**When to go Home.**  
 From the Bluffton, Ind., Banner: "When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed, go home and let your family get acquainted with the fact. When you want to show yourself at your best go home and do the act there. When you feel like being extra liberal go home and practice on your wife and children first. When you want to shine with extra brilliancy go home and light up the whole household." To which we would add, when you have a bad cold go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale by Longwell Bros.

**Sweet Nature Story.**  
 A billygoat climbed a tall fir tree at Hood river on the ranch of Frank Chandler. The witness is Hans Lage. While on his way to the city Lage discovered one of Mr. Chandler's acrobatic billygoats up 50 feet in a large fir tree, browsing as contentedly as if swiping sweet peas through a neighbor's picket fence.—Hood River News Letter.  
**For any of the ordinary diseases of the skin Chamberlain's Salve is excellent. It not only allays the itching and smarting but effects a cure. For sale by Longwell Bros.**  
**New Liquid Fuel.**  
 Ergin is a liquid fuel which has found much application in Germany. It is obtained from tar by a secret process and is reported to have a heating power of 5,500 British thermal units per pound.  
**A Home Made Happy by Chamberlain's Cough Remedy.**  
 About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. Spence, Holly Springs, N. C. For sale by Longwell Bros.

**Not the Same Article.**  
 Little Herbert had had an attack of stomach trouble and was admonished to be careful what he ate. "Because you can't get a new stomach, you know," his mother said. "But I can get a new stomach, mamma; my Sunday school teacher said so," disputed the child. His mother tried to convince him that he was mistaken. "But it's in the Bible about getting a new stomach," persisted Herbert. At last a "new heart" was suggested as the proper Biblical quotation. "Well, maybe it is a new heart, then," assented he, "but I did think it was a new stomach."

**Would Not Indicate Shortage of Currency.**  
 Receipts at the Paw Paw post office during the month of November would not indicate that the country was suffering from the shortage of currency. During the month of November, 1906, the receipts were \$484.00, during the same month, 1907, the receipts were \$562.00, an increase of approximately 16 per cent. There is one thing certain, and that is, the shortage of currency—if there is a shortage—has not been felt in Paw Paw, either by the banks, post office or the business places of the town.
