LOCAL JOTTINGS.

Reed's Gilt Edge Tonic restores the appetite. Mr. E. B. Cox of Assumption parish offers for sale an elegant thoroughbred mare, six years old, a beautiful animal broken to harness.

Heart shingles and cypress cord wood of the best quality for sale at lowest prices. Apply to or address Mr. Joseph Gondran, of the Blue Store, Donaldsonville.

An alarm of fire was given last Saturday evening, caused by the explosion of a lamp in the Catholic Church. Fortunately the flames were extinguished before any damage of moment resulted.

Judge Cheevers has abandoned his intention of spending a month at Waukelesha, and will while away his vacation at Abita Springs, St. Tammany parish, instead. The Judge visited Donaldsonville this week to consider at chambers some matters connected with the Loeb succession, and returned to New Orleans yesterday. From thence he will perambulate to the Springs.

Considering the number of recent arrivals in the family circles of citizens of Donaldsonville and vicinity, and the still greater number of such felicitous occurrences anticipated in the near future, we are led to the conclusion that if the census was to be taken two or three months hence a marked increase in the population of our town and parish would be noticeable.

Messrs. Owen McLean of St. Charles and M. W. Darton of New Orleans, both civil gentlemen, civil engineers and good friends of ours, popped into the CHIEF office one day this week, and gave us the pleasure of a hearty grip of their fists. Col. McLean came up to deliver a beautiful plan of the Hermitage plantation which he had just completed, and Mr. Darton to survey the route agreed upon for the road which is to connect Darrovilla with New River.

The Democratic-Conservative parish Committee met at Mr. Pugh's office today, pursuant to call, and after a protracted session and considerable debate it was decided to call a primary election on Saturday next for delegates to a parish convention to be held September 4, which body will be empowered to choose delegates to the Congressional convention to meet at Morgan City, September 11. The plan of choosing delegates by primary election was adopted in accordance with the request contained in the call issued by the chairman of the Congressional district committee. In another column we publish the resolutions passed by the parish committee designating the time and places for holding the election and the number of delegates to which each ward is entitled.

RESIDENCE AT AUCTION.—Our local readers should not forget that on Saturday next, at noon, Deputy Sheriff Israel will offer for sale at auction, on the premises, the neat and comfortable residence and workshop of the late R. J. Green, situated on Railroad Avenue near corner of Claiborne street, affording an excellent opportunity for the purchase of a desirable little property at a reasonable price. We hope the attendance of bidders will be large and the competition lively, as the proceeds will all accrue to the widow and children of Mr. Green, who were left in comparatively destitute circumstances. We learn that Mrs. Green intends to remove either to Kentucky or Indiana, early next month, and establish herself in business as a milliner, and she will need all the means she can acquire to accomplish this object. Besides the residence and out buildings, it is probable that a lot of household furniture will also be offered for sale. Don't fail to attend.

Mrs. J. J. Claverie has been dangerously ill this week—in fact, Monday evening she was believed to be dying, but fortunately a change for the better took place and she is now considered out of danger. We congratulate the family of the respected lady upon their narrow escape from the heavy affliction of her loss, and the lady herself upon being rescued from the dark valley of the shadow of death.

We were pleased to meet Mr. V. A. Gautreau of New River in town today, in company with Mr. M. W. Darton. These gentlemen had just returned from surveying the new route for the New River road which is to give Donaldsonville direct communication with the fertile and populous seventh and eighth wards of the parish. They accomplished the work satisfactorily and give a cheering account of the prospect for the early construction of the desirable thoroughfare. So note it be.

For the sake of our rice planters we are glad to chronicle the cessation of the almost daily rains that have prevailed during the past two weeks. The weather now is very propitious for harvesting the magnificent rice crops which have been grown in this and neighboring parishes, and we hope and believe the desirable change has come soon enough to obviate the serious damage which the erstwhile unfavorable weather threatened to inflict. This promises to be a red letter season for rice growers. They are "threatened" with an immense yield and a splendid market.

