ARREST OF ADOLPHE BERNARD

He is Captured at Chicago and
Brought to this City—\$1510
Found on Him.

Adolphe Bernard, the missing ticket
agent of the Memphis and Charleston
railroad, arrived in the city yesterday
morning, in company with Detective
Stonebraker, who arrested him in a sal-
oon on Lake street, Chicago, on Friday
morning. Stonebraker left this city
twenty-four hours after Bernard, and on
his journey North received information
that his man had gone to St. Louis with
the ultimate intention of proceeding to
Chicago, arriving on Friday morning
within an hour or two of the time Ber-
nard reached there. After walking a
short distance and making several in-
quiries, he observed Bernard on the
street and followed him until he entered
a saloon, where the arrest was made.

Bernard took the matter coolly, proceed-
ing with the detective to the Sherman
House, where he handed over \$1510—all
the money he had with him—and the
pair staid in a room until the train started,
the journey to this city being accom-
plished without any trouble. On his ar-
rival, yesterday, he was taken to Super-
intendent Beaumont's office, where sev-
eral officers of the road had an interview
with him, at which the defalcation was
thoroughly discussed, after which he
was committed to jail in the First Dis-
trict station house, on a warrant issued
by Colonel Beaumont, charging him
with embezzling over eight thousand
dollars belonging to the Memphis and
Charleston Railroad Company. He was
brought up for examination before Com-
missioner Richards this morning, when
his counsel, Messrs. Yerger & Sale and
Col. Heburn, asked for a continuance,
which was granted, and Wednesday
morning set as the time for trial, bail
being fixed at ten thousand dollars.

Bernard denies that he is a defaulter
to the amount published, and says that
a thorough investigation of the books
will reduce the amount considerably.
He is very indignant that he should be
accused of carrying off Mrs. Chester's
jewelry, and says he left it in a private
vault in the safe. He also denies the re-
ports in regard to himself and Mlle
Charolotte, and that he obtained any
jewelry on thirty days' credit. He states
that on Monday evening last he was at
the National Theatre with some friends,
and that the next thing he remembers
was waking up on Tuesday morning,
when he found himself in a sleeping car
on the other side of Humboldt.

He arrived at St. Louis on Tuesday
night, staying two days, and left for
Chicago, where he arrived on Friday
morning. He made no attempt at con-
cealment, registering his name at the
hotels, and mingling freely with his
friends and railroad men on the route.
He intended starting for New York via
a Lake steamer the evening of his arrest.

NEW MEMPHIS THEATRE.—The Ro-
mance of a Poor Young Man was pre-
sented in a very creditable manner on
Saturday night. Mr. Barrett and the
members of the stock company sustain-
ing their characters admirably. To-night
The Duke's Motto is announced, and
from the preparations made it should
give satisfaction and create a sensation
among our theatre-goers. During the
past week the machinist and the scenic
artist have been hard at work making
arrangements to produce combinations
necessary for the successful presentation
of this piece. Mr. Barrett will appear
as "Henri D'Alger," and will be sup-
ported by the full strength of the com-
pany, including Messrs. Hubbard, Partell
and Calder, who will appear for the first
time in this city.

GREENLAW OPERA HOUSE.—The first
week of Miss Emilie Melville, at the
Greenlaw Opera House, has been a suc-
cessful one. Her charming manner and
excellent singing has created a sensa-
tion among the young folks and many of
the old ones, who greet their favorite with
hearty applause each evening. On Sat-
urday night the Hidden Hand was per-
formed to a good house. Miss Melville
was a good "Capitol," while Sam Ryan
made the best "Wool" ever seen in the
city. To-night Our American Cousin
is announced, in which Miss Melville and
Mr. and Mrs. Tannehill will sustain the
principal characters, concluding with
Jenny Lind.

TOURNAMENT AT HERNANDO.—On next
Thursday and Friday a grand tourna-
ment will be held at Hernando, Miss.,

of completing the Masonic Building now
in course of erection there. The first
prize will be a three hundred dollar

dollar shotgun. On Friday there will
be a tilt for a two hundred dollar shot-
gun. There will also be a concert each
evening.

BRADLEY'S celebrated Duplex elliptic
skirts, in all styles, to be had at Iglauer
& Fritz's, 255 Main street.

