

LOCAL AND NEWS ITEMS.

COL. CHAMPLIN has rejoined his regiment, the glorious "3d."

BERRIAH MAGOFFIN has resigned the Governorship of Kentucky and is succeeded by James F. Robinson, a strong union man.

THERE are now in camp at Detroit, 850 men enlisted for the 4th Michigan Cavalry, and every train brings in fresh recruits.

PROMOTED.—Lieut. Col. STEVENS, of the Third Michigan Infantry, has been appointed Colonel of the Twenty-First Regiment, now rendezvousing at Ionia.

MICHIGAN STATE AGRICULTURAL FAIR.—The 14th Annual Fair of the above Society will be held at Detroit, on the 23d, 24th, 25th and 26th of September.

WE have just received the August number of the Printer. Among the multitude of publications throughout the land there is not another we esteem more highly.

CORRECTION.—The following "Wolverines" credited to Polkton and Wright in our late issue should have been given to Tallmadge: Seymour Bagley, Thomas Cooley, Henry C. Cooley, and George W. Fisk.

WHEAT WANTED.—Mr. Miner Hedges, at Lamont, has recently erected a warehouse for the storage of wheat. He, together with Messrs. Luther and Hinsdale, will continue to buy during the season of navigation, paying the highest market price in cash. Good wheat is now bringing about 93 cents.

PRaiseworthy.—The ladies of our village, with their characteristic liberality, are again in the field of benevolent labor, proposing to provide for the "Wolverines" a goodly supply of comforts and dainties for them in the day of their need—something they can appropriate to their relief in the absence of mothers and sisters. I is desirable, necessary even, that all who will contribute to this Good Samaritan project should do it at once.

Contributions may be left at the residence of Wm. Wallace, Esq. By order of the Ladies.

A PLEASANT INCIDENT.—Our village, on Monday evening, was the scene of one of those little episodes in human life that contribute largely to our pleasures and gratifications. A brace of revolvers, costing \$32, and with cartridges, \$34, purchased by the munificence of our citizens, was presented to Capt. H. C. ALBEE. They were bestowed at the hands of Hon. T. W. FERRY, accompanied by appropriate remarks and acknowledged handsomely by the recipient. A flag has already been procured for the "Wolverines," and will be confided to their care before leaving Ionia. Capt. A. left yesterday morning with the balance of his company, 120 all told, for the place of regimental rendezvous.

MATT. THOMPSON'S "Christy's Minstrels" will give a grand concert and soiree, d'Ethiopia, at the Court-House, on Friday evening next. Mr. Thompson will introduce new Union songs, funny sayings, &c. One of the new and rich things in the bill is the burlesque of the "Cannada Brigade," especially dedicated to those called from the State on urgent business. The Minstrels gave a concert at Grand Rapids on Saturday evening last, for the benefit of young Page, to enable him to proceed to New York for the purpose of obtaining his artificial legs.

Mr. Thompson was formerly connected with E. P. Christy's Minstrels, the founder and patron of that order of Minstrels. OUR LIBERALITY.—The following embraces the donations to the Bounty Fund raised by our citizens and others for the "Wolverines": Ferry & Son, \$500; C. B. Albee, \$100; John W. Hopkins, 100; George Parks, \$50; N. H. & E. P. Ferry, \$100; William Wallace, \$50; Dwight Cutler, \$75; Henry Griffin, \$25; Geo. E. Hubbard, \$50; Henry Brouwer, \$25; Henry L. Warts, \$50; Galen Eastman, \$50; S. R. Noyes, \$25; John Haire, \$50; Wm. Thompson, \$50; Fred Becktel, in meats, \$25; Heber Squier, \$20; Harry Miller, \$10; Robert Howlett, \$100; E. W. Barns, \$10; John T. Davis, \$10; Henry Braisted, \$10; S. Munro, \$50; I. H. Sanford & Co., \$10; Albert Stegeman, \$20; C. W. Cushman, \$10; D. M. Cooper, \$10; News Office, to be paid in material and printing, \$100. Total, \$1685.

The Mounted Riflemen.

Capt. A. C. LITCHFIELD is succeeding well in recruiting his company of mounted riflemen. In less than a week after receiving his commission he raised 40 men, and will doubtless succeed during the present week in furnishing his full quota. Offices for recruiting are open at this place, Lamont and Grand Rapids. The following persons have been recruited by Geo. LUTHER, Esq., at Lamont:

John Shannan, Oren G. Maxfield, Benjamin Curtis, Warren A. Maxfield, Frederick Harris—Tallmadge.

James Cilley, Alonzo M. Woilver—Polkton.

George Reed, Aman Wilson—Alfordale.

Charles W. Sweet—Wright. Enlisted at Grand Haven:

Oliver H. Whitney—Robinson. Simeon L. Bink—Nortonville. Ransom Tubbs—Olive.