Two estimable gentlemen bearing the name of Brown honored the CHIEF office with a visit this week—we refer to T. W. Brown, Esq., the respected Justice of the Peace, Notary Public and school teacher of the tenth ward, and H. Thompson Brown, Esq., a well known citizen of the same section of our parish. The genial "Squire" was in his usual good health and fine spirits. Friend "Thomp" has been employed for several months past in superintending the construction of a tremendous new levee in the parish of West Baton Rouge, and is spending a short vacation with his family during a temporary suspension of the work. He will go on duty again the first week in September. He has had a brief tussle with malarial fever recently, but came off right side up with care and is looking hearty again.

CONOVER'S INQUESTS.—Dr. J. B. Vandegriff, the efficient Coroner of this parish, has recently held the following inquests:

1. August 2, 1880, on the body of Joe Brooks, a colored man aged about 70 years, who was found dead in the fields of Stella plantation on the 1st inst.

2. August 10, 1880, on the body of Adam Mingo, colored, whose body was taken from the Mississippi river in front of the Richard McCall plantation. Mingo was carried into the river by the caving of a portion of the batture in front of Jackson Landry's place, Crevasse Settlement, about 10 o'clock at night on the 7th inst., where he had gone in company with his brother and several other colored men to remove wood from the crumbling embankment.

3. August 14, 1880, on the body of Oly James, colored, aged 40 years, who died at Marechal Settlement, in the fifth Police Jury ward of several gunshot wounds inflicted by one Joseph Samuel Gore on Saturday, July 31, 1880. We have not obtained the particulars of this shooting affair, but we believe the wounding was accidental.

4. August 18, 1880, on the body of John Rohrbach, a native of Germany, aged about 60 years, who died at J. B. Jacob's plantation of peritonitis fever.

5. August 19, 1880, on the body of Willis Franklin, a colored boy 8 years of age, son of Mrs. Mary White of Port Barrow, drowned in Bayou Lafourche on the 18th inst., while crossing in a skiff at a point opposite Henry Drogge's. The boy was in the skiff alone and there was no witness to the accident that cost him his life.

REGISTRATION.—The registration of voters this year will not be an entirely new one, as some had supposed, but only a revision of the former list. Mr. Felix Reynaud, Assessor and ex officio Supervisor of Registration for this parish, gives notice by advertisement in the CHIEF and posters displayed throughout the parish of the dates upon which he will attend at the various polling places for the purpose of revising the list of voters and adding thereto the names of qualified electors who have become of age or moved into the parish since last election, or who have failed to register heretofore. Voters who have removed from the wards in which they resided when last registered must have the change noted in the registration books in order to vote this fall. The Supervisor's first appointment is at the Court-House, where he will spend five days, beginning Monday August 30, and ending Friday, September 4.

We learn from the New Orleans papers that Mr. Louis W. Hewitt has been appointed Clerk of Registration for this parish. While there can be no objection to this appointment on the grounds of personal character or capacity, nor any supposition that the duties of the position would not be faithfully and impartially performed by Mr. Hewitt, yet it seems strange that the Acting Governor should have overlooked the provision of the law which requires the Clerk of Registration to be selected from the political party opposed to that with which the Supervisor affiliates. The Supervisor for this parish being a Democrat, the Clerk should be a Republican. Mr. James H. Proffitt, a worthy and competent young Republican, applied for the position, and the application was endorsed by leading members of his party, as well as by Supervisor Reynaud; the pigeon-holing of this document and the appointment of a Democrat snacks strongly of an arbitrary violation of law that is none the less a moral wrong because it may inflict no absolute injury.

Blue Bucket Fire Co.'s Excursion to Gretna.

On Saturday, the 7th inst., the Blue Bucket Fire Company of this town left here on a special excursion train bound for Gretna, accompanied by a goodly number of friends and pleasure seekers. The party reached Gretna safely, were cordially received by Good Intent Fire Company No. 2 and other residents of the thriving town, and escorted to Good Intent's engine-house where an elegant lunch had been prepared, of which the excursionists partook with great relish.