SWORD, TORCH AND COMPASS.—The
sword to kill, the torch to burn, and the
compass to divide out the soil we bought
and the soil we live upon. This is the
language used against us as a Southern
people. Shall we calmly permit those
making use of such expressions to pre-
scribe and prepare for us all our Pills,
Bitters, Tonics, Cough Medicines, Chill
Specifics, etc., at a time when better
medicines are offered by our own "kith
and kin"? The "Great Southern Pre-
parations" are made in the South, by
them and you will never regret it.

OUR JOB OFFICE.—The PUBLIC LEDGER
job printing department has been lately
supplied with the latest and most ap-
proved patterns of type, borders and
presses, and is better prepared than ever
to accommodate the mercantile public.
Our prices will continue to be the most
reasonable in the city, while our work is
guaranteed to give satisfaction. We have
the only complete printing office in the
city, and will continue to give our cus-
tomers inducements no others in this
market can afford. Call and see.

ELSON BROS. again in the field. See
their new advertisement.

UNDERTAKING.—McGaffrey & Cor-
nelius, undertakers, have opened at No.
317 Second street, near Monroe, where
they have one of the largest stocks of
metallic cases and wooden coffins to be
found in the city. Those desiring such
things can be accommodated with any
style or size, at cheap rates. This firm
will have a couple of new hearses here in
a few days, and intend to exert themselves
to deserve and secure the patronage of
the public.

A THIEVING PORTER.—A colored man
named Ben Henderson was arrested on
Saturday evening for stealing goods from
the store of E. G. Paine & Co., where he
was engaged as porter. Several things
had been missed for some time, and sus-
picion falling on Ben, he was watched
and observed to secret some domestic
articles and a pair of shoes in rear of the
store. On being arrested by officer Dow-
ling he confessed his guilt.

MORTUARY REPORT.—One hundred and
forty-three deaths are reported by the
Health Officer last week, classified as
follows: White—males 21, females 15,
children 11; black—males 24, females
32, children 6; 21 negroes and 13 whites
died whose sex and disease is not stated.
Seventy-one deaths are reported from
cholera, seven from diarrhoea, six of con-
gestive chills, three of congestion and
three of dysentery.

ELSON BROS. again in the field. See
their new advertisement.

THE RACES.—The pacing match at the
New Memphis Trotting Park on Sat-
urday evening, for a purse of five hundred
dollars, passed off in a satisfactory man-
ner to those winning. Three horses were
entered, "Pat Shannon," by Mr. Wolf,
"Mart Walt," by Dickey, and "Ned,"
by Captain Dan Able. At the first heat
"Mart Walt" was distanced. "Pat
Shannon" won the first three heats in
2:47, 2:48, and 2:48.

NORTHERN POLICE COURT.—Fifteen
cases were disposed of by Commissioner
Richards this morning, eleven of the
number being drunks. There was a
couple up for indulging in a fight, which
terminated, according to the evidence of
a witness, by the wife of one of the con-

testants manipulating the head of the
other who had been knocked down, while
a dog manipulated his shins. Fifty-
seven dollars collected.

JUST OPENED.—New dress goods and
trimmings, at Iglauer & Fritz's, 255 Main
street.

THE REVIVAL MEETING at the Central
Methodist Church is still progressing.
Large congregations continue to throng
the church, and penitents are daily being
converted. The services yesterday were
of the most interesting character. The
word of God was preached with great
clearness and power, and a large number
of persons were received into the church.
Preaching to-night, commencing at 7
o'clock.

SOUTHERN POLICE COURT.—Only three
cases were disposed of in this Court
Saturday evening, and thirty dollars
collected. Martin McEwe was arrested
for whipping his wife, but was not as
prompt to appear in court as he was to
beat his wife, and forfeited the twenty-
five dollars he had put up for his appear-
ance.

CHOLERA AND HOW TO PREVENT IT.
Use Humphreys' Homoeopathic Cholera
Specifics. They are particularly valu-
able as preventives used morning and
night, and prompt in subduing the diar-
rhea or the fully developed cases. Fam-
ily and pocket cases containing full di-
rections, at \$5.00 and \$3.00.

It is midsummer madness to suppose
that any genuine trans-atlantic perfumes
are for sale in this country, and moral
insanity to purchase the wretched imita-
tions when Phalon's "Night-Blooming
Cereus," the rarest scent in Christen-
dom, is sold everywhere at one dollar
per bottle.—Burlington Sentinel.

CAPTURED A YAWL.—A telegram was
received in the city yesterday from Little
Rock, requesting the arrest of James
Gaugh and Dan Star, on the charge of
stealing the yawl of the sunken steamer
Katie Bruner, on which they were ar-
rested by the police and are now in jail.