MOST PRAISEWORTHY.—Our Holland citizens of the "Colony" are coming up nobly to the rescue. We are informed, from the most credible sources, that the citizens of the two townships of Holland and Zeeland, in their liberality, have contributed \$6,000 bounty to volunteers, and that 150 have volunteered to sustain the good old flag. In the space of twenty-four hours, in Zeeland alone, \$3,300 were pledged and 32 volunteers secured. One farmer alone, Mr. YERMA, contributing \$250, and others, of their means, very liberally. We feel assured our adopted citizens will do their whole duty toward the Government that has so generously opened its arms to receive them, and will, by no means, turn their back upon her in the day of her calamity.

THE Union, our new cotemporary, made its first appearance on Monday. It is a good sized sheet, very neat and tasty in its mechanical execution, Republican politically, and no doubt will prove acceptable to most of our citizens.

We like its salutatory address and fully accord with it in its promise of unflinching support of the Government, its purpose to urge an unflinching and vigorous prosecution of the war, at any and every cost and sacrifice, "until the last vestige of rebellion is swept away," and "no compromise with armed traitors."

We assure the Union it has our hearty co-operation, in all its efforts to bring about the grand results set forth, as regards the rescue and perpetuity of our glorious country, and will find us so far an unflinching ally, and we trust mutual aids in every good and perfect work.

Rev. L. M. S. SMITH, of Mill Point, editor, and H. C. ARELEY, Esq., of this village, publisher and proprietor.

HEADQUARTERS Co. B, 6th Reg. O. V., Camp Beverly, Va., July 27, '61.

Dr. C. W. ROBACK, Cincinnati, Ohio: We received your long wished for and welcome remedies a few days ago, and hasten to return you a unanimous expression in regard to our high opinion of the merits of the same.

We have used them with great benefit in our Company, and heartily attest to the public opinion of their great benefits. In our cases, especially where there have been so many great changes as from the civilian in daily routine, in business, at home, to the exposed habits of active soldiers in a strange and unnatural country, do we most appreciate the merits of such Heaven-sent values as yours. To all those in our position do we most emphatically recommend your remedies, being assured, from experience, that they will be a very welcome companion.

Yours, very truly, JOSEPH A. ANDREWS, Capt. Co. B, 6th Reg. O. V.

WILLIAM WALLACE. Grand Haven Nov. 9, 1861.

DR. ROBACK'S BLOOD PURIFIER and BLOOD PILLS

have been introduced to the public for more than six years, and have acquired an Immense Popularity.

An appreciating public was not long in discovering they possessed remarkable Curative Properties, and hence their Rapid Sale

and consequent profit to the Proprietor, thus enabling him to expend Many Thousands of dollars each year in advertising their merits, and publishing the Numerous Certificates

which have been showered upon him from All parts of the Country. The peculiarity of the Blood Purifier and Pills is that they strike at the root of Disease, by eradicating every particle of impurity

In the Blood, for the life and health of the body depends upon the purity of the blood. If the blood is poisoned, the body drags out an miserable existence. These medicines Are Unequaled for curing

Sorefula, Liver Complaint, Skin Diseases, Female Complaints, Salt Rheum, Rheumatism, Dyspepsia, Syphilis, Old Sores, Pever and Ague, Leucorrhoea, Sick Headache, Erysipelas, St. Anthony's Fire, Tumors, Eruptions, Fits, Sorefulous Consumption, etc.

ONE person writes, her daughter was cured of fits of nine years' standing, and St. Vitus' dance of two years. ANOTHER writes, his son was cured after his flesh had almost wasted away. The doctors pronounced the case incurable.

ANOTHER was cured of Fever and Ague after trying every medicine in his reach. ANOTHER was cured of Fever Sore which had existed fourteen years. ANOTHER of Rheumatism of eight years.

Cases innumerable of Dyspepsia and Liver Complaint could be mentioned in which the Purifier and Pills Work like a Charm. The Blood Pills are the most active and thorough pills that have ever been introduced.

They act so directly upon the Liver, exciting that organ to such an extent as that the system does not relapse into its former condition, which is too apt to be the case with simply a purgative pill. They are really a Blood and Liver Pill, which, in conjunction with the Blood Purifier, will cure all the aforementioned diseases, and, of themselves, will relieve and cure Headache, Costiveness, Oblio Pains, Cholera Morbus, Indigestion, Pain in the Bowels, Dizziness, etc.

Try these medicines, and you will never regret it. Ask your neighbors, who have used them, and they will say they are Good Medicines, and you should try them before going for a physician.

Get a Pamphlet or Almanac of my local agent, and read the certificates, and if you have ever doubted you will Doubt no more.

As a proof that the Blood Purifier and Pills are purely vegetable, I have the certificates of those eminent chemists, Professors Chilton of New York, and Locke of Cincinnati.

Head Dr. Roback's Special Notices and Certificates published in a conspicuous part of this Paper from time to time. Price of the Scandinavian Vegetable Blood Purifier, \$1 per bottle, or \$5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for \$1.
