THE PUTNAM THE BIGGEST LOT OF PAINTS!

Is the only reliable self-adjusting Wringer. The frame being of iron, thoroughly galvanized, all danger from rust is removed, and the liability to shrink, swell, split, &c., so unavoidable in wooden machines, is prevented. No thumb-screws or complicated fastenings to wear out or get out of order; it can be fastened truly to the tub in a single second.

Warranted with or without Cog-Wheels. It took the First Premium at Fifty-Seven State and County Fairs in 1863, and is without an exception, the best Wringer ever made. Instead of believing the statements of parties interested in other Wringers.

Try it & Judge for Yourself. Test it thoroughly with any and all others, and if not entirely satisfactory, return it. If will bring anything from a thread to a bed quilt without alteration. Patented in the United States, England, Canada, and Australia. Agents wanted in every town. Energetic men can make from \$8 to \$10 per day. Putnam Manufacturing Co.

GENTLEMEN—I know from practical experience that iron will galvanized with zinc will not oxidize or rust one particle. I can safely say after several years' experience in the manufacture of chain for chain pumps and water-drawers, in which I have tested the affinity of iron and zinc, that if the process be conducted properly, it is a perfect well of the two.

Nearly one year ago my family commenced using one of your Wringers. It now performs all of its functions as well as it did the first time it was used, and has become an indispensable article with us. I have closely observed several other kinds of Clothes-Wringers, the modes of operation being different, trying to produce the same results as the Putnam Wringer, but in my judgment they have failed. The Putnam Wringer is as near perfect as possible, and I can cheerfully recommend it to be the best in use. Respectfully Yours, JOHN W. WHEELER, Cleveland, Ohio.

Many years experience in the galvanizing business enables me to endorse the above statement in all particulars. JNO. C. LEFFERTS, No. 100 Beekman street, New York, January, 1864.

No. 1 Wringer, \$6.50; No. 2, \$8.50. Manufactured and sold, wholesale and retail by the Putnam Manufacturing Co., No. 15, Platt Street, N. Y., and Cleveland, Ohio. S. C. NORTHROP, Agent.

Great Improvement in Sewing Machines. EMPIRE Shuttle Machine. PATENTED FEBRUARY 14, 1860. Salesroom—454 Broadway.

This Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be simplicity and perfection combined. The following are the principal objections urged against Sewing Machines: 1.—Excessive fatigue to the operator. 2.—Liability to get out of order. 3.—Expense, trouble and loss of time in repairing. 4.—Incapacity to sew every description of material. 5.—Disagreeable noise while in operation.

The Empire Sewing Machine is exempt from all these objections. It has a straight needle perpendicular action, makes the Shuttle and Bob, which will neither ravel nor tangle, and is alike on both sides; performs perfect sewing on every description of material, from Leather to the finest Nankin Muslin, with cotton, linen or silk thread, from the coarsest to the finest.

Having neither Cam nor Cog Wheel, and the least possible friction, it runs as smooth as glass, and is Emphatically a Noiseless Machine.

It requires fifty per cent. less power to drive than any other Machine in market. A girl twelve years of age can work it steadily, without fatigue or injury to health. Its strength and wonderful simplicity of construction renders it almost impossible to get out of order, and is guaranteed by the company to give entire satisfaction.

We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this unrivaled machine. But in a more special manner do we solicit the patronage of Merchant Tailors, Coach Makers, Loop-Skirt Manufacturers, Shirt and Bosom Makers, Dress Makers, Corset Makers, Gaiter Fitters, Shoe Binders, Vest and Pantaloon Makers.

Religious and charitable institutions will be liberally dealt with. PRICE OF MACHINES, COMPLETE. No. 1, Family Machine, with Hemmer, 40 No. 2, Small Manufacturing, with Extension Table, 45 No. 3, Large Manufacturing, with Extension Table, 75 No. 4, Large Manufacturing, for Leather, with Rolling Foot and Oil Cup, 85

One half hour's instructions is sufficient to enable any person to work this Machine to their entire satisfaction! Your attention is also called to the EMPIRE SHUTTLE, Patented June 24th, 1860. It is well known that a Shuttle with a spring action is preferable to any other—but a great objection against its use is that it is liable to spring getting out of order, having to be put in the hands of a skillful mechanic to be repaired. Agents wanted for all towns in the United States, where agents are not already established. Also, for Cuba, Mexico, Central and South America, to whom a liberal discount will be given. Terms—invariably cash on delivery. T. J. McARTHUR & CO. H. HALLOCK, Sole Agent for the State of Michigan, 165 Jefferson Avenue, Detroit, Mich.

NEW YORK Sanitary Cure! The People's Cure! Buffalo Testimony.

THE PEOPLE'S CURE Cures Rheumatism. "I was troubled with Rheumatism for two years, suffering more or less every day. I have taken two bottles of the 'People's Cure,' and have not had any pain since I left it off, more than four weeks ago. I consider myself as entirely cured, and the medicine has made me feel very light and good—just like a young man, though I am sixty-two years old. GODFREY SCHEFFEL, 402 Michigan st."

