Every still night finds Sylvester Kenyon in company with several experts with the spear on Maple Lake, doing their best to divest the waters of the carp. Over five hundred pounds have already been taken, and the work has only just begun. If the waters can be cleared of those cannibal fish, there will be good sport for the disciples of Isaac Walton right here at home. The largest carp taken thus far weighed fifteen pounds, but there are many larger ones in the lake.

There will be a patriotic program at the Opera House this Friday evening, for the benefit of the Junior Red Cross society which is now being organized in the Paw Paw schools. The program will consist of a three act dramatization, "The U. S. Children at War Work", war speech, recitation, solos and music by the High School orchestra. Do your "Bit" by attending. Your presence will encourage the boys and girls in their work. Program begins promptly at 8:00 o'clock. The admission is ten cents.

Mrs. E. E. Cornell received a telegram on May 11th, containing the sad news of the death of her nephew, Bert Shively at Camp Cody, Deming, New Mexico. He enlisted nearly a year ago, being first stationed at Sioux City, and later was transferred to Deming. His parents now of Laurel, Nebraska, formerly resided here, and their many friends extend heartfelt sympathy. Bert was an unusually bright young man, loved by all who knew him. He is in company with his mother, formerly Miss Dera Loveland, visited relatives and friends here three years ago. Later news state that he died following an operation for appendicitis.

Interest in The True Northerner's Missing Word Contest continues to increase, and this week brought many new contestants into the race. It was a good half days job to look over the replies and award the prizes for the week. There were four who gave the six missing words correctly this week. The correct answers were received in the following order, and prizes awarded accordingly:—Miss Lola Bates, First Prize; Robert Cavanaugh, second prize; Clara B. Woodman and Clara E. Hutchins. Quite a number found five of the words. One of these made a notation at the bottom of her reply, that she was satisfied that the contest editor had made an error, and that there were only five missing words on the page. She was mistaken however. The word she failed to find, was "Meat" which was the answer to the question propounded at the top of the Model Meat Market "ad". There is an entire new list of Missing words on the page this week (Six in all). Get the replies in early. In case of tie, the prizes are awarded in order of receipt of the replies.

A contribution will be taken at the Sixth Grade War entertainment held at the Opera House tonight, for the benefit of the Junior Red Cross.

Mr. and Mrs. Clare Allen of Glendale are rejoicing over the advent of an eight pound boy, born Thursday, May 9th, at the home of Mrs. Rena Beach. Mother and babe are doing nicely.

V. A. Lepper of Lawrence suffered a stroke of apoplexy last Friday which left him totally blind and semi unconscious for some time. Reports from Lawrence Thursday morning stated that he was much better. His host of Paw Paw friends are hoping for a speedy recovery to health.

Decker and Decker sold last week the farm of J. F. Kaehler near Lamphere's Pond to Mrs. Amanda Jacobson of Chicago. Mrs. Jacobson expects to move and be located here in about two weeks. Also the George Benwire farm to Randolph Castle of Peoria, Illinois. Mr. Castle expects to be located here as soon as possible.

Next Sunday will be a patriotic day throughout the nation. Programs will be held with speaking and music, in an effort to stimulate enlistments for the naval service. The Paw Paw program will be Sunday evening in the M. E. church at 7:30 o'clock. There will be a speaker from Detroit accompanied by two recruiting officers from the navy. The Paw Paw high school band will play and there will be other music. The meeting will be a big one, and it is doubtful if the church will hold all who will go.

About the best piece of news that The True Northerner has been able to publish for some time is the fact that the Dyckman House is soon to be opened. The hotel has been leased to George Sherman, brother of the late J. D. Sherman, and will be opened just as soon as the necessary repairs and changes can be made, probably in two or three weeks. Mr. Sherman is an experienced hotel man, having been in the business practically all of his life. For many years he has had charge of the Rock Island system of eating houses and dining cars west of the Missouri river, and has owned several large hotels in various cities throughout the United States. At present he owns a big hotel in Kansas city, which is managed by his son. The new landlord will be no stranger to Paw Paw people, who will rejoice that the Dyckman house which for many years was one of the best known hostleries of south western Michigan is again to be opened, and by a real hotel man. The building will be put in first class condition in every way, including a new water system with many baths and hot and cold water in every room.

