Catarrh Cannot Be Cured

With local applications, as they cannot reach the seat of the disease, Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally and acts directly upon the blood and mucous surfaces of the system. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.

The Kidney Complexion.

The pale, sallow, sunken-checked, distressed looking people you so often meet are afflicted with "kidney complexion."

Their kidneys are turning to a papyrus color. So is their complexion.

They may also have indigestion, or suffer from sleeplessness, rheumatism, neuralgia, brain trouble, nervous exhaustion and sometimes the heart acts badly.

The cause is weak, unhealthy kidneys. Usually the suffer from kidney disease does not find out what the trouble is until it is almost too late, because the first symptoms are so like mild sickness that they do not think they need a medicine or a doctor until they find themselves sick in bed.

Dr. Kilmer's Swamp-Root will build up and strengthen their weak and diseased kidneys, purify their diseased kidney-poisoned blood, clear their complexion and soon they will enjoy better health.

You can get the regular sizes at the drug store, at 50c. and \$1.00 or you may first prove for yourself the wonderful virtues of this great discovery, Swamp-Root, by sending your address to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and a book of valuable information will be sent absolutely free by mail. When writing kindly mention the Paw Paw True Northerner.

"DeWitt's Little Early Risers did me more good than all blood medicines and other pills," writes Geo. E. Jacobs, of Thompson, Conn. Prompt, pleasant, never gripe,—they cure constipation, arouse the torpid liver to action and give you clean blood, steady nerve, a clear brain and a healthy appetite. E. B. Longwell.