"My wife has been suffering from rheumatism of an inflammatory character for about six or seven years, sometimes very acutely. About the first of June last she commenced taking the 'People's Cure,' and continued to take it some three weeks. In ten days after she commenced, the swelling and stiffness of her joints had very materially lessened, and in three weeks had disappeared altogether. THOS. POLLOCK, [at W. H. Glenny's.] Buffalo, October 1, 1862."

THE PEOPLE'S CURE Cures Fever Sore. Buffalo, November 13, 1862. "Two of our subscribers—one of them afflicted with a bad Fever Sore, the other with Rheumatism—having seen the advertisement of the 'People's Cure' in this paper, purchased the medicine, and now, after having thoroughly tried it, report to us, commending it most heartily, as a thorough remedy in their case.—Editors Christian Advocate."

THE PEOPLE'S CURE Cures Diseases of the Skin. "My face has for more than ten years been greatly disfigured by eruptions and blemishes, which at times extended over my whole body, and once for three days made me entirely blind; but having taken two bottles of the 'People's Cure,' my acquaintances hardly recognize me—indeed I hardly know myself—as I am now a well man. Let all who are like afflicted try the 'People's Cure,'—the medicine prepared by the Sanitary Society—and I think they will not begrudge their dollar. JOS. SOUR, Turner, Mechanic at. Buffalo, November 15, 1862."

THE PEOPLE'S CURE Cures Scrofula & Salt Rheum. "I have used the 'People's Cure' in my family with great benefit, in cases of Scrofula and Salt Rheum, and have recommended it frequently to my friends, all of whom I believe have been benefited, and most of them entirely cured by it. CHAS. SCHARFF, 278 Main street, up stairs."

THE PEOPLE'S CURE Cures Female Weakness. "I have been in feeble health ever since the birth of my boy, who is now twelve years. I have had many troubles and difficulties, all this time, unfitting me for every kind of labor, and destroying all my comfort. Last summer I commenced taking the 'People's Cure,' and have used four bottles, and am now almost a well woman. My difficulties have nearly all disappeared, and I feel cheerful and happy. MRS. CATHARINE DEWALD, Dressmaker, Goodell Alley, above Tupper st. Buffalo, October 20th, 1862."

THE PEOPLE'S CURE Cures when other medicines fail. "My wife has been in poor health for a long time, having frequently to call a physician to attend her, but she was recently very much worse. For five or six weeks she had no appetite, lost all her strength, and was each day growing worse. She had night sweats, coughed a great deal during each night and considerably during the day, and we all supposed she was going off with the consumption, when a friend advised her to take the 'People's Cure.' On taking the medicine she perceived a change at once. On the 3d day she had recovered her appetite, and was fast regaining her strength, until, on the eighth day, not yet having taken one bottle, she was as well as ever she was, and as well as anybody could be, and she has continued so ever since. PAUL KLEIN, Gardner, 32 Pearl st."

Important to Parents!!! How to Save the Lives of Children and prolong the health of adults. Is now discovered and can be improved by using Meyer's French WORM LOZENGES, A strictly vegetable remedy, the best and safest ever used.

That worms are very dangerous to the health, if not to the lives of children, and even grown persons there can be no doubt, and the many remedies now before the public are an evidence that it is generally believed. In all these remedies there have been two great objections—they have either been unpleasant to take, or disagreeable in their effects. Both these objections have been overcome in Meyer's French Worm Lozenges. These Lozenges are made upon scientific principles, and are destined to supersede all other remedies for worms. Manufactured by MEYER & BROTHER, Pharmacians, Fort Wayne, Ind. T. R. HARRISON, at the new Union Drug Store, Paw Paw, wholesale and retail agent.

An interesting letter.—Messrs. Post & Bruff, Agents N. Y. Sanitary Society, Rochester. Gents—I deem it due to you to state the magical effect of that one bottle of People's Cure which I obtained from you in November last. Seeing the advertisement of your Society, offering to give your medicine to clergyman for the poor of their parishes, I obtained a bottle for a poor girl of my congregation, who had long been nearly helpless from Rheumatism, and strange to say, that one bottle cured her entirely. I write this, hoping it may aid the Society in its efforts to introduce the medicine, and bless those who may need such a remedy; and I use strongly terms, as I believe it merits will fully justify the most superlative language of speech. Yours, Respectfully, C. R. WILKINS, Pastor of the 1st Presbyterian Church, Pittsford, Monroe Co., N. Y.

An interesting letter.—Messrs. Post & Bruff, Agents N. Y. Sanitary Society, Rochester. Gents—I deem it due to you to state the magical effect of that one bottle of People's Cure which I obtained from you in November last. Seeing the advertisement of your Society, offering to give your medicine to clergyman for the poor of their parishes, I obtained a bottle for a poor girl of my congregation, who had long been nearly helpless from Rheumatism, and strange to say, that one bottle cured her entirely. I write this, hoping it may aid the Society in its efforts to introduce the medicine, and bless those who may need such a remedy; and I use strongly terms, as I believe it merits will fully justify the most superlative language of speech. Yours, Respectfully, C. R. WILKINS, Pastor of the 1st Presbyterian Church, Pittsford, Monroe Co., N. Y.