SURGICAL DRESSING NOTES

We are in desperate need of chairs. People with more chairs than they can sit on at one time, please help us out.

If you have an extension cord for electric light please lend it to us for our work.

In one afternoon during the past week nineteen Mattawan ladies made 238 Compresses 8 X 4 which is a fine record to begin on.

Almena women have made to date 135 Shot Bags, 294 Triangular bandages, and 225 many-tailed bandages. If anyone deserves honorable mention for duty well done, Almena does.

During the Band Concerts the Surgical Shop will be closed every Wednesday evening.

Our quota has at last been received and we must ship the first of the week, 2400 Sponges 2 X 2, 200 large sized paper-backed Irrigation Pads, and 1000 Shot bags.

The Almena ladies have taken off our hands at one swoop one half our entire muslin quota. As everything that has come in from Almena so far has been noticeably perfect, no one need worry about the muslin work having to be done over.

Mrs. Mary Penoyar, County Director of Surgical Dressings, has been in Detroit the last week. While there she went all through the inspecting and shipping department, and the chairman told her it is surprising the number of dressings that must be laid aside in inspecting. She also said Van Buren County's work was perfect. Just think over these two statements. Does it pay to be particular?

On account of the new order not to do more than each month's quota because of the shortage of material, we may be forced to close for a few days when our shipment is out. However, the quotas are likely to be much larger under this plan, and we hope to be able to remain open every day and evening.

The following ladies were awarded crosses last week for thirty-two hours service:—Mrs. Frank Nelson, Mrs. Monroe Bailey and Mrs. Earl Bangs.

While in Detroit Mrs. Penoyar took a course under an instructor from New York, in the special Trench (Front Line) Dressings, which are now made by larger cities, such as Kalamazoo, so that if the need comes for the smaller towns to make these, she will be in position to instruct us. Our work now is for use in Base hospitals, and goes straight to France for immediate use behind the lines. Don't get these two distinct kinds of dressings mixed. We are distinctly up to date. Only the cities have been instructed to make the special Trench Dressings.

Come out Friday and Saturday of this week and help us get our big quota out on time. We need your help. Do your bit!

The Opera House in Hartford was crowded to capacity last Tuesday for the county War Board meeting. Every township in the county was represented except Keeler. This does not indicate any lack of interest among Keeler folks, for they always "Go Over the Top" and will this time. Hon. T. J. Fletcher of St. Joseph made a rousing speech and the Hartford chorus furnished music. Plans were talked over for the raising of the \$75,000 war fund, and everything is in readiness for the drive which starts next Monday. The various township members of the War Board have charge of the drive in their respective jurisdictions and will work it out in their own way. For instance the committee in the city of South Haven are calling for 140 volunteers, seventy women and seventy men to assist in the work. It is mighty important work, and the need is great. Everybody must give. One good feature of this drive is the fact that the \$75,000 fund will take care of all the war activity needs for the period of one year. Following is the apportionment made by the War Board and the quota which must be raised in each precinct:—Almena, \$2200.00; Antwerp, \$5300.00; Arlington, \$4000.00; Bangor, \$5800.00; Bloomingsdale, \$4700.00; Columbia, \$2500.00; Covert, \$2900.00; Decatur, \$5000.00; Geneva, \$2900.00; Hamilton, \$2900.00; Hartford, \$6500.00; Keeler, \$3500.00; Lawrence, \$4400.00; Paw Paw, \$7000.00; Porter, \$3400.00; Pine Grove, \$3200.00; Waverly, \$3100.00; South Haven Township, \$3100.00; So. Haven City, \$10000.00.

A chance for the boys and girls to help beautify their homes. On Saturday only, May 18th, we will sell three flowering shrubs for 25 cents to the boys and girls who will call for them at the Wolverine Nursery. Adv.