A procession was then formed by the two fire companies, headed by the St. Joseph Brass Band of Donaldsonville and the Gretna Fire Band of New Orleans, with Scott Ellison, Esq., as Grand Marshal. After parading on the principal streets of Gretna, the procession returned to Good Intent Hall and disbanded, and soon a grand ball was in progress in the hall which lasted through the night and afforded unalloyed enjoyment to the participants.

Next afternoon the excursionists again boarded their train, and bidding their hospitable Gretna friends adieu, returned to Donaldsonville, where they arrived safely and in due time. All speak in highest praise of the hearty reception and kind treatment accorded them by the whole-hearted firemen and people of Gretna.

This excursion was devised by the Blue Buckets as a return compliment for the visit of Good Intent Fire Company to Donaldsonville on the 16th of last May. A strong friendship has grown up between the two companies which will no doubt result in an annual interchange of visits hereafter. Both are worthy organizations, and a credit to the colored people of their respective towns.

Good Intent Fire Company No. 2 was organized in 1873; it has thirty-eight active members upon its rolls, and is officered as follows: J. B. Russell, President; G. H. Wilson, Vice President; N. H. Solberg, Recording Secretary; A. K. Ryndel, Corresponding Sec'y; E. A. Higgins, Foreman; Wm. King, First Assistant; Alex. Thomas, Second Assistant; J. B. Russell, Sr., Treasurer.

THE MILITARY FESTIVAL.—As the date approaches for the projected military festival to occur at Donaldsonville on Sunday, the 29th inst., it becomes more and more apparent that the celebration of Coifield Battery's first anniversary will be "a big thing." The officers of the Regiment Orleans Artillery have engaged the steamer City of Augusta to transport the regiment and other excursionists to Donaldsonville and return, leaving New Orleans at 8 P. M. next Saturday, and returning Sunday night. Tickets for the round trip have been placed at the low price of \$2 each. It will be definitely known early during the coming week what other commands of the State National Guard will participate in the excursion and the competitive drill which is to form a leading item of the interesting programme for the festival.

The City of Augusta will reach Donaldsonville at an early hour Sunday morning and will be greeted by an artillery salute. The excursionists will be received by Coifield's Battery and escorted to the festival grounds at the Catholic Church, where breakfast will be provided for the visitors. The order of exercises is not yet definitely arranged, but will doubtless include a military mass, a march through the streets of town, competitive infantry drill, dress parade on the public square, target-shooting and a hop at Phoenix Hall. Valuable prizes will be awarded to the commands carrying off the honors in the competitive drill.

A meeting of citizens will to-morrow appoint a committee to canvass the parish and solicit contributions of meat, provisions or money to be used in providing entertainment for the visitors from New Orleans. We have no doubt that the response of our citizens will be prompt and liberal and that their generosity will enable Coifield's Battery and the committee of civilians to entertain their guests in a manner befitting the enviable reputation the people of our town and parish bear for hospitality.

The use of the spacious and well-appointed grounds of the Catholic Church has been tendered the festival committee by Father Charles, who acts in accordance with the instructions and wishes of Rev. Father Cuppens. Before leaving for his visit to Belgium, Father Cuppens expressed a desire that the free use of the church grounds should be granted for all public or charitable entertainments. This is a great advantage to Coifield Battery and its conductors, since the premises are provided with the necessary facilities for the proper reception and entertainment of their guests, even though these are numbered by hundreds.

Entertainment by Blue Bucket Junior Fire Co.

Correspondence N. O. Southwestern Christian Advocate.

