

LOCAL AND MISCELLANEOUS.

BLANKS. We have just printed, and shall keep constantly on hand, Justices', Constables' and Lawyers' Blanks, gotten up in the most approved styles, and printed on a good quality of paper.

NATHAN ALDRICH, Esq., is our authorized agent at Edwardburgh, to procure subscriptions, advertisements, &c.

Preparations are being made for the celebration of the coming 4th of July.

The streets of the City of Jackson are now lit with gas.

Attention is directed to the advertisement in another column of "Wool Carding, Spinning, Weaving, &c."

The Fire Wardens are coming around in a few days to see if your stove pipes are all right. See proceedings of Board of Trustees in another column.

The annual Review of the Fire Department in the City of Detroit, will take place on the 5th of July. The various Military Companies and Civil Lodges are to take part in the exercises. A rich time is expected.

We notice some improvements in the appearance of our neighbor, the Niles Enquirer. The Enquirer is a very tasty looking paper, and one of the most reliable Republican papers in this part of the State.

THE MICHIGAN FARMER.—This reliable old Monthly, for June, is upon our table, and is filled with its usual quota of interesting matter for the farmer. Published by R. F. Johnston, Detroit, Mich., at \$1.00 per year.

We have had a day or two of pleasant weather this week, which was quite a relief, after such a vast amount of wet and disagreeable weather as we have been having along here. Unless we do have some weather soon, our corn crop will be "rather slim" this fall.

THE FIFTY MILE RACE.—This race which was to have taken place on Wednesday week, did not come off, but a race of 20 miles was run in its stead. The Michigan horse, "Frank Granger," came out victorious. The Buffalo horse gave out after running 19 1/2 miles. The time made by "Frank Granger" was as follows: 10 miles in 20 minutes, 25 seconds; 15 in 47 minutes and 25 seconds, and 20 in 66 minutes and 50 seconds. The Buffalo horse did the next morning after the race.

We learn from the Allegan Journal, that the notorious Mississippi robber, Sam Streetland, alias Sam Bell, was arrested at the house of Mr. Fisher, in Pier-Cove, Allegan Co., on Wednesday last week, by officer Carpenter, of Dubuque. Bell was at the head of a large gang of counterfeiters, robbers, &c., which was broken up some five weeks since. He lived in a kind of castle on the Mississippi river, which was the rendezvous of the gang.

By reference to an advertisement in another column, it will be seen that Ira Bernal has for sale Manny's celebrated Reaper and Mower, which has taken the first premium at every trial, where it has been put in competition with other machines. It is pronounced by good judges to be the best machine now in use. Mr. Bernal informs us that he would like to put it in competition with any other Reaper and Mower, during the coming harvest, in any part of the county that competent judges might select.

We notice that Mr. C. N. Alward has lately enlarged his bookstore, the better to accommodate his numerous customers, and has received a large stock of new and choice books. He keeps constantly on hand as good an assortment of stationery as can be found in this part of the State. Mr. A. N. Alward, the gentlemanly salesman, has our thanks for some twenty varieties of the best writing paper that we have seen in some time—consisting of Foolscap, Bill paper, Legal-cap, common and fancy Note paper, &c.—together with some fine envelopes. We cordially recommend all in want of any goods in the above list, to give him a call.

FOURTH OF JULY CELEBRATION.—We are glad that a move is being made towards getting up a Fourth of July Celebration in our village. A meeting is to be held at the Hotel of N. Beck, on Saturday evening next, to take the matter into consideration, make preparations, &c. We hope the meeting may be largely attended, and that we may be able to get up a good celebration here. Our neighboring towns are making preparations to "celebrate," and there is no reason why we should not have a "good time." The Fourth of July is a day on which every man, woman and child, possessing the least spark of patriotism, should make it manifest in some way. It is rather slight to do more for money, but if all would get together and throw in their mite, quite a demonstration could be got up. Turn out on Saturday evening next, one and all, and see what can be done.

We have received from the publishers, the June number of Peterson's Philadelphia Counterfeit Detector and Bank Note Detector, of which the Philadelphia Ledger says "A reliable counterfeit detector, has long been needed, but especially within the last year. Peterson's entirely supplies this want, for it is accurate, honest, and thorough, being prepared by Drexel & Co., of this city. The June number, just issued, contains a perfect list of all the counterfeit, broken banks and rates of discount on bank notes. The objection brought against many of the counterfeit detectors published elsewhere, is that they are merely vehicles for luring black-mail, cannot be urged against this, for the character of the publishers, T. B. Peterson & Co., and of the editors, Drexel & Co., are above suspicion. We would advise all persons to subscribe to this Detector at once. The price is only one dollar a year monthly, or two dollars a year for it, semi-monthly."

