Taylor, Judge of Probate in and for the county of Ottawa and State of Michigan, I shall sell at public auction, to the highest bidder, at the premises, in the township of Allendale, in said county of Ottawa, on Saturday, the seventh day of May next, at two o'clock in the afternoon, all the right, title and interest that William Bell, late of said county of Ottawa, deceased, had in his lifetime possess in and to the north half of the west half of the south-east quarter of section twenty-six (26), in town seven (7) north of range fourteen (14) west, containing forty acres of land, more or less, with the appurtenances. Dated, Allendale, March 12, 1864. JOHN R. MORGRIDGE, Administrator of the estate of William Bell, deceased.

Robnek's Swedish Brandy.—We have been your agents, for some time, for the sale of your goods, and from the repeated calls we have had for your SWEDISH BRANDY we now desire a stock of that article. The specimen bottle sent to us has been examined, and has been found quite as acceptable as we had anticipated, it is highly cordialized, agreeable to the taste, of peculiar flavor, and is destined to meet with a rapid and extensive sale, in this section; ladies and others, requiring a pleasant stimulus and aromatic beverage will find nothing more palatable. You may send us six dozen bottles in one dozen cases, and charge the same to our account. Yours, truly, I. W. Jones & Co., Toledo, Ohio

FINKLE & LYON'S Sewing Machines!

These Machines make the lock-stitch alike on both sides, and use less than half the thread and silk that the single or double thread loop-stitch Machines do; will Hem, Fell, Gather, Cord, Braid, Bind, &c., and are better adapted than any other Sewing Machine in use to the frequent changes and great variety of sewing required in a family, for they will sew from one to twenty thicknesses of Marselles without stopping, and make every stitch perfect, or from the finest gauze to the heaviest beaver cloth, or even the stoutest harness leather, without changing the feed, needle, or tension, or making any adjustment of Machine whatever!

They are simple in construction, and easily understood; and if any part is broken by accident, it is readily replaced. These are peculiar facts, and will go far to determine the choice of any intelligent buyer.

Please call and examine or send for a Circular. N. B. Local Agents wanted in sections not yet occupied. Address, FINKLE & LYON S. M. CO., No. 538 Broadway, New York. [1y224]

The Singer Sewing Machines!

Our LETTER A FAMILY SEWING MACHINE is fast gaining a world-wide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, &c. No other family sewing machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our family sewing machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even the most ordinary capacity, can see, at a glance, how to use the letter A family sewing Machine. Our family sewing machines are finished in elegant and exquisite style.

The folding case of the family machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the cases, made out of the choicest woods, are finished in the simplest and chastest manner possible, others are adorned and embellished in the most costly and superb manner.

It is absolutely necessary to see the family machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our manufacturing machines are for manufacturing purposes.

The branch offices are well supplied with silk twist, thread, needles, oil, &c., of the very best quality. Send for a pamphlet. THE SINGER MANUFACTURING COMPANY, 468 Broadway, New York. Detroit office, 58 Woodward Avenue, Merrill Block. [1y227]
