Good Advice. The thousands of cripples whom Rheumatism ha eft with stiffened joints, or whom Palsy has bereft of the use of their limbs, are advised to try Braco's ARCHE LINIMENT, which has never yet failed to cure a single case of the kind, in which a fair trial has been made. In using it, do not spare the friction, but rub it in well and briskly. It is also useful in relaxing the muscles, contracted or drawn up from cramp; in reducing and scattering tumors and white swellings; and healing ulcers, and in curing all manner of erup tive diseases of the skin. It is for sale in all respecta-

Medical Science. The history of "HOOFLAND'S GERMAN BITTERS." the most remarkable Medicine of the day, and the many cures that have been performed with it in cases of Liver Complaint, Dyspepsia, Nervous Debility; and diseases arising from a disordered liver or stomach, places it among the most astonishing discoveries that has taken place in the medical world. The diseases to which these Bitters are applicable are so universal that there are but few of our friends who may not test their virtues in their own families or circle of acquaintances, and prove to their own satisfaction that there is at least one remedy among the many advertised medicines, deserving the public commendation. It is a fact that, in the minds of many persons, a prejudice exists against what are called Patent Medicines: but why should this prevent you resorting to an article that has such an array of testimony to support it as Hoofland's German Bitters? Physicians prescribe it, why should you discard it? Judges, usually considered men of talent, have and do use it in their own families. Why should you reject it? Clergymen and those the most eminent, take it, why should not you? Let not your prejudice usurp your reason, to the everlasting injury of your health; if you are sick and require a medicine try these Bitters.

These Bitters are prepared and sold by Dr. C. M. Jackson, No. 418 Arch street, Philadelphia, Pa., and by druggists and store-keepers in every town and village in the United States, Canadas, West Indies, and S. Red 75(@80; White 85. Corn 38(@42.
