## PAW PAW PUBLIC SCHOOLS

Interesting Items From the Seat of Learning Contributed by Our Special Correspondent.

### AGNES CAGNEY.

Iva and Daisy Raymond entered the 7th grade Tuesday. Theima Thayer, until recently a pupil in this room, has gone to Washington, D. C., to reside.

The 8th graders have just finished the Revolutionary war and have the British "beaten to a frazzle." They are now very much excited over the new skeleton.

Miss Nixon, one of the high school teachers, has given up her position and Miss Helen M. Notz of Milwaukee, Wis., is expected Wednesday to take her place. Miss Notz is a graduate of the Milwaukee public schools, and also the University of Wisconsin and comes highly recommended.

The debate last Friday afternoon, on "Resolved that Paw Paw High School should commend Mr. Taft on his able Administration," was a marvelous one. Mr. Taft carried everything before him. There was only one speech delivered and that was in his favor. However, we expect to have another one soon and convince Mr. Robertson that every student of Paw Paw high school is a natural born orator. We must confess that he is rather skeptical at present, but wait!!

The Seniors and Sophomores are now tied for first place in the high school championship series, the Juniors are third, while the Freshies deserve the booby prize this week.

Basket ball practice has been resumed. The new baskets have been put in place and everyone is working zealously.

The one topic of absorbing interest this week is the cross-country races. The 7th grade won the lower grade championship, while the Juniors are entitled to the high school championship. The distance was three miles in both contests. Harry McLean, the 7th grade boy who won the race, ran the three miles in 18 minutes, while James McLean, the winner in the high school race, did it in 21 minutes. As the race, did not have a very close finish, the boys will next week run the girls' race and run a distance of 1 1/2 miles. This will be some race and is sure to attract a large crowd.

Mr. Mayer is developing great artistic ability. His pictures are so lifelike that they excite a great amount of envy on the part of less fortunate individuals. Paw Paw high school is certainly to be congratulated on its able faculty.

### Almena.

Mesdames Everest and Fisk spent the week at Win. Dyer's.

Mr. and Mrs. Aureau are the parents of a baby girl, born last Friday. Mrs. C. A. Finch is spending the week at the home of E. C. Hawley in Paw Paw.

Mr. and Mrs. D. Fisk were calling on friends and relatives here last Saturday and Sunday.

W. A. Brown and C. A. Finch returned home Tuesday afternoon from their hunting trip in the upper peninsula.

The "At home" social at the home of Mr. and Mrs. E. H. Miner last Friday evening was well attended and all reported a fine time.

The Ladies' Aid met at the church Tuesday and served lunch to the men who met there to make the necessary repairs about the church and yard.

Mrs. G. E. Brooks, who has been a long and patient sufferer, died at her home Saturday morning. Funeral services were held at the house Wednesday at 2 p. m., Rev. Luther officiating. Burial at Almena cemetery. She will be missed by a large circle of friends, who extend their sympathy to the bereaved family.

**Generous Offer Declined.**  
Dr. Portal, the favorite medical attendant of Louis XVIII. of France, was offered an unusual reward for his services. Having cured Vestris of a severe illness, the famous dancing master said to him, "My dear doctor, I should never dream of offering you money. Between artists there can be no dealings except those of gratitude. To demonstrate mine, I will give you a valuable hint as to your department. I have often noticed that you have a most ungraceful way of carrying yourself. I can remedy that in a few lessons, and teach you how to enter a sick room in such a way as to please the most exacting patient. We can begin now if you like." Much to the amazement of Vestris, Portal declined this offer, and so lost the esteem of his illustrious patient.

**Escapes an Awful Fate.**  
A thousand tongues could not express the gratitude of Mrs. J. E. Cox of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia had left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells I thought I would die. I could get no help from doctors' treatment or other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy for I scarcely cough at all now." Quick and safe, it's the most reliable of all throat and lung medicines. Every bottle guaranteed. 50c. and \$1. Trial bottle free at all druggists. adv.

**Provides for Care of Dumb Animals.**  
A new club appealing to lovers of dumb animals is in the course of formation in London, under the patronage of many well-known people. A novel departure will be the dogs' cloakroom, consisting of premises, with attendants, which will be utilized for the purpose of taking charge of members' dogs when visiting the club. Boarding the animals at the club will be one of the features, and there will be a catering section where dogs can have their meals.

"There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Our doctor gave them Chamberlain's Cough Remedy and the first dose eased them and three bottles cured them," says Mrs. R. A. Donaldson, Lexington, Miss. For sale by Longwell Bros. adv.

**Origin of Christmas Tree.**  
The Christmas tree is supposed to date from long before the Christian era, instead of from comparatively recent times in Germany, as is commonly thought. It is said that at festivals to celebrate the winter solstice in ancient Egypt a palm tree was used as a symbol of the completion of the year. The palm tree was said to put out a spray a month, and the tree used at such celebrations must have 12 shoots or branches to typify the year that had just come to an end.
