LEADER LINES.

A "hilly" drive—the Poplar street boulevard.

The Odd Fellows' annual picnic tomorrow at James' Park.

Hibernian Mutual Relief Association picnic at James' Park to-day.

At least thirty patriots are willing to serve their countrymen as Mayor of the Bluff City.

The only amusement for the festive Memphis at present is to indulge in suburban picnics.

Raleighites state positively that the Saratoga of Shelby county is not infested with mosquitoes or snakes.

The new American toy, the postal card, is all the rage at present. It will soon disappear, except as an advertising nuisance.

Rev. Mr. Hinkley, Swedenborgian, will lecture at the United States Courtroom to-night; subject—"The Second Coming of the Lord."

A lecture on Ireland by Colonel Duncan McRae at the Memphis Theater next Friday evening will attract a large and fashionable audience.

The cosmopolite who belongs to so many nationalities and speaks so many languages has not been seen in a picnic procession for several days.

Three great water lines from the West through the South, and on to the Atlantic, are demanded by the Atlanta, Georgia, gubernatorial convention.

The halcyon days for manufacturers of cholera medicine have come, and the manufacturers advise all citizens to purchase the specific by the bottle.

The Le Moyne School will give an exhibition and concert at the Memphis Theater to-night. The programme of exercises is varied and interesting.

The vegetable garden business is a most profitable one, and is largely engaged in by Germans and Italians residing outside the suburbs of the city.

Next Friday the decoration of graves at the National Cemetery will be attended to by the Association of Pole Bearers and other colored semi-military societies.

Patrolmen are introducing lead into the craniums of worthless dogs found prowling around the streets. It is an effectual remedy when scientifically applied.

Memphis is the only city of its size in the United States that has not a volunteer military company. The boys had enough of it during the four years of civil war.

There is a Teutonic gentleman in this city who insists that he can dispose of five gallons of beer per diem and carry himself perpetually to his couch at night.

A dozen iron seats on the bluffs would cause the city authorities to be kindly remembered by those desiring to sit and gaze o'er the broad bosom of the Father of Waters.

Burnt brandy is becoming a favorite temperance drink. It is regarded as a specific for internal disturbance, and will ally whatever inward storm may have been raised.

To-morrow afternoon the examination of pupils attending Professor J. D. Stewart's Institute, No. 110 Alabama street, will take place in the presence of a number of invited guests.

Our police authorities receive daily information of successful depredations of hores thieves in this and adjoining counties of Mississippi. A well organized gang seems to be at work.

The homicide case of Denton-Webber is on trial to-day before the Criminal Court. Denton shot Webber in February last, while the latter was advancing on him armed with a heavy piece of iron.

Our citizens should recollect that sunlight is conducive to health, and a dark parlor or bedroom, while it may be free from the cheerful mosquito, is not free from the presence of the skeleton death.

Inflated bustles are the weakness of the fashionable world at present. Those of our citizenesses who intend doing Vienna and Europe are informed that the articles are life-preservers and float like a steamship.

Mr. Chet Hamilton, the Western agent for the "great Jackson route to New Orleans and the South," is enjoying the hospitality of his Memphis friends. Mr. Hamilton is an active agent, who has no superior in his business. His headquarters are at St. Louis.

Mr. M. H. Mette left this morning for Little Rock. Rumor has it that Mr. Mette will not return alone from the City of the Roses.

One hundred Marseilles quilts, large size, at \$150 to \$350. Also domestics and house furnishing goods reduced.

COLD water, cool nights, no mosquitoes and no dust at Swayne's Springs.

Try Dooley's yeast powder; you will soon find it not only the best, but also the cheapest, baking powder. Pat up full, net weight.

The man of enterprise creates; the weak imitator tries to copy him. Does any man suppose that the legions of "Buchus," so-called, that infest the drug stores, possess the real merit of Dr. Hembold's genuine extract? Any sufferer from kidney complaint, dropsy, diabetes, or other urinary diseases, in male or female, will detect the difference at once by the result. Hembold's cures; the others fail. The genuine bears Dr. Hembold's signature. John F. Henry, New York, sole agent.

For the most delicious ice cream go to R. Stots & Bro.'s, 308 Second st.

ENTRANCES from Main or Madison to Miller's "Cat Off" saloon.

Buy your wood from C. H. Johnson, 117 Poplar street, near Fourth.

each charged with its burden of pollen and honey—some sweetness. The girl certainly talks nonsense, or the panglossist is an innate and wants to marry the pollen and honey maiden.

The Appeal and Avalanche reporters smelled out a dead dog lying on Front street, near Madison, which they insist has been lying there thirty-six hours. Our Ledger Limer, looking out of his official window on Madison street, at two o'clock yesterday afternoon, saw a patrolman shoot that dog, so the thirty-six hours narrative is a fiction, but the dead dog is a fact, and assisted the reporters in doing the lying.

In the public statue business Memphis can boast of that abortion, the bust of Jackson, or Jackson on a bust in Court Square, which, as a work of art, is an abortion disappear, except as an advertising nuisance.

Why not get a life-size statue of Jackson and other great Tennesseans and place them on pedestals in the Square. M. Gaillardet, Paris correspondent of the Courier des Etats Unis, writes that in the Jardin Reserve aux Sculpture there is a statue of Lafayette, the work of Bartholdi, a pupil of Scheffer, which statue is to be presented through the French Minister at Washington to New York city, from the republic of France.

The Odd Fellows' Picnic Comes off at James' Park to-morrow. The Odd Fellows are noted for the systematic manner in which they conduct everything, and their annual picnics, with a variety of delightful amusements, always secure a park full of people.

The committees have bestowed much time and expended considerable money in perfecting such arrangements as will be conducive to the day's enjoyment.

The high character of the gentlemen composing the noble order offers an additional inducement for a large attendance, and our citizens will not be disappointed in their expectations of pleasure at this picnic. Several distinguished Odd Fellows from Nashville and other points will be attendance, among others Mr. J. B. Harwell, Grand Secretary of the State. At Lloyd, Clarke & Co.'s, 321 Main street, is on exhibition a novel and beautiful bird cage, and being surmounted with glass globes, is designed also for gold fish; this will be presented to the most popular lady in attendance. An elegant regalia will also be given to the most zealous member of the city lodges. Fine bands of music have been secured for the accommodation of those desiring to indulge in dancing.

Memphis is the only city of its size in the United States that has not a volunteer military company. The boys had enough of it during the four years of civil war.

There is a Teutonic gentleman in this city who insists that he can dispose of five gallons of beer per diem and carry himself perpetually to his couch at night.

A dozen iron seats on the bluffs would cause the city authorities to be kindly remembered by those desiring to sit and gaze o'er the broad bosom of the Father of Waters.

Burnt brandy is becoming a favorite temperance drink. It
