

LOCAL DEPARTMENT.

Teachers' County Association.

The Teachers of Ottawa County are hereby invited to meet at the Union School House, at Lamont, at one o'clock P. M., on Saturday the 26th inst., for the purpose of forming a County Teachers Association. A full attendance is desired.

J. A. BANFIELD, Prin. Un. School, G. H. FREDERICK ROE, " " " Lamont. Grand Haven, Feb. 11, 1859.

The Legislature of this State adjourned on Monday last, at noon.

The propeller Michigan, Capt. HOPKINS, arrived at this port last evening, from Milwaukee, fully laden with freight and passengers.

We are indebted to the gentlemanly Clerk, Mr. FRED. J. THOMAS, for late papers. We regret that the crowded state of our columns will not admit of the insertion, this week, of his interesting communication.

Hons. H. PENNOYER and JAS. DALTON, were chosen, by the Democratic County Convention, held at the Court-House in this village, on the 15th inst., delegates to attend the Democratic State Convention, to be held at Detroit, tomorrow, 17th inst.

A large number of the citizens of Grand Haven and Mill Point joined in a sleigh-ride to Muskegon, one day last week. It is said they had a "good time," and were kindly welcomed and enjoyed the hospitalities of our neighbors at that pretty village.

The sleighing is excellent, every team in the lumbering sections is engaged from day-break to sundown in sliding in the logs. Three weeks more of good sleighing, will nearly stock the mills in our county with their usual supply of logs. Hope we may have it.

Monday evening, the 21st inst., is the set time for Mr. VAN NORMAN'S Concert. We have frequently "dropped in" at his rehearsals, and take pleasure in assuring our readers an hour or two at Mr. V. has a large and well trained class, comprising some of the best musical talent in Ottawa county.

The nominal price of ten cents is to defray the expenses of fuel, lights, and other necessary costs of preparing the room. Who will not turn out and "drive dull care away" in these blue times of business, when it can be done with a sleigh ride under the rays of the silver moon, and only ten cents. See hand bill already issued.

THE SHINGLE BUSINESS.—Never perhaps in the annals of old Ottawa has the shingle business been prosecuted with more vigor than during the present winter; and Eastmanville seems to be the center of the trade. Teams from almost every town in the Central, Eastern, and North-Eastern portion of the County, may be seen daily in front of the store of GALEN EASTMAN, Esq., with "A No. 1 Shingles" to exchange for goods, produce or money. Happily indeed to the manufacturer is it that our friend G. has resources that never fail, otherwise there must have been much suffering in the different portions of our county during the winter, for shingles is the only article that could be made available to many for supplying themselves and families with food and clothing.

OTTAWA COUNTY TEACHERS' ASSOCIATION.—We learn that it is contemplated by some of the principal teachers of Ottawa County to organize a County Teachers' Association—an institution hitherto unknown among us. We hope the suggestion will be carried into effect, for we are confident from our knowledge of the ability of several of the teachers in our midst, that such an Association will be productive of much good to all its members, and particularly to those who have had as yet but little experience in teaching, by an interchange of views, on educational topics, experiences in teaching, modes of conducting their respective schools, and serve to elevate the standard of the profession, and make our schools the better.

DOUBTFUL.

The Ottawa "Clarion" states that every fifteenth house in Grand Haven is a grog-shop! Clubb has met with huge disappointment this winter, and his statements should be received with caution.—Grand Rapids Press.

We would inform our neighbor, of the Press, that the above was reported expressly for the local columns of the Ottawa Clarion, and has received a wide circulation in both England and America. Such items are highly complimentary; and will, we presume, be of lasting benefit to our village—(pump). Yet they "should be received with caution" by all, both at home and abroad. We consider it a "huge" estimate, yet it comes from a most reliable source.

CORD WOOD.—It is really a matter of surprise to note the immense quantity of cord-wood that is being prepared in different parts of our county, for market, during the present winter. One would suppose there would be a sufficiency to supply all the steamers on Lake Michigan the coming summer; but we are informed that it will require some 14,000 cords to supply the demand of the D. & M. Railway and steamers connected therewith, at this point, during the next season. \$1.75 cord is offered, delivered at Grand Haven.

SHALL WE HAVE A TEACHERS' INSTITUTE AT GRAND HAVEN?—We understand the Superintendent of Public Instruction has signified his willingness to hold a Teachers' Institute at our village sometime in the month of April next—provided fifty teachers will signify their intention to attend the same. Mr. BANFIELD, is interesting himself in the matter, and we trust the requisite number of teachers will not be wanting. Our present knowledge of these Institutes enables us to say, that not only are the exercises of the greatest benefit to the teachers but highly entertaining to citizens, particularly the lectures connected with the Institute on various educational and scientific subjects. Therefore let us have the Institute.
