News of a Week as Told by the Banner Reporters

As might be expected, following so much rainfall, all public roads in the parish are in bad condition.

Mrs. R. T. Stinson continues to improve, and the reporter was told to-day that for several days past she has been sitting up a part of the time.

Among those who called Monday to renew their subscriptions was Mr. A. J. Demoss, of the Pleasant Hill community, who has long been a reader.

Mr. and Mrs. J. A. Edwards and their little boy returned home Tuesday from Haughton, where they spent the holidays with Mr. Edwards' mother, Mrs. M. A. Edwards, and other relatives.

Mr. W. H. Reams, of Rocky Mount, while helping to move some friend back to that community from a river plantation, called by Tuesday to renew his subscription.

Mrs. K. E. Hall (daughter of Hon. and Mrs. J. T. Manry, of Plain Dealing) has again ordered her Banner mailed to Summerfield, which place is in Claiborne Parish.

Mr. C. D. Sandidge, day collector of tolls for Bossier Parish at the Bossier City traffic bridge, reports that his collections for the month of December were \$2271. Mr. William Hutton, the night man, collected \$227.

We learned the latter part of last week that Mr. Charlie Scarborough, son of Mr. and Mrs. W. A. Scarborough, who reside near Hughes' Spur, returned home about two weeks ago, having just been mustered out of service. His brother Whit is still in France.

The Banner has just been ordered mailed to Mr. L. W. Whittington at Chapel, Natchitoches Parish. We had about lost sight of him. He is justly interested with a Shreveport wholesale merchant in opening and developing a large body of fertile Cane River bottom land, and we expect he is good

enough farmer to make a success of the venture.

The public gin in this place has been shut down for the season. About 335 bales of cotton were turned out at the gin during the season.

Rain, sleet and a little snow, and a rather cold day yesterday. This afternoon the skies are again clear, but the weather continues quite cold.

Messrs. Jesse and Leon Jones, of the Linton community, sons of Mr. and Mrs. Jim Jones, are said to be still quite ill from attacks of influenza.

Miss Pauline Dawson returned home Monday from Shreveport, where she spent several days pleasantly at the home of Mr. and Mrs. S. H. Dowell.

Mr. J. H. Simmons, cotton census enumerator for Bossier Parish, has reported this afternoon that prior to December 13th there were 21,480 bales of cotton ginned in the parish from the 1915 crop, as compared with 28,573 bales for the corresponding date of last season.

Mrs. Elliot Hoffpauir has just had two letters from her husband, still in France. Both were written during November, after the signing of the armistice, and state that he was then well and feeling fine. So the report that he was wounded in action seems to have been in error.

Some people will tell you that Christmas day and the eleven days that follow indicate, respectively, the kind of weather that will prevail during the twelve months of the year. You know what kind of weather has come yesterday and to-day, so we leave it up to you, or some one else, to say what next August and September (the eighth and ninth months) are to be like.

Mr. G. N. Johnson, of the saw mill firm of Doster & Johnson (operating near Linton), whose illness from pneumonia, following influenza, was reported last week, is said to be better. Mr. A. H. Montgomery, of the Linton community, suffering a like attack, is said to be holding his own, with but little change in his condition during the past several days. It is thought that both will recover.

The condition of Mrs. B. E. Wyche, now residing in Shreveport, has been referred to in several late issues of the Banner. She suffered an acute and exceptionally severe attack of tonsillitis. Up to the time she had about recovered only one side of her throat had been affected. Then the other side developed the disease, and she has for about two weeks been up and down, with slight fevers nearly every day. However, her condition is steadily improving, and it is thought she will soon have fully regained her health and strength.

Among the callers at the Banner office Tuesday were Mr. J. W. Hosder, our fellow townsman, and his brother, Mr. Sam Hosder, now at his home at Waldo, Ark., on a furlough from Camp Pike, Ark. As previously reported in these columns, the young man was wounded in France May 3d. His two wounds were in his right leg, and were slight, but three operations were necessary before the limb was again restored to its former functions. In fact, he has not long been out of the hospital, and his color shows it. While he did not get to take part in the hottest part of the fighting experienced by the Americans, he saw some share in it, and, aside from his scarred leg, has trophies of the battlefield to show for it. Among these are a watch and chain of German silver and a button off of the uniform of some enemy trooper.

A regular meeting of the Parish School Board was held here to-day, with all members present. Mr. R. L. Burks, the new member from Ward Four, who succeeds Mr. A. J. Demoss (who did not offer for reelection), assumed his duties at this meeting. One new school district was created—the 21st, located between Adner and Bellevue, and embracing the Only settlement. An election will be held in the district February 1st to vote on the tax proposition, etc. The board passed a resolution authorizing that the teachers of the parish who lost time because of the influenza epidemic be paid for half the time lost—in other words, a half and half proposition carried, but lost time must be made up. The schools that would have been closed about May 15th will now have to be taught until about June 15th. These schools, if we are correctly informed, are those at

Some of the Banner's North Bossier readers will call to mind that Mr. Mose House, who now resides near Mulberry, Ark., last year resided and farmed in the Rocky Mount community. They will regret to learn of his misfortunes since moving to Arkansas. Four of his seven sons—Jesse, Sam, Paul and Walter—have died from attacks of influenza, and other members of the family were ill from the disease when last heard from. Mr. Alex House, who still lives near Rocky Mount, is a brother of the young men whose deaths are here reported.

