Miss Abbie Landry returned Monday from a five weeks' stay with friends and relatives at St. Catherine, Gramercy and Montz.

Mrs. Robert Henderson, of New Orleans, was in town the past weekend as the guest of her sister, Mrs. R. N. Sims, and other relatives.

Walter Lemann went to Baton Rouge Tuesday to act as counsel in the trial of a suit before Benjamin B. Taylor, referee in bankruptcy.

Mrs. Jonas Tobias, after spending a week here as the guest of Mr. and Mrs. Jasmin Tobias, returned Tuesday to her home in New Orleans.

Fred Rogge, Sr., spent Wednesday at Burnside as the guest of his friend William Green, who celebrated his empty-umth birthday on that day.

Mr. and Mrs. Paul A. Krause and their bright little sons, Willis and John, and S. C. Hebert, of Burton, were visitors to Donaldsonville last Sunday.

Mr. and Mrs. Warren Williams, Misses Clara and Ethel Park, and Mrs. A. W. Martin and William Possener constituted a merry party who spent last Sunday very pleasantly in New Orleans.

Mrs. Harry Morris, of Baton Rouge, formerly Miss Clara Stuart of this city, is here for a few days' stay with her parents, Mr. and Mrs. W. B. Stuart, and her visit is affording much pleasure to her many friends.

Mrs. Victor Maurin, Jr., and her little granddaughter, Josie Vee St. Martin, left this morning for Baton Rouge, where they will spend a couple of weeks with Mrs. Maurin's daughters, Mrs. Lillian Breckenridge and Mrs. Charles E. Coates.

Miss Pauline Bloomenstiel left during the week for New Orleans, where she resumed her studies at Sophie Newcomb College. She was accompanied to the Crescent City by her mother, Mrs. Alex. Bloomenstiel, who remained for a short stay.

Robert Harp went to New Orleans last Sunday and departed from that city the following morning for Pittsburg, Pa., where he has matriculated as a student in the Carnegie Institute. His many friends wish him success in his studies.

Charles Maurin, Sr., has been confined to his home all the week with a spell of sickness, much to the regret of his numerous friends. The gratifying announcement is made today that he is convalescing from the attack and will soon be up and about again.

Dr. and Mrs. Charles E. Coates returned to their home in Baton Rouge Sunday after a brief visit to Mrs. Coates' mother, Mrs. V. Maurin. They were accompanied by their small son, Jesse, who had been spending some time here with his grandmother.

Ray Blumenthal, an energetic Donaldsonville boy who has been located in New Orleans for some time past, is spending the week here with his parents, Mr. and Mrs. William Blumenthal, and his numerous friends are extending him a cordial welcome. He expects to return to New Orleans tomorrow.

Leon Levi went to New Orleans Wednesday morning to attend the marriage of his niece, Miss Harriet Levy, to Joseph E. Schwartz, which took place Wednesday evening at the residence of the bride's parents, Mr. and Mrs. Morris N. Levi, 1509 Valmont street. Mr. Levi returned home Thursday night.

Dr. Sidney Vega will leave tomorrow for Lebanon, Ky., where he will enjoy a two weeks' visit to relatives and friends. Upon his return home he will be accompanied by his handsome little sons, Sidney and Clarke, who have been spending some time at Lebanon with their grandparents, Mr. and Mrs. R. N. Wathen.

Wilfred Landry, of Rayne, was here last Sunday for a brief visit to relatives and friends, and a cordial greeting was extended him. Mr. Landry is a popular Ascension boy, and, as might have been expected, is making good in his adopted community, where he is filling a responsible position in the employ of a large mercantile firm.

A baseball game that should be well worth witnessing will be played on the campus of the St. Joseph Commercial Institute tomorrow afternoon, when the St. Vincent Academy team of Baton Rouge will endeavor to lower the colors of the invincible Leopards of this city. Play will be started at 3 p. m., and the prices of admission will be only 5 and 10 cents.

A jitney dance under the auspices of the Donaldsonville Social Club will be given at the fair grounds pavilion Saturday night, Oct. 2, for the benefit of "CHIF." The little folk comprising the social club are working earnestly to make the affair a success, and the public should reward their efforts by turning out in large numbers and liberally patronizing the proposed function.

## Methodist Church and Sunday School.

Preaching tomorrow at 11 a. m. and 7:30 p. m. A special rally day service will be held during the regular Sunday School hour, beginning at 10 a. m. Special program and a most interesting Bible lesson.

Tomorrow will also be promotion day in the Sunday School. We are counting on you to be present and help us fill the church and enjoy this day.

### A WORKER.

George B. Reuss, the big-hearted and public-spirited upper Ascension planter, has donated a fine Hampshire pig to be raffled for the benefit of "CHIF," and if the tickets meet with the ready sale commensurate with the value of the prize and the worthiness of the benefiting cause, quite a snug little sum will be realized in aid of the noble institution whose financial distress "CHIF" is designed to relieve.

The reception tendered the members of the high school faculty at the Elks' Home last night proved a charming affair and was greatly enjoyed by all present. The handsome club rooms were attractively embellished with cut flowers, and a delicious punch was abundantly dispensed throughout the evening. Mollere's orchestra furnished excellent music for dancing, which was enjoyed by the younger element.

Miss Angelina Gagliano, the accomplished daughter of Mr. and Mrs. Matteo Gagliano, of Port Barrow, and Tony Bachelony, a well-known young member of the local Italian colony, will be married at the Catholic church in this city next Tuesday afternoon, the 28th inst., at 4:30 o'clock. Congratulations and good wishes in advance of the happy event are extended the prospective bride and groom by a host of friends.