DONALDSONVILLE, La., July 30, 1880. Mr. EDITOR.—The Blue Bucket Junior Fire Company of this place gave a grand dramatic entertainment at their hall, on Thursday night, the 29th inst. Music was furnished by the Crescent Brass Band of this place. Guitars played by D. W. Brown, Esq., of New Orleans, and piano by Miss Margella Landry of Donaldsonville. Each in their order acquitted themselves in a manner creditable to themselves as well as to their able instructors. Messrs. A. Bernard, John Martin, P. S. Carrouche and others, Misses O. Claiborne, G. Claiborne and S. Oony played their parts upon the stage to the great satisfaction of the packed house. The singing by the choir was exquisite, especially that of Miss Louisa Conway, who made a very grand display of her vocal talent.

With a view of raising funds for the construction of a new M. E. church on the lands donated by Mr. Benajah Gilson, in Darrovilla, the same young ladies and gentlemen, and others, will give another like entertainment at the Green Hall, in St. James, Saturday, August 28. Very respectfully, A. F. GRIGSBY.

BASE BALL.—Last Sunday afternoon base ball circles in this parish were enlivened by two interesting match games—one between the Hancock and Burnsides clubs, played on the grounds of the former, at the Clark plantation; the other between the Grasshoppers of Donaldsonville and the Rambunctious club of Assumption parish, played on the public square in this town. In both games the Donaldsonville clubs were victorious by the appended scores:

Table with columns for Hancock and Burnsides scores, including runs, hits, and errors.

GRASSHOPPERS. O. R. RAMBUNCTIOUS. O. R.

Table with columns for Grasshoppers and Rambunctious scores, including runs, hits, and errors.

GRASSHOPPERS. O. R. RAMBUNCTIOUS. O. R.

Table with columns for Grasshoppers and Rambunctious scores, including runs, hits, and errors.

During the first inning of the Burnsides-Hancock game a five-minute shower of rain fell, and although it was not copious enough to compel a suspension of the game, it was sufficient to dampen the ball and the field so as to render an exhibition of skillful play impracticable. The Hancock received their guests in their usual courteous and hospitable manner, regaling them with lemonade and cake before and after the game. The Burnsides were accompanied by a brass band, composed of musicians from both the Independent and Coffield bands, and their music heightened the interest of the trip considerably. We have never witnessed a base-ball contest conducted in a quieter manner or with a greater display of gentlemanly deportment and good feeling than characterized the match of the Hancock and Burnsides clubs, on the first Sunday in September, the 5th proximo.

The Grasshoppers received the Rambunctious nine in handsome and cordial style, "prefixing" and "affixing" their game with the usual refreshments and music from a "picked band." The match proved virtually a walk-over for the home club from the start. The Rambunctious nine is composed of excellent material, but the members are in need of practice. With this, they will be able to make our best clubs look to their laurels.

The following games have been set for future dates: Burnsides and Hancock, at Donaldsonville, September 5; Rambunctious and Grasshoppers at Paincourtville, same date; Grasshoppers and Burnsides, at Donaldsonville, September 12; Burnsides and Rambunctious, at Paincourtville, September 19. The last named match was to have taken place to-morrow, but was postponed on account of the challenging club, the Burnsides, being unable to get its first nine together early enough in the morning to make the trip to Paincourtville in season to play a full game before night.

To-morrow the Hancock and Grasshoppers, and the second nines of the Hancock and Burnsides clubs will play at the Clark place.

The event of the base ball season will doubtless be the match between the crack Donaldsonville clubs, Grasshoppers and Burnsides, on the 12th proximo.

