### NOTICE!

The accounts of Dr. M. Porter, are left with STRAWBERRY DOWLING Esq., for collection.

An immediate attention to this by those indebted to him will save COSTS.

Jan. 18th 1894. M. PORTER, 405.

### NOTICE.—The next Social of the Ladies Universalist Society, will be held at the residence of Richard Hodson, on Tuesday evening next, April 5th, 1894. All are cordially invited to attend.

JENNIE DICKSON, Sec'y.

### TOWNSHIP TICKETS PRINTED.—We are prepared to print all Township tickets neatly and expeditiously.

We ask our friends to collect about one third more the experience of printing them than they have done heretofore.

The price of all our printing stock has gone up so largely that we feel that we ought to charge about that much more in the prices of previous years.

We would not ask it, if we did not need it by reason of the high prices of our stock.

### PENNY TOKENS OUTLAWED.—We see it stated in the Detroit Advertiser & Tribune that the U. S. Attorney for this District—Mr. F. O. Rogers—has given notice that those passing coined business cards on and after April 1st will be prosecuted.

This is right. These business cards have become a nuisance that the public have tolerated sufficiently long. Let them step aside and the Government "nickels" supply their places.

### THE ATLANTIC MONTHLY.—We have received the April number of this valuable magazine. It opens with a well written article on "Fighting Facts for Fogies," by C. C. Hazewell; this is followed by a poem, by Whittier, on "The Wreck of Rivermouth," then we have the "Schoolmaster's Story," by A. M. Diaz; "Pictorial Ignorance," by Gail Hamilton; "The first visit to Washington;" "House and Home Papers," by Mrs. Stowe; "The Black Preacher," by Lowell; "Fouquet, the Magnificent," by F. Sheldon; "Among the Mormons," by Fritz Hugh Ludlow; "Our Progressive Independence," by Dr. Holmes; "On Picket Duty," and the usual Reviews closes the contents of one of the best numbers yet issued.

Published by Ticknor & Fields, Boston: Terms—One copy, one year, postage paid, \$3.00; two copies, \$5.00 and each additional subscription at the same rate, subscribers to pay their own postage. Single copies to be had at Alward's Bookstore.

### THE LADY'S FRIEND FOR APRIL.—The April number of this new two-dollar magazine opens with a charming steel engraving called "Harry and his Dog." This is followed by a beautiful Double Fashion Plate, also engraved on steel in the best style. Then we have two companion engravings which will touch the hearts of all mothers, called "The Wanderer" and "The Restored." The music of this number is the popular song by Ednor Rossiter, "I Love that Dear Old Flag the Best," and is of itself worth the price of the number.

The literature of this number is "Our Ned," "Above the Clouds by Night," illustrated by a striking engraving; "Forebodings," by Clara Augusta; "Mistaken Duty," by Ida Mason; "Good-bye," by Mrs. L. J. Rittenhouse; "Mabel's Mission," by Jenny Morris's Trip to California," by Mrs. Margaret Hosmer; "The Transformed Village," illustrated by an engraving, &c. The Novelties, Work-Table and Flower Department are all illustrated by finely executed wood cuts. Published by Deacon & Peterson, 319 Walnut St. Philadelphia, \$2.00 a year.

## IMPORTANT TO FARMERS.—F. H. Ross, Esq., of this village, has been appointed Agent for the sale of the celebrated Kirby Combined Reaper and Mower, manufactured at Buffalo, N. Y. This machine possesses many advantages over other machines, which renders it the best as well as the cheapest for a farmer to buy. We name a few: It is an iron machine, and consequently more strong than a wooden frame machine; it is exceedingly simple and therefore easily managed, it is self-adjusting, and therefore can work on any kind of ground, it is the lightest draft machine in the market, and is perfectly adapted to any kind of work either mowing or reaping, and being so simple in construction, that the change from a mower to a reaper is made in a few minutes. During the past seven years it has received more premiums than any other machine manufactured. It received the first premium at the Michigan State fairs, for 1859, '60, '61, '62 and '63; at the United States Fair, 1860; and also at the State Fairs of Ohio, Wisconsin, New York, and Indiana, as being the best combined machine for all work, exhibited. Mr. Ross also keeps on hand a full supply of everything belonging to the machine, so that if anything gets broken or lost, it can be repaired in a very short time. Owing to the scarcity of labor, farmers will be obliged, this year, to do much of their work by machinery, and they will find that the best machinery they can get will be in the end the cheapest. Taking that view of the case, we think farmers will find it for their interest to call on Mr. Ross and examine the "Kirby" before purchasing, and thereby save time, and secure a machine that has been well tried and found to be just what is needed.

### Special Notices.

An interesting Letter.—Messrs. Post & Bros., Agents N. Y. Sanitary Society, Rochester, N. Y., write to you to state the magical effect of that bottle of People's Cure which I obtained from you in November last. Seeing an advertisement of your Society, offering to give your medicine to the poor of their parishes, I obtained a bottle for a poor girl of my congregation, who had long been nearly helpless from Rheumatism, and strange to say, that one bottle cured her entirely. I write this, hoping it may aid the Society in its efforts to introduce the medicine, and bless those who may need such a remedy; and I use strong terms, as I believe its merits will fully justify the most speculative forms of speech.

Yours, Respectfully,  
C. R. WILKINS,  
Pastor of the First Presbyterian Church,  
Pittsford, Monroe Co. N. Y.
