#### GO NO FURTHER.

The evidence it at your door. Paw Paw proof is what you want and the statement of this highly respected citizen will banish all doubt.  
A. W. Cumings, N. Gremps St. Paw Paw, says: "For a long time I suffered from such pains through my back and loins, when I stooped over, I could hardly straighten up again. My kidneys acted irregularly and the secretions were unnatural. I used Doan's Kidney Pills and they gave me complete relief. Whenever I have felt that my kidneys were out of order and my back has been lame, since, I have used Doan's Kidney Pills, procured from Longwell Bros. Drug store and they have never failed to relieve me. (Statement given January 10th, 1913.)  
STILL USES DOAN'S.  
On October 5th, 1916, Mr. Cumings said: "I still use Doan's Kidney Pills whenever I need them. They keep my kidneys in good condition. Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cumings had. Foster-Milburn Co., Mfrs. Buffalo, N. Y."

#### Tombstone for Pavement.

An ancestor of the duke of Norfolk who was banished by King Richard II, and died and was buried in Italy, Thomas Mowbray, got from Shakespeare one of the finest epitaphs in literature and thus became a personage of great interest to his descendants. observes a writer in London Tit-Bits. Two and a half centuries later the exile's bones were claimed by his family from the authorities of Venice, and brought to England, but the tombstone was left behind, and only a few years ago was discovered doing duty as a paving stone!

#### "WE WON'T WIN IF WE WASTE" TESTED WARTIME RECIPES FOR USE IN MICHIGAN.

To the Housewives of Michigan: The following recipes have been prepared and tested at the Michigan Agricultural College under the supervision of Dean Georgia L. White, member of the executive committee of the Michigan Food Conservation Service. They are practical, economical, and of first class dietary value. They have been prepared with especial view to Michigan conditions—native products being utilized so far as possible, and market prices in this section of the country being taken into special account.

They lay down a practical method by which Michigan cooks may assist in the great movement to SAVE FOODSTUFFS. Use them. Help the cause. Help win the war.

GEORGE A. PRESCOTT,  
Michigan Food Director.

NOTE—In all of these recipes all measurements are level, and T equals tablespoon, f. equals teaspoon, C equals cup, f. g. equals few grains, f. d. equals few drops.

#### WAR BREAD.

1/2 lb cornmeal (3/4 C); 1/2 lb bran (4.427 C) 2 1/2 lbs bread flour (8.96 C) 5 T fat; 5 T sugar; 4 t salt; 5 C water; 1 cake compressed yeast. Soak yeast in 1/2 cup of the water. Boil remaining 4 1/2 cups of water. Pour into it the cornmeal, stirring constantly. Cook five minutes. To the hot cornmeal add the fat, sugar and salt, stirring until the fat is melted. When cooled to lukewarm, stir in the dissolved yeast cake, and add flour and bran. Knead on board until smooth. Place in pan, grease top, and let rise until its bulk is doubled. Bake. Make four good sized loaves. This may be shaped into rolls if preferred.

#### RYE BREAD.

1 qt milk; 2 T sugar; 4 t salt; 2 T butter; 1 cake compressed yeast; 6 C rye flour; 3 C white flour. Scald the milk and pour it over the sugar, salt and fat in a large mixing bowl. Allow this mixture to cool until it is lukewarm. Dissolve the yeast cake in some of the mixture, being very careful not to use the liquid until it is lukewarm. Add the yeast to the rest of the mixture and if there is time, put in a warm place for an hour. If not convenient, add the flour gradually, reserving one cupful to be used in the kneading. Set in a warm place for about 1 1/2 hours. Mix down and let it rise again for an hour. Mold, shape, and put in greased tins. Set in a warm place, and when dough has doubled in volume bake in a moderate oven for one hour. This makes two large loaves or three medium ones; weighing all together about 4 1/2 lbs.

#### NUT BREAD.

2 C sour milk; 1/2 C sour cream; 1 T soda; 1 T salt; 1 C nut meats; 3 C graham flour; 1 C white flour; 1 C sugar. Mix dry ingredients, add sour milk and sour cream, and lastly the nut meats broken in small pieces. This will make two loaves. Bake in a slow oven. Nuts are used for garnishing or in combination with most of the salads. They are also combined with many of the dried fruits when preparing them for the table and in the fruit preserves.

#### WHOLE WHEAT OR GRAHAM BREAD.

1 1/2 C lukewarm milk; 3 T brown sugar; 1 1/4 t salt; 3 C whole wheat or graham flour; 1/2 yeast cake. Scald the milk, together with the sugar and salt. When lukewarm, add the yeast, mixing it first with a little of the milk. Add the flour, beat well, and let it double in volume. Beat it thoroughly, put into a pan, and let it rise. In a pan of standard size it should come nearly to the top. Bake. Make one large loaf.

#### SOUR MILK CORN BREAD.

2 C corn meal; 2 C sour milk; 2 T butter; 2 T sugar, white or brown; 2 eggs; 1 t soda; 1 1/2 t salt. Mix all the dry ingredients, including the soda, together. Then add the sour milk and the eggs well beaten, and butter. The bread should be baked in a shallow iron or granite pan for about 30 minutes. Buttermilk may be substituted for sour milk, in which case the butter should be slightly increased; or sour milk may be used and the butter omitted.

#### GRAHAM NUT BREAD.

2 C graham flour; 2 C white flour; 1 C sugar; 2 C milk; 1 egg; 4 t baking powder; 1 t salt; 1 C nut meats (cut.)  
Mix and sift flour, salt and baking

powder together, combine with milk, to which the beaten egg has been added; add sugar, then nut meats, and mix thoroughly. Put in bread pans and allow to rise in a warm place for 30 minutes. Bake in a moderate oven. Sufficient to bake two loaves.

#### BRAN BREAD.

3 C bran; 1 C flour, 1 t salt; 1 t soda; 1 T melted fat; 1 beaten egg 2 C buttermilk or sour milk. Mix bran with sifted flour, sugar, salt and soda. Add melted fat, and beaten egg, and lastly buttermilk. 1/2 C chopped figs or raisens may be added before the milk. Egg may be omitted.

#### HONEY AND HOT BREAD MUFFINS.

1/2 C honey; 1 C flour; 3/4 to 1 t soda; 1/2 t salt; 2 C bran; 1 T melted butter or other fat; 1 1/2 C milk; 3/4 C English walnuts.

#### Build Moonshades.

Mountain campers who scorn tents and sleep "in the open," have devised "moonshades" to shield their eyes at night, so that their slumbers may not be disturbed by the brilliant reflected light from the earth's satellite. The shade consists of a square of canvas stretched between the upper ends of two pointed stakes, which are driven into the ground in any desired position.
