**What I Believe**

I believe in the treatments I am giving, in the school I graduated from and in my ability in getting results. I believe that honest treatments can be given to honest men and women by my honest methods. I believe in work, not weeping; in boosting, not in knocking and the pleasure in my profession. I believe a man gets what he goes after; that one deed today is worth two tomorrow and that no man is down and out until he has lost faith in himself. I believe in today and in the work I am doing; in tomorrow and the work I hope to do and the sure reward which the future holds.

I believe in courtesy, in kindness, in generosity, in good cheer, in friendship and honest competition. I believe there is something doing somewhere for everyone ready to do it.

I am ready to have a talk with you any time. It will be a pleasure to me to have you come whether you talk treatment or not. Consultation and examination free.

I have helped others; why will you give up in despair? There is help for you somewhere. If I cannot help you I will tell you. I treat all forms of chronic diseases. If you are doctoring with another, give him a fair trial as that is what I would want.

A partial list: Urinary diseases, Kidney, Bladder and Urethral trouble, Appendicitis, Tonsillitis, Pleurisy Headaches of all kinds, Earache, Weak Eyes, which so many times are caused by a fall or kidney or liver trouble, Rheumatism, Neuritis, Tumors, Goiters, all forms of nervous trouble, St. Vitus Dance, Shaking Palsy, Insomnia, Etc.

A few treatments will convince you what we can do by Massage Tappolement, Concussion, Magnetic, Electric and Adjustments.

Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness. For sale by Longwell Bros. adv.

Helps a Judge in Bad Fix. Justice Eli Cherry of Gillis Mills, Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve and was completely cured." Cures burns, boils, ulcers, cuts, bruises and piles. 25c at all druggists. adv.
