# Get Clothes that Wear Longer

They cost less if you pay enough

"Pay enough" refers to the good of you men who buy—not the men who sell. It means the price of all-wool fabrics, fine tailoring, good style—those things are absolutely necessary for long wear and satisfaction.

That's why we buy Hart Schaffner & Marx clothes for you—they give you qualities you need for less than you get them elsewhere.

## Hart Schaffner & Marx Waist-seam Models

They are well tailored; the fabrics are all-wool; but, most of all, they are stylish, in single and double breasted models specially designed for young men; but older men like them, too. They have the right lines for the broad shouldered, trim-waisted man.

## Business Suits for Spring

Any man can be correctly fitted, no matter what his figure may be. Hart Schaffner & Marx provide for every one; many colors and patterns, in serges, chevits, blues, blacks, oxfords, browns, greens, grays, stripes; strictly all-wool. Unusual values.

## Shirts and Neckwear for Spring

You'll find a wide range of colors and designs in the new spring shirts, in silk, silk and linen, madras, many with satin stripes. And, to go with them, many new patterns in four-in-hands, bow ties in crepes, foulards moires; new effects in crocheted neckwear.