A caller Saturday of last week was Mr. W. A. Scarborough, of the Hughes' Spur community, who came in to renew his subscription. Mr. Scarborough stated that he was fifty-odd years of age, and that he and members of his family had been regular readers of the Banner further back than he can remember. The oldest copy of the paper at his home that he knows of was issued during February, 1872. And, we are pleased to say, that the Banner has a number of constant forty and fifty-year readers, and some have stuck with us even longer than that.

An announcement that has just come to the Banner to-day states that the big horse and mule sale will be held at Camp Beauregard January 14th, 15th and 16th. One thousand five animals are to be offered. To quote from the circular: "Terms cash, or certified check. Sale positive, rain or shine, under cover if stormy. Nothing but horses and mules will be sold at this sale; no equipment. Halter and shank with every animal. Luncheon can be secured on the grounds. For further information address Edward B. Allen, Captain Q. M. Corps, Commanding Officer, Army Remount Depot No. 314."

Benton, Bossier City, Plain Dealing, Red Land, Linton, Ivan, Haughton, Atkins and Taylortown.

Messrs. J. H. Cole and T. O. Giles, of the Emma community, were agreeable callers Saturday of last week.

"Of course, keep the 'Old Reliable' headed this way," writes an old reader. Mr. G. W. Durdin, of the Rocky Mount community, and sent along his check in the amount of \$1.50.

Mr. J. E. Bundy, a merchant friend out at Linton, in renewing his subscription for 1915, says: "Please let the Banner come on. I don't want to miss a copy." Thank you, sir.

"Don't ever fail to send me the Banner," writes Mr. W. S. Dalrymple, of Midway, but his remittance and not his message is what makes us take notice. We are obliged to you, Will.

The Mr. Harper who purchased the Montgomery place some months ago moved his family into that residence one day last week. It is our impression that they are from Natchitoches Parish.

Hon. W. J. Johnston, of Plain Dealing, called Tuesday to renew his own subscription, and that of his eldest brother, Mr. T. L. Johnston, of Winnaboro, S. C. Both have been readers of the Banner for many years.

Mr. John T. Pickett, late a resident of Shreveport, and well known to many people throughout Bossier Parish, died suddenly last Saturday at his home in that city. He is survived by a widow and one son, John T. Pickett, Jr., now serving his third year in the United States Navy.

Rev. George G. Woodbridge, of Plain Dealing, has forwarded the Banner the following announcement for publication: "The Sacrament of the Lord's Supper will be administered at the Benton Presbyterian Church next Sunday morning. Evening services will also be held, beginning at 7:30 o'clock."

A friend reported last Saturday that some days prior the home of Mr. Dave Morrison and nearly its entire contents were destroyed by fire. Mr. Morrison has for many years been a resident of the Ivan community, and has many old friends among the Banner's readers who will regret to learn of his misfortune.

An agreeable caller at the Banner office Friday of last week was Rev. J. M. Boykin, resident Methodist minister at Bossier City. He stated that he preached in that place twice on each second and fourth Sunday—eleven a.m. and seven o'clock p.m.—and that the Sunday school hour was ten o'clock a.m. We are pleased to state that Mr. Boykin has agreed to represent the Banner at Bossier City, and will both solicit and act as news correspondent.

Dr. Moss H. Bauman, aged fifty-four years, died at a Shreveport sanitarium Tuesday morning, his death following injuries received in the wreck of his automobile by a street car in that city Monday night. The interment was in Mansfield, the former home of the deceased and where he was reared. Some readers of the Banner will call to mind that Dr. Bauman married Miss Dessie Boltz, only daughter of Rev. and Mrs. H. J. Boltz, former residents of Bossier Parish.

Dr. and Mrs. H. H. Smith, in writing from Fort Smith, Ark., to renew their subscription, say: "We enjoy the Banner very much and look forward each week for it to arrive." Dr. Smith for some time practiced his profession at Alden Bridge, and still has a number of friends down this way among the Banner's readers. Mrs. Smith will be remembered by many as Miss Roberta Martin, reared in the Rocky Mount community, and a daughter of the late Dr. and Mrs. R. B. Martin.

Some of the Banner's North Bossier readers will call to mind that Mr. Mose House, who now resides near Mulberry, Ark., last year resided and farmed in the Rocky Mount community. They will regret to learn of his misfortunes since moving to Arkansas. Four of his seven sons—Jesse, Sam, Paul and Walter—have died from attacks of influenza, and other members of the family were ill from the disease when last heard from. Mr. Alex House, who still lives near Rocky Mount, is a brother of the young men whose deaths are here reported.

A new firm, to take over the grocery and furniture business of the J. P. Keith Estate, has been formed, to be known as Harrison, Purcell & Company. They have removed to the door adjoining, formerly occupied as a furniture store.

Mr. and Mrs. W. M. Peyton, residing near Red Land, had their three sons (just discharged from service) with them last night. Chesire was a instructor at Princeton University; Rupert was at a military school in Russia.

To supply sufficient funds for the immediate relief and the rehabilitation of these peoples, a campaign for \$20,000,000 will be conducted January 12th-19th.