FIRE.—Thursday night, between 9 and 10 o'clock, two small houses situated on Claiborne street, between Lessard and St. Patrick streets, belonging to Mrs. Mary Adams, a colored woman, took fire and were burned to the ground, together with their entire contents, excepting two or three articles of furniture. The main building was occupied by Mrs. Adams and her daughter, Clementine Adams, who has three young children. Mrs. Adams and the children were asleep and Clementine was at church. A lamp had been left burning in Clementine's room, where one of her children was sleeping, and the supposition is that the fire originated from the lamp. When discovered the flames had gained such headway that it was impossible to extinguish them. After the fire had been discovered and an alarm given, Oscar Vidal rushed into the room where the flames were raging and rescued the sleeping child, slightly burning his face in the act. The three fire companies repaired promptly to the scene and rendered good service in preventing the flames from spreading to adjoining houses. Fortunately several wells in the immediate vicinity afforded an ample supply of water, of which Phoenix and Blue Bucket companies made the best possible use. Phoenix engine never did better service, while the indomitable Blue Buckets sustained their well earned reputation for effective work. The burning buildings and all those in the vicinity being small, one-story structures, the leaders of Assumption H. and L. Company were not in much demand, but the members of that organization did good service by their grappling hooks in pulling down portions of their load operations for 15 years in 20 different States and Territories, battling detectives and officials of the law. Best selling book of the year, 10,000 sold in three months. 50 cents for outfit; \$1.50 for sample copy. Liberal Terms to Agents. S. D. THOMPSON & CO., Publishers, 526 Pine St., St. Louis, Mo.

THE PROPERTY DESTROYED was valued at about \$500 and was not insured.

Political Notice.

Primary Election to be Held for Delegates to a Democratic-Conservative Parish Convention.

At a meeting of the Democratic Central Committee of this parish on Saturday, August 21, 1880, the following resolutions were adopted:

Resolved, That a convention of the Democratic-Conservative party of the parish of Assumption for the purpose of electing delegates to the Congressional convention which will be held at Morgan City on September 11, 1880, be called to meet at the Court-House in Donaldsonville, at 12 o'clock, Saturday, the 4th of September next.

Resolved, That the Democratic-Conservative voters are invited to meet in their respective wards between the hours of 2 and 6 o'clock P. M., on Saturday, August 28 next to elect delegates to the above called parish convention, and the Chairman of the Central Parish Committee to appoint commissioners to conduct said elections and that said elections be held at the places and for the number of delegates as herein set forth, viz: First ward, at E. O. Landry's store, 4 delegates. Second ward, Dufoissal Gregoire's store, 3 delegates. Third ward, Court-House, 4 delegates. Fourth ward, Mod. Brand's store, 3 delegates. Fifth ward, Mt. Homeas, 3 delegates. Sixth ward, Ashland warehouse, 3 delegates. Seventh ward, Paul Landry's store, 4 delegates. Eighth ward, Hercule Landry's store, 5 delegates. Total, 29 delegates.

Attest: F. N. PUGH, Secretary of the Committee.

Died.

ARMITAGE.—At his father's residence in Iberville parish, La., August 16, 1880, at 8:15 P. M., JOHN AUSTIN, youngest son of Mary M. Gustery and James P. Armitage, aged 11 years and 17 days.

"Things we prize are first to vanish, hearts we love too pass away," was never more forcibly exemplified than in the present instance. The light, the joy, the pride of a household has been swept away. Silent and still the halls; cheerless and sad the home; the sweet little voice with pathetic harmony is hushed for aye; darkness rules and sorrow reigns. But from the depths of the sorrowing hearts springs the consoling assurance that the dear departed rests contentedly in the Savior's arms, one of the glorified and exalted, joyous lambs of Christ's immortal fold. Yet— "We sigh for the touch of a vanished hand, And the sound of a voice that is still." H. A. W.

PIKE.—On Saturday, August 14, 1880, at the residence of Dr. S. D. Gustine, in Jefferson parish, P. W. PIKE of the parish of Assumption.

Deceased was an old citizen of our neighboring parish and was highly respected and esteemed by all who knew him. He had been in failing health months before his death and had become almost helpless, hence the moment of final dissolution brought to him a blessed relief from bodily suffering. He leaves a family and a very large circle of friends and relatives to mourn his demise; among these is the family of our estimable young friend, Wm. B. Sharp, Esq., assistant manager of Mr. James Teller's Riverside plantation in this parish. Mrs. Sharp is a daughter of the lamented deceased.