EMPRESS CLOTHS, poplins, merinos
and cashmeres, received this day by
Iglauer & Fritz, 255 Main street.

DEATH OF QUEEN VICTORIA.—From
the report of the Health Officer we learn
that Queen Victoria died last week in
this city. The Memphis queen was
black. We also learn that King Solo-
mon died about the same time from the
effects of laudanum. "What's in a
name?"

NOTICE.—Any one wishing to engage
in the drug trade now has an opportu-
nity to purchase an interest in a first-
class drug store, on Main street. Ad-
dress "Druggist," lockbox 241, Mem-
phis. Rapidly declining health is the
cause of sale.

MEMPHIS, Sept. 24, 1886.

HORSE STOLEN.—About dusk on Sat-
urday evening some lover of horseflesh
took a fancy to a bay pony belonging to
A. P. Curry, which was standing saddled
and bridled on Main street, in front of
a store, and disappeared with the same.

ROBINSON COUNTY WHISKY.—Five
barrels of Robinson county whisky,
eight years old, for sale low to close con-
signment. Warrented or no sale.

VEREY & CARTRIGHT,
500 Bank avenue.

WHO IS FELIX? That is the question.
Ignorance of the subject can be dis-
ipated by calling at the next door to the
south corner of Front and Madison
streets. Felix has refitted, and keeps
the freshest of oysters and the finest of
beverages.

THE PLACE TO GO.—When in that
neighborhood it will pay you to call at
H. Aisle & Co's Court Exchange, south-
east corner of Second and Union, where
the best of liquors, etc., are kept. Lunch
every morning, and at night during the
performance at the Opera Hall.

We learn that a revival has commenced
under the ministry of Dr. Guilford Jones,
at Asbury Chapel, on the corner of Lin-
den and Hernando streets. Preaching
every night, and meeting every morning
at 9 o'clock.

CHOLERA REPORT.—Forty-eight new
cases were reported to the Sanitary
Police yesterday, and fourteen deaths,
including five white persons. At noon,
today, thirteen cases and nine deaths,
including five white persons, had been
reported.

COL. GALLAWAY.—We regret to learn
that Col. Gallaway, of the Academie,
who has been ill for several days, was
attacked with cholera symptoms this
morning, and his recovery is considered
doubtful.

ALL QUIET.—The fear of the law, or
the cholera, or something else, had a good
effect on law-breakers last night, only
one arrest being made in the First Dis-
trict. He was on a "bust."

ROBBERY.—On Saturday night a room
at No. 11 Overton street was entered by
some burglariously inclined individual,
and a pair of pants, gold watch and
\$136.50 in money stolen from Mr. S.
Marks.

PERSONAL.—Gen. Frank P. Blair was
a passenger for St. Louis on the Marble
City, Saturday evening. Chief M. E.
Waldraven has gone to New York to ac-
t as a lawman for the firemen.

The finest and best selected stock of
beavers, cloths, cassimeres and vestings
in this city, is at Reid & Bro's, mer-
chant tailors and clothiers, 151 Jefferson
street.

CONTRIBUTION.—The Virginians resi-
dent in Memphis have sent \$473.38 to
the fund for the relief of their destitute
brethren in their native State.

CAYCE, 396 Main street, has auction
sales daily of household furniture, etc.,
at his Arcade. Call there.

Special Notices.

Special Notices will be inserted in this col-
umn for ten cents per line for each insertion.

The Great New Supply.—Pills have been
swallowed in millions. Salves have been rub-
bed in by the pound. Dr. MAGGIE'S TWO GRAND
specifics are putting an end to this wholesale
system of medication. One of his famous pills
is a dose. A box of his healing salve is of more
value, as a remedy for ulcers and eruptive
diseases, than a ship's cargo of the ointments
advertised to cure everything, but are all, in
fact, either useless or deleterious.

Dr. MAGGIE'S motto is CONCENTRATION. He
has placed in the smallest compass the active
principle of the most potent vegetable specific.
There is no mineral in his Pills—they do not
crisp—they do not enfeeble. They create a
vigorous appetite, and correspondingly strength-
en the digestion. They tune the liver, clear
the head and steady the nerves.

No form of scrofulous disease can resist the
disinfectant operation of the Salve. Tumors,
Abscesses, Salt Rheum, Boils, Pimples, Pus-
tules, etc., are thoroughly eradicated by this
universal medicine. In fact, MAGGIE'S REM-
EDY, DYSPEPTIC AND DIARRHEA PILLS cure
where all others fail. While for Burns, Scalds,
Chilblains, Cuts, and all abrasions of the skin,
Maggie's Salve is infallible. Sold by J. Mag-
gie, 43 Fulton street, New York, and all Drug-
gists, at 25 cents per box.

