### Ascension Academy Literary Society.

A successful and interesting meeting of the Ascension Academy Literary Society was held Friday night of last week in the assembly hall of the Academy, and afforded much pleasure and enjoyment to a large audience made up of the members of the organization and their parents and immediate friends. The society was organized a couple of years ago by R. McCulloh, former parish superintendent of education, and Prof. J. L. Rusca, principal of Ascension Academy, and has become one of the most influential factors in promoting the growth of a spirit of zeal and ambition among the students of the institution. The present officers are: Miss Loretta Montecino, president; Miss Emily Rodrigue, secretary; Harry Weber, acting critic.

Meetings are held every Friday night and the proceedings comprise vocal and instrumental selections, recitations, debates, dialogues, etc., thus proving of much value and benefit to the members while affording amusement as well.

The program of last Friday's entertainment was prefaced by an address by the president, Miss Montecino, in which she took occasion to extend a hearty welcome to Prof. D. B. Showalter, the new parish superintendent. Vernon Sims, on behalf of the boy pupils of the Academy, read an address of welcome to Prof. Showalter in a manner that brought forth enthusiastic applause from his hearers. The debate, "Resolved, That Immigration is Detrimental to the United States," was one of the most interesting features of the entertainment, and both sides of the question were handled in an able and thorough manner by the gifted young speakers. After much consideration, the judges, R. N. Sims, Florian Himel and Prof. Showalter, awarded the decision to the advocates of the negative side of the question, Maria Oubre and Harry Weber. One of the pleasant incidents of the meeting was the presentation to Mr. McCulloh of a handsome bronze bust of Atala, which took place at the close of the entertainment. Miss Agathine Kern tendered the gift on behalf of the pupils of the Academy and the surprised recipient responded in his usual happy and felicitous manner.

The program was as follows:

### Secretary Taft at New Orleans.

The city of New Orleans had the honor this week of entertaining Hon. William H. Taft, secretary of war, who stopped off at the "delightful city" Saturday and Sunday while on his way to Panama, where he goes on an important government mission. In Mr. Taft's party are his wife, Admiral John G. Walker, Judge Charles E. Magoon, Capt. Sidney A. Cloman, A. D. C., Fred W. Carpenter, private secretary, Nelson W. Cromwell, counsel for the republic of Panama and his first assistant, R. L. Franham, and Senator Don J. Domingo, Panama minister to the United States. Among the principal features of the lavish entertainment which was showered upon the distinguished visitors were a military reception at the depot, a cordial welcome by a large committee of representative citizens of New Orleans, a formal visit from Gov. Blanchard, an informal levee in the St. Charles Hotel, a trip about the harbor on the United States ship Gen. Newton of the engineer department, a magnificent banquet in the palm garden of the St. Charles, a trip to the Godechaux Reserve sugar factory and a dinner at the residence of Archbishop Chapelle. Secretary Taft and his party boarded the dispatch boat Dolphin about noon Monday for Pensacola, where the United States cruiser Columbia was in waiting to take them to Panama. A detailed account of the secretary's visit to New Orleans will be given in next week's Chief.

### Louis Messina Loses a Leg.

Louis Messina, a Donaldsonville carpenter who suffered a fracture of the knee-cap while working at New Roads some time ago and was soon afterwards taken to New Orleans for treatment, has been compelled to suffer the amputation of his leg, and the news of Mr. Messina's misfortune will be received with much regret by his many friends in this community. The operation was performed Thursday morning of last week at the New Orleans Sanitarium and it is gratifying to know that the young man is bearing up well under the shock and will soon be on the high road to complete recovery. Gaspard Messina went to New Orleans to be present at his son's bedside when the operation was performed.

### Herbert Barton, the young son of Mr. H. W. Barton, was painfully injured about noon Thursday by running his right hand through a pane of glass in one of the windows of his mother's home in Railroad avenue. He was idly drumming on the glass and struck it too hard a blow, with the result that the pane broke and his hand went through the opening, the jagged glass severing one of the main arteries in the wrist. Dr. E. K. Sims dressed the wound and the little fellow will escape with nothing more serious than a long confinement to bed. Don't Respect Old Age. It is shameful how youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off the cause of old age, and prevent its coming. They are a household favorite for old age, Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect pill. See at J. J. Leach and J. Rhodes' drug stores.

### Distinguished Visitors at Evan Hall.

Among the many prominent personages and government officials who visited New Orleans last week were Hon. Wilbur F. Wakeman, formerly chief appraiser of customs at the port of New York and now secretary and treasurer of the American Protective Tariff League, and Hon. A. W. Cooley, member of the United States Civil Service Commission. These distinguished gentlemen, accompanied by Mrs. Wakeman, Hon. Henry McCall, collector of customs at New Orleans, and his sister, Mrs. Walter P. Flower, also of New Orleans, visited the McCall Bros.' Planting and Manufacturing Company's Evan Hall plantation, in this parish, all of the party except Mr. Cooley coming by Thursday evening's train. The civil service commissioner only reached New Orleans from Washington Friday morning, and he followed the others to Evan Hall on the train which arrived there just before noon. Mr. McCall and his sister entertained their guests in a manner that left nothing to be desired, and it goes without saying that the experience was altogether enjoyable to the visitors, who had never before witnessed the operations of a Louisiana sugar plantation and factory. The party returned to New Orleans Friday evening and Commissioner Cooley left for Washington the following night, Mr. and Mrs. Wakeman remaining a couple of days longer to take part in the reception and entertainment of the secretary of war and his traveling companions who are en route to Panama.

### Disastrous Wreck.

Carleton's is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. The case of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and home remedies are unnecessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Lech's and Rhodes' drug stores. Price 50c and \$1.00. Trial bottles free.

