Mr. Schroeder is proprietor of the Donaldsonville Boiler, Sheet Iron and Copper Works, and is one of this city's most popular and progressive young citizens. A native of New Orleans, he has resided here for the past ten years, during which period he has been a foremost leader in all movements looking to the welfare of the community and the promotion of its material interests. He is an aggressive and capable business man, as is evidenced by the unqualified success he has achieved in the conduct of his own affairs, and his commercial rating and financial standing are of the highest order.

As resident manager of the Ascension Ice Company, Mr. Schroeder will apply his exceptional administrative qualities and executive abilities to the upbuilding of the business interests of that corporation, and that he will make a success of the undertaking may be regarded as a foregone conclusion.

A. J. SCHROEDER
