 SATURDAY, APRIL 9, 1910

George Cassard, the bright young son of Dennis Cassard, a successful merchant of Baton Rouge, left last Monday to resume his studies in the Bowling Green, Ky., Business College. Young Cassard was summoned home several weeks ago to be at the bedside of his mother, who died shortly after his arrival.

Your tongue is coated.
 Your breath is foul.
 Headaches come and go.
 These symptoms show that your stomach is the trouble. To remove the cause is the first thing, and Chamberlain's Stomach and Liver Tablets will do that. Easy to take and most effective. Sold by all dealers.

The board of directors of the Bank of Donaldsonville met in regular monthly session Wednesday forenoon. The reports of the cashier and discount and finance committees were read and received, and other routine business was transacted. It need not be added that the affairs of the big institution were found to be in applicable order.

V. J. Marchand, a progressive farmer and popular citizen of Duplessis, was in town Friday on business and complimented the Chief with a pleasant call. Mr. Marchand says the crop outlook in his locality is encouraging, but more rain is needed to loosen the soil and give strength to the growing cotton and corn.

Dr. James P. Fortier, the well-known young dentist who for the past eighteen months has had his office in The Times building in Railroad avenue, opposite the postoffice, left this week for Thibodaux, where he will practice his profession in the future. The Chief joins his many friends in wishing him a liberal measure of success in his new location.

Last Sunday night about 8 o'clock young Tom Maurin was attracted by some noise in the yard of his premises in Charles street. He secured his pistol and went to investigate. He discovered a negro prowling about and fired three shots at the intruder, but does not believe he struck him. The negro made his escape by jumping over the fence leading into another yard.

Mayor Charles Maurin and Numa Colomb attended the Panama Exposition conference held in New Orleans last Thursday night, as the representatives of this city. A large number of the leading business men and citizens of the state were present at the meeting, and subscriptions to the stock of the proposed exposition company amounting to approximately \$200,000 were pledged.

Leonie Trepagnier, the popular young son of Mr. and Mrs. F. L. Trepagnier, left Tuesday morning for New Orleans, where he has accepted a responsible position with the Louisiana Motor Company as demonstrator of the well-known Ford, Regal and other cars, all of which are sold by the concern. Mr. Trepagnier is a mechanic of high ability and an unusually capable and reliable automobile driver, and it is well to be granted that he will be a good in his new position.

Files Installed Officers.
 The officers recently elected by Donaldsonville Lodge No. 1153, B. P. O. E., to serve for the ensuing year, were formally installed last night with appropriate exercises. District Deputy Grand Exalted Ruler J. P. Turgeon, of Alexandria, was present and conducted the ceremonies, and a large number of members of the organization were in attendance. The elective officers installed were as follows:
 R. N. Sims, Exalted Ruler
 G. A. Gondran, Esteemed Leading Knight
 E. C. Waltham, Foremost Knight
 F. McArthur, Esteemed Lecturing Knight
 N. S. Stator, Secretary
 Alex. Bloch, Treasurer
 J. G. Landry, Trustee
 Charles Maurin, Trustee
 E. N. Sims, Representative to Grand Lodge
 G. A. Gondran, Alternate

The following officers, appointed by Exalted Ruler R. N. Sims, were also installed in their respective positions:
 E. A. Thibodaux, Esquire
 L. A. Landry, Inner Guard
 W. J. LeBlanc, Chaplain
 F. P. Blanchard, Organist

The following committees were appointed by the exalted ruler for the ensuing year:
 Finance—Adolphe Setter, C. Kline, P. B. Lemann.
 Sick or relief—Walker Lemann, D. C. Brunfield, F. L. Trepagnier, Guy Landry, J. P. Turgeon.
 Auditing—E. K. Sims, S. Goette, J. P. Turgeon.

At the conclusion of the installation ceremonies a delicious cold lunch was served in the ante-room, and this feature of the program proved particularly timely and enjoyable. The proceedings throughout were of a most interesting and inspiring character, and much enthusiasm was manifested by the members present.

Besides installing its officers, the lodge transacted a large amount of routine business and also considered plans and specifications for the handsome two-story brick building which it proposes to erect on the site recently purchased from Paul Wutke, in Railroad avenue. It is expected that work on the structure will be commenced in the near future.

L. J. Echeverria, who, with Henry A. Dugas of Paineourville, recently acquired the meat market of Joseph Rivet in Churchville, opposite the T. and P. passenger depot, has leased Felix Acosta's butcher shop in Division street and will hereafter operate that establishment also. By the terms of the lease, Mr. Echeverria secures possession of Mr. Acosta's pasture and slaughter-house on Bayou Lafourche, it being Mr. Acosta's intention to retire from the wholesale and retail meat business and to engage in the buying and selling of live cattle. By the acquisition of this desirable property Mr. Echeverria has increased his already ample facilities for furnishing the choicest and best meat it is possible to obtain, and his customers are assured that he will leave nothing undone to serve them satisfactorily and merit their patronage and good-will.

Dudley C. Cason, 23 years old and single, who resided at Independence, La., accidentally shot himself on Easter Sunday at Sorrento, in the seventh ward of this parish, where he was employed as millwright. Cason and a friend went out in the morning with a target rifle to practice shooting. While they were going through the woods Cason saw a frog

 Jasmin Tobias, president.

