INSIDE INFORMATION

A Few Facts That Are of Interest to Everybody.

A politician has inside information about a deal before he goes into it. A business man looks into a proposition before tackling it. An engineer would not think of huying a piece of machinery without knowing all about it. The same rule should apply to a watch. No one should purchase a watch without having inside information. The case may be all right, but it's the works that really count. Come

cheap or expensive case and will guar

antee the works. F. L. TREPAGNIER & BRO. Mississippi St., Donaldsonville, La
