**Is it Anybody's Business?**

Is it anybody's business  
If a gentleman should choose  
To "wait upon" a lady,  
If the lady don't refuse?  
Or, to speak a little plainer,  
That the meaning all may know,  
Is it anybody's business  
If a lady has a beau?  
If a person's on the sidewalk,  
Be he great or be he small,  
Is it anybody's business?  
Where that person means to call?  
Or, if you see a person  
While he's calling anywhere,  
Is it any of your business  
What his business may be there?  
The substance of our query,  
Simply stated, would be this:  
Is it anybody's business  
What another's business is?  
Whether 'tis or whether 'tisn't,  
We should really like to know,  
For we are certain if it isn't  
There are some who make it so.

Here We are Once More.

**SNOW BROS.' HOT AIR FURNACES**

Improved and Better than Ever, and they were ALWAYS THE BEST!

Buy one and we will GUARANTEE SATISFACTION!

Those who have used them are glad to recommend them.

**SNOW BROS.--MESSRS.:** Your hot air furnace that was put into my house one year ago has added more to the real comfort of a home than any heating appliance ever used in my time, as every room can be evenly warmed the whole time at a comparatively moderate expense, with good healthful facilities for ventilation as well. We do not have to give any room in the house to stoves nor any work in cleaning up dirt in the care of them, and when the "guide wife" is asked if she would not like her stoves back again her reply is: "I would not give up the furnace for three times its cost if it could not be duplicated," and so say we all.

November 1st, 1894.

Respectfully yours,  
E. L. WARNER, Paw Paw, Mich.
