

The Doctor's First Question
 "How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says. J.C. Ayer Co., Lowell, Mass.

SICK PEOPLE SHOULD INVESTIGATE

Know the Diseases of Both Sexes Like an Open Book. I have Been Curing Them for 49 Years. In fact, My Entire Life Has Been Devoted to Curing Where Others Have Failed.

I Have Changed Hundreds Upon Hundreds of Nervous Wrecks Into Fine, Strong Men and Women. I Accept No Case I Cannot Cure.

ESPECIALLY invite all discouraged and dissatisfied ones who have been treated without a cure to write me fully and frankly about their case. It will cost you nothing to write me, and I will gladly tell you your condition, truthfully, honestly—accepting no case that I cannot cure—holding out no false promises. I have spent my whole life in the study and cure of chronic diseases, and my study and investigation have been blessed by the discovery of many new and conservative methods of treating disease. Forty-nine years ago I graduated from the Western Homeopathic Medical College of Cleveland, O., for two years, Head Physician at the Alma Sanitarium, Alma, Mich. I have spent many long years as a specialist, treating chronic diseases of all kinds with wonderful success, and am now owner of one of the largest sanitariums in the country, giving my entire time to the treatment of Nervous Diseases of both sexes. I cure the worst forms of Epilepsy, St. Vitus Dance, Paralysis, etc.

Dr. Andrew B. Spinney
Specialist in Chronic Diseases.

- My long experience in diagnosing cases and my understandings of the different diseases that I treat enable me in almost every case to prescribe by mail a perfect, thorough cure. All correspondence in plain envelopes and strictly confidential.
- I CURE NERVOUS TROUBLES**—Wasting Away, Loss of Vitality in Both Sexes. Whether from excess or overwork, I promptly and positively cure, no matter of how long standing.
- I CURE BLOOD POISON**—I cure Blood Poison in the first, second and third stages—driving the poison from the system, the taint from the blood; curing pimples, copper spots, sores in the mouth, tumors and ulcers.
- I CURE FITS**—Epilepsy, St. Vitus Dance, Paralysis, etc., by striking direct at the cause, restoring the diseased nerves to perfect health.
- I CURE PILES**—in 30 days to stay cured and to never return.
- I CURE CONSUMPTION**, the Great White Plague, in the first and second stages. Have made a special study of this disease for fifty years. Have cured hundreds given up by home doctors. Those I cannot treat at home by seeing or by mail, I will take to my Sanitarium, where the best of medical skill, nursing and private rooms are given for Ten Dollars a week.
- I GUARANTEE TO CURE**, to stay cured, liquor, morphine, cocaine, nicotine or cigarette habits. Most cases treated at home.

No matter what disease you are suffering from, write me fully today. I will answer at once, and my advice, which costs you nothing, may be worth hundreds of dollars—*if* it is itself to you. I cannot cure you I will tell you so. **WRITE TODAY.**

Faithfully yours,

SHOWERMEN BROS.
 Ancient Superstition.
 Of domestic superstitions one of the most curious is that a recalcitrant grate fire may be made to burn by placing a poker, point upward, upon it. The usual explanation given is that, in some mysterious manner, "it draws the fire up." The custom originated in the fact that the poker with the fire bars forms a cross, and the use of this cross was to exorcise the evil spirits who were preventing the fire from burning.
