and the corporation it had chartered was the other; that the effect of the law would be to place the rights of the railroad entirely at the mercy of the State; and that the law was not warranted by the Constitution of Wisconsin.

INDIANS TROUBLESOME.

A dispatch from Pembina, D. T., states that on Sunday a party of Sioux Indians attacked the settlement at St. Joseph and killed four persons. Several children are missing. One company of soldiers started for the scene at one o'clock the next morning. A volunteer company, under the command of Capt. Joseph Aycock, is organizing.

SALT LAKE CITY.

Information Concerning the Country and Business—Daily Times. SALT LAKE CITY, Utah, Tr., June 23d, 1874. EDITOR JOURNAL.—A few words to your readers about this country, especially those contemplating coming West, may not be without interest.

THE SPANISH GOVERNMENT WILL SHORTLY CALL FOR A FRESH Levy OF 30,000 MEN TO REINFORCE THE ARMY OF THE NORTH.

The tax list among the Duluth papers is the hottest thing visible above the July horizon. An Eastern railroad company has a peculiar way of reforming conductors who may be suspected of practicing Addition, Division, and Silence.

MINNESOTA NEWS.

A boy named McDonald, of Fairbault, had his skull crushed in by getting in the way of the hind foot of a mule. Lizzie, daughter of John Lawler, of Stillwater, fell into the lake near the lower depot on Thursday, and was drowned.

CASTORIA IS MORE THAN A SUBSTITUTE FOR OIL.

It is the only safe article in existence which is certain to soothe the skin, relieve the itching, cure wind colic and produce natural sleep. It contains neither opium, morphine, alcohol, or any other poisonous substance, and is pleasant to take. Children need not cry and others may rest.
