FRIDAY MORNING, JULY 3.

WHEAT IN WHEAT.—We hear considerable complaint among the farmers in some parts of the county, in regard to the wheat, which is doing some damage in the wheat. Others speak of the "rust" as doing considerable injury. As near as we can learn, however, there will be an average yield this season. The weather never was finer for maturing and harvesting than at present, and some of the farmers are already in their fields swinging the cradle. Success to the husbandman!

FISHING EXCURSION.—Several of our respectable citizens, in order to celebrate the glorious fourth in a manner suitable to the memory of our fathers, formed a fishing party and on Monday morning went out to Three Mile Lake for the purpose of taking fish. We understand that several demi-johns of cocculus indicus were taken along to poison the fish, and thereby avoid the trouble of nibbles and trolling. The cocculus had about its usual effect, but upon which end of the fishing rod, our reporter has forgotten to mention. A few cases of "suspended animation" took place, several scratches, and facial abrasions occurred, demanding a liberal use of emplastrum adhaesivum. Otherwise we believe the party returned safe, and we hear the fish (ets?) are recovering.

A notice in another column of to day's issue will explain satisfactorily, we hope, for any deficiency observable in the editorial department. — Free Press, of June 25th.

We have noticed the editorials in that paper from time to time, and did not observe any unusual deficiency in that issue; if so, we are disposed to be charitable, for we know its situation this warm weather.

"AFTER 'EM."—A man by the name of Thomas Brownbridge, was arrested for horse-stealing, last week, in Decatur township, examined, and bound over for trial at the October term of the Circuit Court. Gave bail.

"Sticking Plaster" we perceive is sticking out some about town.

DR. ROBACK'S BLOOD PURIFIER AND BLOOD PILLS.

DISEASE VANQUISHED.—BY—Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIENCE, Dr. Roback, the eminent Swedish Physician, succeeded in procuring a medicine from twenty-three different species of mountain herbs of the native land, which acts directly upon the causes of disease in the blood, and by restoring the corrupted fountain of life, to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaint, epileptic and other fits, coughs, consumptions in early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, faintness, weakness, pricking of the skin, symptoms of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, lassitude and debility, dyspepsia, and all other disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fiber, are unerringly cured by this preparation. It is to the material merit of seeds of disease what an alkali is to an acid; it neutralizes them with absolute certainty, while at the same time it regulates the secretions, removes obstructions from the bowels, creates appetite, restores bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which if taken in conjunction with his Scandinavian Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond the ordinary span.

In the SCANDINAVIAN VEGETABLE BLOOD PILLS, Dr. Roback presents the result of twenty years of experience, hard study and experiment as to what a perfect pill should be. It is so constructed that its effect is to purify the blood, and doubt their superiority after one single trial. Price of the Scandinavian Blood Purifier, \$1 per bottle, or \$5 per half-dozen; Scandinavian Blood Pills, 25 cents per box, or five for \$1.

Peru, Miami Co., Ind., Aug. 4, 1857.

Dr. C. W. ROBACK.—I have received the benefit from your Scandinavian Blood Purifier and Blood Pills, that I have thought it my duty, and it is no less my inclination, to give you a plain statement of my case. I was for years afflicted with that base of all comfort, and inefficiency in business, dyspepsia. To recapitulate all the various remedies which I have used to rid myself of this disease, would indeed make a melancholy catalogue. I also consulted with the best physicians I could hear of. I was induced to try the Blood Purifier through the persuasions of friend, and after using them a few days was greatly benefited, and in a short time, less than a month, I was entirely and permanently cured. I was also afflicted with the most violent nervous headache, which was produced by my disordered stomach. As when my dyspepsia left me, my headache left with it. I now feel better in every respect than I have for ten years.

Very truly yours, JOHN S. DEMING.

From the Rev. Mr. McMillan, Pastor of First Street's Chapel, INDIANAPOLIS, Oct. 5, 1857.

Dr. C. W. ROBACK.—Dear Sir, I have used your Blood Purifier for a nervous affection from which I have suffered much at times. With it, and various other medicines. After using two bottles, I felt its effect very sensibly, and upon using the more, I found myself perfectly cured. You will allow me, therefore, to congratulate you upon making a discovery in medicine which is proving the self to be a worker of such wonders in the domain of the human family.

GEORGE S. BENNETT, Local Editor, Cincinnati Daily Enquirer, INDIANAPOLIS, Wednesday, Sept. 2, 1857.

Dr. C. W. ROBACK.—Dear Sir, Having been troubled for several years with extreme weakness and debility, so much so that I was unable to attend to my ordinary business at times, and having heard of the wonderful cure that your Scandinavian Blood Purifier and Pills were effecting, I was induced by a friend to try them. I have been using the Purifier for the last two months, and find the medicine fully equal to the recommendations. So valuable its use to me that I cannot now dispense with the use of it at any advanced age of life—seventy-seven years.

I cheerfully give this information for the benefit of those singularly affected.