Corporation Proceedings. At a meeting of the Board of Trustees, held pursuant to adjournment, at the Clerk's office on the evening of June 29, the following by-laws and ordinances were passed:

Article 11. Be it further ordained and established by said Board of Trustees, That hereafter Recorder shall make out a poll list of all persons liable to a poll tax on public highways, on or before the first day of August in each year, and that the Board of Trustees, at their next meeting, direct to the Street Commissioners, commanding them to collect and apply said poll tax in respect to the public highways, streets, lanes and alleys in said village within sixty days from and after the first day of August.

Article 12. Be it further enacted by said Board of Trustees, that all stores when put up for use in said village, shall have placed under them, either a sheet of zinc or tin, of at least the size of the stove, for protection against fire. And he further ordained that all stove-pipes running through a floor or ceiling, shall have a protection of tin or sheet-iron, or other proper material, and that no stove-pipe shall be allowed to be erected or placed nearer to any unprotected wood-work than six inches; and that all stores and stove-pipes put up, and not

protected as above indicated, shall be liable to be removed by the fire wardens, and all persons neglecting or refusing to comply with this ordinance, after having had notice by the fire wardens, shall be every such neglect or refusal, liable to a fine of not less than one, or more than fifty dollars for each and every such neglect or refusal.

Article 20. Be it further ordained and established by the President and Board of Trustees of the village of Dowagiac, that all warrants to be drawn on the Treasurer of this village, for appropriations made, be signed by the President and countersigned by the Clerk.

It was moved and adopted that the Fire Wardens be requested to examine all stores and stove-pipes now put up for use in this village, and report their state and condition to this Board as soon as practicable.

On motion, the Board adjourned until Saturday, June 12th, at 7 P. M.

H. D. WAGNER, Clerk.

Apportionment of School Money. The Superintendent of Public Instruction has just completed the apportionment of the Primary School Interest Money for the year 1858, based upon the returns for 1857.

In consequence of the financial embarrassment which is so widely felt throughout the State and country, there are unusual deficiencies in the amount of interest received into the Treasury; still the amount is somewhat greater than was apportioned last year. But the number of children upon which the apportionment is based being nearly thirteen thousand more this year than last, the apportionment just made, gives only 50 cents to the scholar, while last year 53 cents were received on the scholar.

It will be seen that the counties having the greatest number of children, stand in the following order: Wayne, Lenawee, Oakland, Washtenaw, Calhoun, Kent, Hillsdale, Jackson. No other counties return over 8,000 children.

Table with 3 columns: Counties, No. of Children, Amount. Lists counties like Allegan, Barry, Berrien, Branch, Calhoun, Cass, Cheboygan, Chippewa, Clinton, Eaton, Genesee, Grand Traverse, Gratiot, Hillsdale, Huron, Ingham, Ionia, Jackson, Kalamazoo, Kent, Lapeer, Lenawee, Livingston, Mackinac, Macomb, Manistee, Manistowick, Marquette, Mason, Midland, Monroe, Montcalm, Montcalm, Newaygo, Oakland, Oceana, Ottawa, Ontonagon, Saginaw, Sanilac, Shiawassee, St. Clair, St. Joseph, Tuscola, Van Buren, Washtenaw, Wayne.

Total, 214051 \$107,925 50. The number reported from the several Cities in the State, is as follows: Detroit, 12668; Grand Rapids, 2032; Adrian, 2000; Ann Arbor, 1354; Jackson, 1255; Flint, 1245; Lansing, 1068.

The Grand Temple of Honor of this State, held its tenth Annual Session at Temple Hall, in the city of Adrian, on the 19th and 20th of May.

BECKWITH, HAS made a valuable improvement in Horse Powers, and is manufacturing the same at his Foundry in Dowagiac, Cass County, Mich. This Horse Power is designed for eight horses. It is simple and Compact in its Construction! And is so arranged that the working parts of its gearing perform their labor with one-half the heavy strain that is required in other Powers, and therefore being subject to one-half the wear and tear, and one-half the liability of breaking, both of which is very essential to every person connected with threshing.

It is warranted to drive a Thresher and Separator with less team than any other Power in this section of country. It is lighter and most of machines, and easily moved from place to place. And finally, IT IS HARD TO BEAT. The undersigned is also agent for R. T. MERRILL'S IMPROVED Double Milled Separator!

This Separator drew the FIRST PREMIUM at the Michigan State Fair of 1857, and from the reputation it has at home and abroad it recommends itself as the best in the world. Call at the Foundry and examine before going away from home after MACHINES. Dowagiac, April 28th, 1858.