### Death of Mrs. Susan Stern.

Mrs. Susan Stern, mother of Mrs. Meyer Netter, of Donaldsonville, died at the residence of her niece, Mrs. Adolph Katz, 1636 Berlin street, New Orleans, at 2 o'clock Monday morning, aged 65 years. Mrs. Stern was in excellent health up to an hour before her death and her sudden passing away came as a great shock to her family and friends. She retired about 10 o'clock Sunday night seemingly well and in good spirits, and four hours later had breathed her last. Her remains were laid to rest in the Gentilly cemetery at 3 p. m. Monday after services at the house conducted by Rabbi I. Leucht. Mrs. Stern is survived by three daughters, Mrs. Morris Hertz, of New York, Mrs. Meyer Netter and Miss Essie Stern, of Donaldsonville; three sons, Sam, Sylvan and Melville Stern, all of New York; one brother, Wm. Klopmann, of New York, and one sister, Mrs. Jacob Lebermuth, of Salsburg plantation. The Chief tenders assurance of deepest sympathy to the bereaved family and friends.

### Death of Bergondy LaPice.

Bergondy LaPice de Bergondy died at his home at Lauderdale, in the parish of St. James, at 10 o'clock Sunday morning, aged seventy-six years and a few months. His remains were taken to Nashville Monday and interred in the family tomb at that place. Mr. LaPice, whose ancestors were of the nobility of France, was born in Natchez, Miss., and was one of the oldest and best-known sugar planters in this state. When a youth he went to Paris and attended several noted colleges for a period of ten years, afterwards returning to the United States and engaging in sugar planting, together with his brothers, in St. James parish. In 1858 he married Miss Jennie Watson, of Nashville, and she, with one son, Eugene LaPice, survives him. He also leaves a brother, Ambrose G. LaPice, and a sister, Mrs. J. DeLongra, of France. Mr. LaPice was a fine type of the southern gentleman, and his death creates a sorrow in the hearts of his family and friends that only time can assuage.

### He Could Hardly Get Up.

P. H. Duffy, of Ashley, Ill., writes: "This is to certify that I have taken two bottles of Foley's Kidney Cure and it has helped me more than any other medicine. I used many advertised remedies, but none of them gave me any relief. My doctor recommended Foley's Kidney Cure and it has cured me. Before commencing its use I was unable to get up. I can now stand up when once down." Sold by Richard & St. Martin.

### Death of R. Zade Brown.

R. Zade Brown, a native of Mississippi, died Tuesday, Oct. 25, at the residence of his sister, Mrs. G. M. Garig, near Hope Villa, in the sixty-first year of his age. He had been a resident of Hope Villa for about forty years and was held in high esteem by all who knew him, one old friend expressing the conviction that "nothing can be said of him that is too good." His remains were interred Oct. 26 in the Harralson cemetery in East Baton Rouge parish. Mr. Brown was a member of Company B of the First Louisiana Regiment during the war between the states, and served throughout the conflict with gallantry and distinction. He leaves a daughter, Susie Brown, aged sixteen years, and two sisters, Mrs. G. M. Garig and Miss Lizzie Brown, all of whom reside in the Hope Villa section of the parish. To the bereaved family and friends The Chief tenders sincere sympathy.

### Negro Check Thieves Arrested.

A negro named Leroy Johnson, alias "Illinois," was arrested Wednesday morning while attempting to cash a check on the Bank of Ascension drawn by the Burton-Swartz Lumber Company, of St. James, and made payable to Hugh McPhail, for the sum of \$58.98. The check was one of a number that was stolen from the Burton-Swartz people Monday night, ranging in value from 75 cents to \$58.98, and aggregating about \$100. Payment on them was stopped as soon as the robbery was discovered, and when Johnson presented the check at the Bank of Ascension Cashier John S. Thibaut knew that something was wrong and asked the negro his name. The man replied that it was on the check, whereupon Mr. Thibaut told him that it would be several minutes before he would be able to give him the money and asked him to take a seat. The cashier called up the sheriff's office and reported the transaction, and an officer proceeded at once to the bank and placed Johnson under arrest. It has since been learned that the negro succeeded in passing two of the checks in Donaldsonville, making small purchases at the stores of Perique Gomez and A. Bloch, in the rear portion of town, Tuesday and tendering checks for \$3.75 and \$10.80 in payment to the respective merchants. In both cases the checks were accepted and Johnson was given his change in cash. Robert Waddy, the other negro who took part in the robbery Monday night, was arrested at Whitecastle Thursday morning.

### Chamberlain's Cough Remedy is Pleasant to Take.

The finest quality of granulated loaf sugar is used in the manufacture of Chamberlain's Cough Remedy, and the use of this preparation give it a flavor similar to maple syrup, making it quite pleasant to take. Mr. W. L. Zoderick, of Kew-Forest, N. Y., in speaking of this remedy, says: "I have used Chamberlain's Cough Remedy with my children for several years and can truthfully say it is the best preparation of the kind I know of. The children like to take it and it has no injurious after effect." For sale by City Drug Store.

### Arm Accidentally Amputated.

John M. Barlow, son of the chief engineer at Dehon & Prejean's Lulu central factory, lost his left arm Tuesday forenoon as the result of an unfortunate accident. The young man, who is employed at the factory as greaser, was engaged in cleaning the cane rollers when the sleeve of his shirt on the left arm was caught in the cogs and the arm drawn in between the wheels. Barlow's cries attracted the attention of the engineer in charge and the machinery was stopped as soon as possible, but not before the unfortunate boy's arm had been completely severed above the elbow. Dr. T. H. Hanson, of Donaldsonville, and Dr. H. A. LeBlanc, of Assumption, were summoned and found it necessary to further amputate the arm near the shoulder. At last accounts the young man was resting well and no fears are entertained that the accident will prove fatal.
