## FLORIDA LANDS

WHY INVEST WITH US

Because we are offering you a ground-floor plan to protect your future.  
Because our payment plan is so liberal that you can meet it with the money you waste.  
Because it will draw heavier interest than a bank deposit in the increasing valuation of your land.  
Because a few cents each day, paid monthly, puts you into possession of ten acres of land which, if properly developed, will yield you a fortune.  
Because we can demonstrate to you that others are making money on land of the same character.  
Because Nature has provided our land with an abundance of pure water for irrigation and all purposes, which rises to within six feet of the surface of the soil.  
Because our land is all near the growing city of Gainesville, and in the path of its certain growth.  
Because our land lies on two railroads.  
Because Gainesville is but two and one-half hours by rail from the Gateway of Florida markets—Jacksonville.
