BIG RETURN FROM DOLLAR

For a dollar given to a stranger eight years ago Joseph Clair, a Philadelphia druggist, may receive an estate of over \$125,000. Eight years ago a man who was evidently suffering from the effects of the night before sleep. came into the drug store and told spent his last cent and needed enough to get a bite to eat. He asked for a quarter.

After a short talk Clair gave the man a dollar and the stranger departed with the remark: "You'll never regret this, young man. It will be richly repaid."

Clair forgot the incident. Five years ago the man again came into the store and recalling the dollar loan made the druggist a present of a hand-some gold-headed cane. Clair did not forget the matter so quickly then, but he was thoroughly surprised a few days ago when he received a letter from a firm of lawyers in Rockdale, Wyo., saying that Joseph Waters, a wealthy rancher near that city, had left his entire property, valued at over \$125,000, to him.

They were being carried in sedan chairs, and feeling the atmosphere oppressive asked the bearers to give them a little fresh air by opening the roof. The men met the request with stolid indifference, so the travelers decided to open the roof themselves. As they approached the city they found that they were the objects of considerable attention. A crowd of 500 surrounded the chairs, and soon it increased to 2,000, the people uttering menacing cries. Happily nothing worse happened. When they reached their destination their host received them with astonishment. "Good gracious," said he, "what have you done! Only condemned criminals here trave in an open chair!"

When shown positive and reliable proof that a certain remedy had cured many cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are five letters from southern women which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

LETTER FROM VIRGINIA.

Elliston, Va.—"I feel it my duty to express my thanks to you and your great medicine. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time.

"Now I owe my health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier. Whenever I see a suffering woman I want to tell her what these medicines have done for me and I will always speak a good word for them."—Mrs. ROBERT BLANKENSHIP, Elliston, Montgomery Co., Va.

LETTER FROM LOUISIANA

New Orleans. La.—"I was passing through the Change of Life and before I took Lydia E. Pinkham's Vegetable Compound I was troubled with hot flashes, weak and dizzy feelings, backache and irregularities. I would get up in the morning feeling tired out and not fit to do anything. "Since I have been taking your Compound and Blood Purifier I feel all right. Your medicines are worth their weight in gold."—Mrs. Gastor Bloodbeau, 1541 Polymnia St., New Orleans, La.

LETTER FROM FLORIDA.

Wauchula, Fla.—"Some time ago I wrote to you giving you my symptoms, headache, backache, bearing-down, and discomfort in walking, caused by female troubles.
"I got two bottles of Lydia E Pinkham's Vegetable Compound and a

rackage of Sanstive Wash and that was all I used to make me a well woman, "I am satisfied that if I had done like a good many women, and had not taken your remedies, I would have been a great sufferer. But I started in time with the right medicane and got well. It did not cost very much either. I feel that you are a friend to all women and I would rather use your remedies than have a doctor."—Mrs. MATTIE HODNOT, Box 406, Wassebula, Florida.

LETTER FROM WEST VIRGINIA.

Martinsburg, W. Va.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done wonders for my mother, daughter and myself.
"I have told dozens of people about it and my daughter says that when she hears a girl complaining with cramps, she tells her to take your Compound."—Mrs. MARY A. HOCKENBERRY, 712 N. 3rd St., Martinsburg, W. Va.

ANOTHER LETTER FROM VIRGINIA.

Newport News, Va.—"About five years ago I was troubled with such pains and bloating every month that I would have to go to bed.

"A friend told me to take Lydia E. Pinkham's Vegetable Compound and I soon found relief. The medicine strengthened me in every way and my doctor approved of my taking it.

"I will be glad if my testimony will help some one who is suffering from female weakness."—Mrs. W. J. BLAYTON, 1029 Hampton Ave., Newport Nows. Va.
