MAJESTIC SUMMER STOCK OPENS SUN.

Col. "Bill" Marshall of the Majestic theatre in Kalamazoo takes great pleasure in announcing to the theatre goers that the Summer Stock season will open next Sunday April 30, and that this year there will be two companies and two plays every week.

The first company, is headed by none other than Adelyn Bushnell who as co-star with Arthur Chatterton, last season made hosts of friends and admirers. Miss Bushnell's opening production will be "The Blindness of Virtue."

Marguerite Fields and her excellent company will be seen the last half of each week and her first production is "Within the Law". It would be hard to find a part more suited to Miss Fields than that of Mary Turner in this play, and her company is one of the best that ever played in this part of the country.

There will be but two matinees for each company, Miss Bushnell will have matinees on Sunday and Wednesday and Miss Fields on Friday and Saturday.

Of course during the stock season there will be but one performance each evening starting at 8:15 sharp.

The Reason.
"I wonder why Miss Snow is such a social favorite," said Mrs. Jenks. "She doesn't sing or play."
"Well," returned Mr. Jenks, "probably that's the reason."—Musical America.

A MERCILESS JUDGE

ONE WHO SHOWS NO FAVOR.
A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Paw Paw resident has withstood this sternest of all tests:
Wm. M. Kirkwood, wagon maker, Cedar street, Paw Paw, says: "I suffered from a constant ache in my back I was so bad that I could hardly get up or down. The kidney secretions were scanty and too frequent in passage and accompanied by a burning sensation. Doan's Kidney Pills helped me in a short time and finally rid me of the trouble." (Statement given Nov. 10, 1908.)
Over four years later Mr. Kirkwood said: "I still recommend Doan's Kidney Pills for they cured me some years ago."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Kirkwood recommends. Foster Milburn Co., Props., Buffalo, N. Y.
