CONVERSAZIONE.

How Memphians Manage to While Away the Hours Away From Home.

MEMPHIS, TENN., August 14, 1878.

There is beauty in intelligence, and many are its admirers. On the evening of August 12th, Judge J. L. T. Sneed, of Memphis, and family, who have been visiting the Mineral Hill Springs for the past month, and who were among the most pleasant guests at that very delightful watering place, spent the night in our quiet little city.

These two young ladies made themselves quite agreeable by their great conversational powers and affable manners. After we had been treated to some of the good music which Miss Lillie Brown always makes for her guests, Miss Ashe, by request, gave the most intellectual feast we have for quite a while had the pleasure of hearing.

Many will be familiar with this excellent piece of poetry written by Mrs. Hemans. In this recital the young lady did justice to the author, honor to herself and gave unmistakable gratification to an appreciative company.

The next was a piece written by our bright Southern authoress Miss Blunt, "Why the Moon Shines on." There certainly is beauty and pathos in this piece, and in its rendition nothing was lost. Many are the scenes that the moon shines on in our own little town that have caused our mothers and sisters to weep for those they love.

Mr. C. Y. Stuart is in charge of Kahn & Freiberg's Store, and during the fever will open at 7:30 a.m. Close at 7 p.m.

LATEST UP TO 2 P.M. TO-DAY

VIENNA, August 24.—A political correspondent says: "The most friendly communications passed between Austria and Servia on the occasion of the celebration of the Servian independence."

LONDON, August 24.—A Vienna dispatch says: "Count Andrássy has submitted a new project of the convention to Carathadori Paala, and the porte is considering it."

GRANADA, August 23.—Gloomier than ever. Judge Thomas Walton, chairman of the relief committee, was stricken down with fever; also Dr. Vencie, for nervous prostration or exhaustion; but for Col Butler P. Anderson, of the Howards, of Memphis, who is now our head and front, we would lose all hope.

THE deaths were four whites and three colored. New cases were five whites and many more among the colored. We have only four resident physicians with us. Dr. Mandeville has returned to New Orleans. Several favorable cases were reported to-day. It is getting to be a short tale, quickly told.

VIENNA, August 23.—Deaths from yellow fever from noon yesterday to 3 p.m. to-day, 29; total to date, 69. The disease is steadily on the increase, fully fifty new cases appearing to-day, among them Dr. D. W. Booth, who is in charge of the hospitals. Physicians and nurses are coming from Galveston, New Orleans, Shreveport and Delhi, La. Drs. Balfour and Robinson are expected to arrive. Money for aiding the sick continues to come to the Howards and Matsons.

A Healthy Body and a Clear Head. If indigestion, constipation and biliousness torment the body, the head cannot be clear. These disorders react upon the brain most hurtfully, and produce a cloudiness in the organ of thought not experienced by a healthy man.

It expels the morbid humors which poison the system through the bowels and restores the natural and progressive assimilating influence as well. Its cathartic action is natural and progressive. At an appetizer and sleep promoter the Bitters is unrivaled. It mitigates the infidelities of age, relieves the acute peculiarities of the genital sex, arrests premature decay, and builds up an enfeebled physique.

NURSES WANTED. EXPERIENCED FEMALE NURSES. Are earnestly requested to call at office of Howard Association IMMEDIATELY.

A. D. LANGSTAFF, Vice-President. HOWARD ASSOCIATION. To Citizens of Memphis

THE HOWARD ASSOCIATION asks and enjoins it upon all citizens as a special and personal duty, to watch and report to us all nurses who fall of their duty in the least particular, or who give the least evidence of being addicted to drunkenness, neglect, or any other falling or bad habit that would interfere with the proper performance of a duty to which the members of our Association have pledged themselves. Our reputation depends upon the faithful performance of our duty by the nurses we employ, hence our anxiety to have every case of neglect or inattention promptly reported to us.

A. D. LANGSTAFF, Vice President and Acting President.