Decoration Day Observed.
 The anniversary of the battle of Shiloh, which occurred last Wednesday, was observed as Decoration Day by Major Victor Maurin Camp No. 38, U. C. V., in accordance with orders issued by General Thomas J. Shaffer, commanding the Louisiana division of the United Confederate Veterans. Assembling at their headquarters, the veterans marched in a body to the Catholic church, where a solemn requiem mass was celebrated at 9 o'clock a. m. by Rev. Eugene Hubert. At the conclusion of the impressive services, the assemblage repaired to the tomb of Major Victor Maurin Camp in the Catholic cemetery, where the usual appropriate exercises were carried out, closing with interesting addresses by Past Division Commander Edmond Maurin of the U. S. C. V., and Lieut. D. S. LeBlanc of Major Victor Maurin Camp. The members of Hubert Treille Chapter, U. D. C., joined the veterans in observing the day and in decorating the last resting places of their deceased comrades.

Miss Mary Melancon, of Faubourg la Pile, is in New Orleans on a visit to her friend, Miss Alice Fischer.

Winter, the "model baker," has the largest and finest stock of cakes and confections to be found in Donaldsonville.

Games Warden Robert Jones, of Gonzales, was a business visitor to Donaldsonville during the early part of the week.

The many friends of Miss Essie Stern will learn with pleasure that she has returned from an extended visit to New York city.

John Maher returned last Saturday night from New Orleans, where he spent a week undergoing a course of medical treatment.

Misses Claire and Irma Achee and their brother, Paul, of Labadieville, were in town last Sunday on a visit to relatives and friends.

Quite a large delegation of pupils and teachers of the local high school left yesterday forenoon for Houma to participate in the second annual meeting of the Sugar Belt Athletic and Literary Association, an organization composed of the public schools of Donaldsonville, Napoleonville, Belle Rose, Thibodaux and Houma. The program of the meeting includes contests in declamation, spelling, composition, singing, athletic feats, etc. The local school has a number of capable representatives in all of these various events and is confident of making a good showing.

After spending several weeks here, Mrs. George M. Boote and her sweet little daughter, Mary Ellen, left last Monday for their home at Enseneda de Moro, Cuba. They were accompanied by Mrs. Boote's sisters, Miss Carrie Quimby and Mrs. W. H. Fowler, together with the latter's little daughter, Iola, who will reside in Cuba hereafter. While regretting the departure of this estimable family, The Chief joins their legion of friends here and elsewhere in wishing them unlimited happiness and contentment in their new home.

The "sympathetic strike" in Philadelphia, by which it was sought to tie up every industry in the city as a means of compelling the street-car company to yield to its striking motormen and conductors, petered out as it deserved to do. The laws ought to provide a compulsory method of adjusting difference between public service corporations and their employees, so that neither the corporations nor the labor unions can unduly oppress each other or injure the general public, but the sympathetic strike is a monstrosity and an abuse that should receive no toleration in a civilized community.

The annual convention of the Louisiana division, United Daughters of the Confederacy, will be held in this city on Tuesday, Wednesday and Thursday, May 3, 4 and 5. Hubert Treille Chapter, of Donaldsonville, will be the hosts of the state organization, and the members of that body are already at work arranging the details for the proper reception and entertainment of the distinguished visitors. It is proposed to give the Daughters a royal good time on the occasion of their visit to this city, and all of our citizens may be depended upon to co-operate with the local chapter in achieving this end.

Work on the new Texas and Pacific passenger depot in this city is progressing favorably, and the building will probably be completed and ready for occupancy within the next two weeks. The painters are keeping right up with the carpenters, and as soon as a section of the structure is erected it is painted and put in shape to receive the finishing touches. It is expected that the interior of the building will be finished by Monday of next week, the 18th inst., when the ticket office will be removed from its temporary location in the freight depot and arrangements perfected for handling the passenger traffic of the road from the new depot.

Mr. and Mrs. Joseph B. Becknel announce the engagement of their daughter, Camille, to Edmond B. Landry, of upper Ascension, the marriage to be solemnized at the St. Francis of Assisium Catholic church in Smoke Bend on Wednesday afternoon, April 20, at 5 o'clock.

and asked his friend to hand him the gun so that he might shoot it. The friend passed the rifle barrel first, and while Cason was pulling the weapon toward him it was accidentally discharged, the bullet striking the unfortunate young man in the head just above the right eye and penetrating the brain. An effort was made to convey Cason to a hospital in New Orleans, but the injured man died before reaching that city. His remains were laid to rest at Independence on Tuesday, March 23.

A large delegation of members of Ascension Council No. 1087, Knights of Columbus, will leave for Thibodaux tomorrow morning to participate in the ceremonies incidental to the joint initiation of a class of fifty or more applicants for admission into the Donaldsonville, Napoleonville, Thibodaux and Houma councils of the order. The candidates for membership in the local council are: Dr. Clarence M. Hargis of Colomb, St. James parish; P. L. Hotard and S. J. Songy of Wallace, St. John parish, and Joseph C. Mollere, and Ferrier Blanchard, of Donaldsonville. The Knights will make the trip to Thibodaux on a special train from New Orleans over the T. and P. Railway, which will pass here at 9 o'clock a. m. Returning, the train will leave Thibodaux at 9 p. m.

It would be difficult to imagine or conceive of prettier weather than that which is presently prevailing in this locality. In fact, the opinion is expressed by some that the weather is altogether too pretty, in as much as it is clear and dry, when what is needed just now is a series of soaking rains at frequent intervals. The territory immediately adjacent to Donaldsonville has been blessed with several nice precipitations during the past ten days, the most recent of these welcome showers having been experienced early last Tuesday morning. Other sections of the parish have not fared so well, however, and the call for moisture from the neglected localities is beginning to be insistent and appealing.