Select School for Young Ladies of the
Hebrew Faith, 173 and 175 West Thirty-third
street, between Seventh and Eighth Avenues,

Simons, having been requested by many South-
ern and Western friends (whose children have
been educated at the Institute) to make known
her school, announces to them that she receives
pupils from the ages of 7 to 16. The pupils can
acquire the English, French, German and He-
brew languages thoroughly. Music and singing
taught by able professors. Sewing and embroi-
dery made an especial instruction. Dancing and
symmetric exercises taught during the winter
season. The pupils attending the Institute will
find it a home in every respect, and every care
will be taken with their moral and religious
training. Pupils can enter the Institute at any
time. For circulars, apply as above.

Marriage and Celibacy.—An Essay of Warn-
ing and Instruction for Young Men. Also, dis-
cusses and abuses which prostrate the vital pow-
ers, with sure means of relief. Sent free of
charge in sealed letter envelopes. Address, Dr.
J. SKILLIN HOUGHTON, Howard Association,
Philadelphia, Pa.

Advertisements intended for the THEAT-
RICAL BELLETRIN should be handed in

forms go to press very early in the morning.

Our "Public Directory" is so arranged
visiting Memphis we offer it of clever, reli-
able business men, under the above head,
on the first page of the PUBLIC LEDGER.

The Port of Memphis.

The river is rising rapidly at this
point, having climbed upward about
three feet since our last report and es-
timated from view the bars near the
Arkansas shore. The weather this morn-
ing was temperate, with cloudy indica-
tions of rain. Business at the landing
was brisk, if several steamers in port,
piles of freight on the landing, and
drays, deck hands, roustabouts and loaf-
ers moving around freely are anything
to judge by.

The following are the arrivals and de-
partures since our last:

Arrivals.
Mary Irwin, St. Louis.
Vulcan, New Orleans.
Lady Gay, St. Louis.
Robert Burns, Cincinnati.
Belle Memphis, St. Louis.
Northwest, St. Francis river.
Gleaner, Arkansas river.
Commercial, St. Louis.
Silver Spray, Cincinnati.

Departures.
Lady Gay, New Orleans.
Mary Irwin, Arkansas river.
Victory, Vicksburg.
Dan Able, Vicksburg.
Marble City, St. Louis.
Lena, White river.

Boats in Port
Gleaner, Commercial, Belle Memphis,
Silver Spray, Natoma, Robert Burns,
Northwest.

Boats Leaving To-Day.
Cairo and St. Louis.—The Belle
Memphis is the regular packet this eve-
ning, leaving at 5 o'clock, in charge of
Capt. Dan Musselman. Larry Entler
presides in the office of the Belle.

Miscellaneous.
The Commercial arrived from St.
Louis yesterday and presents quite a
gay appearance, having been thoroughly
overhauled, repainted and fixed up gen-
erally. The jovial face of Capt. John
B. Davis can still be seen on her, and
Geo. C. Blish and Ed. Smith are her
official gentlemen. She leaves for White
river on her regular day—to-morrow, at
five o'clock.

The St. Louis Republican, of Sat-
urday, says: In the twenty-four hours end-
ing at 11 a.m. yesterday, the river at
this point had risen 14 inches, making
a total rise of nearly ten feet. We have
now a regular "high water" stage from
this point to Cairo, and the largest class
of steamers may go out loaded to their
utmost capacity. The Illinois and Lower
Missouri are reported "bank full." We
have no reports of a material rise in the
Upper Mississippi above Keokuk. The
Dubuque Herald, of Thursday, reports
the river above that point as still falling.
The Ohio is rising fast. The falls at
Louisville are navigable for the largest
class of steamers.

Statistics recently published state that
the aggregate marine losses of the United
States for the eight months ending on
the thirty-first of August last, amounted
to 367 vessels, valued at \$10,004,800, as
compared with 203 vessels, valued at
\$8,021,000, during the corresponding pe-
riod of 1885.

STEAMBOAT PRINTING.—We respectfully
ask our steamboat friends to call and ex-
amine the specimens of fine steamboat
printing daily executed at the PUBLIC
LEDGER office. Our prices will be found
to compare favorably with those of Cin-
cinnati or St. Louis, and to be greatly