The sixth grade pupils who will participate in the play, "The U. S. Children at War Work" and the characters they will represent at the Opera House tonight are as follows: Uncle Sam, Richard Roach; Goddess of Victory, Kathryn Machan; Soldier, William Menig; Sailor, Francis Dorstewitz; Red Cross Nurse, Neva Hirdeman; Children from New England, Harold Walker, Emily Burt, Melba Perkins; Middle Atlantic States, Nathaniel Buckley, Helen MacDonald; Southern States, Clarence Yonker, Ruth DeGraff; Central States, Lester Mead, Osman German, Elda Beebe, Marie Mutchler; Western States, Carl Jennings, Kenneth Walker, Carrie Curtis, Juanita Holcomb; South western States, Edward Scovel, Donald Anderson, Velma Reits, Prologue, Ruth DeGraff; War Speech, Donald Anderson. Recitation William Menig; Solo, Miss Mae Brumstead; Music, High School Orchestra. The play is for the benefit of the Junior Red Cross and is worthy of a packed house.

SCHOOL NOTES

A large number of seventh and eighth graders from the surrounding rural schools took the county examinations last Thursday and Friday at the high school building. While the number taking the examinations this year was not equal to that of last year, a survey shows that next year's freshmen class will probably also be a large one.

The high school base ball team have demonstrated that they are a good road team, even if they do lose games now and then at home. Not a single game has been lost this year by the team when it was playing among strangers, while four home games have been dropped. The season's record to date is as follows:—

At Home, Lost 4, Won 3.
Lawrence 14, Paw Paw 7
Dowagiac 14, Paw Paw 6
Lawrence 5, Paw Paw 2 (championship)
South Haven 8, Paw Paw 5
Allegan 4, Paw Paw 15
Hartford 3, Paw Paw 21 (championship)
Lawton 2, Paw Paw 11.
Games Away, Lost 0, Won 5.
Lawrence 2, Paw Paw 5
Dowagiac 1, Paw Paw 14
Hartford 4, Paw Paw 24 (championship)
Allegan 7, Paw Paw 9
South Haven 2, Paw Paw 6.
Total: Games won 8, lost 4.

The proofs for the school pictures recently taken by the Spaeth Photographers of Kalamazoo have arrived and orders are being taken for the same. The class and base ball pictures are all very good ones and a number of people will probably avail themselves of this opportunity to get group pictures of their class mates which they may keep.

Hartford was defeated in the second championship game of the season by the local high school team at Hartford last Friday. The score, 24 to 4, intimates that the game was considerably one-sided and that the opposition was easily overcome by the locals. With the exception of one inning, the second, Hartford was unable to score. Ferguson and Poole acted as the local battery and had no trouble, Hartford being allowed but one hit. Fish in center field accepted several difficult chances, while Holcomb's performance at first base was the best seen this year. Poole and Mumbrue lead the others in the matter of base hits, each having three to their credit.

Several of the Decatur Home Guard paid the high school a visit last Friday, they being in town to take part in the farewell activities for the seventeen Van Buren county young men who went in the recent draft quota.

Our report regarding Thrift Stamps purchased by school people is made in the total this week, i. e., the amount after each grade shows the amount that grade has bought to date and is as follows:—First grade \$32.00; Second grade \$26.00; Third grade \$51.75; Fourth grade \$37.00; Fifth grade \$178.25; Sixth grade \$47.75; Seventh grade \$46.75; Eighth grade \$42.00; Ninth grade \$92.75; Tenth grade \$42.25; Eleventh grade \$34.00; Twelfth grade \$29.00. Total \$660.00.

The sixth grade are bending every effort toward their Red Cross Benefit Play which will be given at the Longwell Opera House on Friday evening of this week. The entire program has been written and developed by the members of the class under the direction of Miss Stephens, who has shown a great deal of talent in staging affairs of this kind.

There will be a dance at True's Hall, Reynolds Lake, on Friday evening, May 24th. You are cordially invited to come. 1611 adv.

Carl Manning was absent from school during the last week, due to the measles.

The attention of non-resident pupils and parents of the same is called to the importance of presenting their applications for the payment of tuition next year by their district. Any pupil who is a non-resident, whether now enrolled in high school or contemplating doing so the coming fall, should fill out these blanks and give the same to the director of their school district at once. The districts this year are required to pay \$25.00 for each pupil, an increase of \$5.00 over previous years, and the tuition fees for the upper four grades in the local schools will be \$35.00 and for the grades between one and eight, \$20.00. Blanks for making these applications may be procured from teachers in the rural schools to whom they have been sent, or from the superintendent of the local schools.