Mr. and Mrs. Paul Fontana, well-known Italian residents of this community, have issued invitations to the marriage of their son, Leonard, Miss Angelina Gulotta, the nuptial ceremony to be solemnized at the Annunciation Catholic church in Bogalusa next Wednesday afternoon, Sept. 29, at 3 o'clock. The newly-wedded couple will be tendered a reception at the hall of the local Italian society in Charles street Thursday afternoon at 4 o'clock.

Leon Newman, of Geismar, the capable and conscientious member of the police jury from the sixth ward, was taken to the Touro Infirmary in New Orleans last Sunday to undergo a course of medical treatment for an affection from which he has suffered for some time. His legion of friends throughout the parish will be pained to learn of his illness, and will look forward with eager anticipation to his return home at an early date, completely restored to health.

A post-card received by a friend here from genial Capt. H. C. Whiteman, dated at Atlantic City Sept. 19, conveys the information that "his boys" are home. Spent yesterday in Philadelphia, and today here. Go to New York tonight for a five-day stay, then back to Philadelphia, and from there to Pittsburg and Cincinnati, O. Capt. Whiteman is away on business in the interest of his firm, Whiteman Bros., general towing contractors, with headquarters in New Orleans.

The Chief is in receipt of an invitation to attend the fair and concert to be given today and tomorrow under the auspices of Convent Camp No. 559, Woodmen of the World, at St. Michael's Hall at Convent. An elegant dinner will be served tomorrow at \$1 a plate, and there will be a grand concert in the evening by talented artists. The coathouse ferry will cross all visitors free of charge until 8 o'clock p. m. on both days, and on the return trip at 1 o'clock a. m.

The annual election of officers of the Societa Italiana di Mutua Beneficenza, Conte di Torino, will take place at the hall of the organization beginning at 8 o'clock and ending at 10 o'clock. There will be opposition for only three offices, the candidates for which are: President, Matteo Randazzo, Sr., and Giuseppe Campagna; first vice president, Matteo Randazzo, Jr., and Domenica Aita; cashier, Pietro Constantino and Paolo Fontana.

It affords The Chief much gratification to learn that Mrs. James K. Tucker, of Baton Rouge, who was stricken with paralysis on Monday of last week, is steadily recuperating from the effects of the visitation. Mrs. Tucker, with her husband and family, resided for many years on the Oak Alley plantation in St. James parish, and has a wide circle of friends sympathizing with her in her affliction, will be delighted to know that she is on the road to recovery.

Continuing the good work commented on in last week's Chief, David Israel has had the fence removed from in front of his residence property at the corner of Iberville and Houma streets. This had previously been done on adjoining premises, and half of the block is now so improved. Besides enhancing the appearance of the property, the removal of fences constitutes a protection against burglary, since there is less concealment for a would-be robber and increased opportunity for inspection by the guardians of the law.

Valentine Goetz, a substantial and popular citizen of Napoleonville, was here Monday on business and favored The Chief with a pleasant visit. Mr. Goetz is a candidate for assessor of Assumption parish on the Democratic ticket, and expressed confidence that he will "wipe up the ground" with his Bull Moose opponent. Whether or not this prognostication is well-founded, many friends in this community, of which he is a native and former resident, will extend him their good wishes and await the outcome of his campaign with interest.

**Dr. B. A. Colomb Dead.**

It was with profound regret that the host of friends in this community of Dr. B. A. Colomb, a leading physician of Colomb, St. James parish, learned of his demise last Monday afternoon after an illness of several days. Dr. Colomb had been in poor health for some time past, and recently went to New Orleans with the expectation of being operated upon, but was benefitted to such an extent by medical treatment that it was not deemed necessary to subject him to the painful ordeal of a surgical operation. His remains were taken to Mobile Ala., for interment.

Dancing at fair grounds tomorrow.

## BIG FEAST OF FUN.

Three Orders to Join in Fraternal Frolic at Burton, Oct. 23-24.

When the Red Men, Woodmen of the World, and Woodmen Circle pool interests in the conduct of an entertainment for the joint benefit of the three organizations, it naturally follows that something out of the ordinary may be expected. This is eminently true of the grand fraternal frolic to be given at Burton Saturday and Sunday, Oct. 23 and 24, under the auspices of Delaware Tribe No. 95, Improved Order of Red Men, Swartz Cypress Camp No. 401, Woodmen of the World, and Cypress Grove No. 101, Woodmen Circle. All kinds of amusements and attractions will characterize the unique festival, and gaiety and good cheer will reign supreme. Among the interesting features of the program will be addresses by local and state candidates, foot races for boys, girls and fat men, and numerous burlesque athletic events, every one a "scream." Refreshments to tickle every taste will be served, from a glass of lemonade to a substantial meal, and there will be many departments and booths, offering opportunities galore for wholesome merriment.

The officers of the general committee in charge of the arrangements for the big affair are: J. J. Joly, chairman; Mrs. E. Richard, vice chairman and secretary; Mrs. B. Landry, assistant secretary; Paul A. Krause, treasurer. The individual committees representing the three organizations interested are headed by Louis Blum, O. R. M., S. C. Hebert, W. O. W., and Mrs. E. Richard, W. J. J. Joly.

### MEASURES.

Messrs. Krause and Hebert are in charge of the advertising campaign, and were in Donaldsonville last Sunday to place an order with The Chief for stationery, posters and other matter to be used in giving wide publicity to the unique entertainment.

### NEXT WEEK'S PICTURES.

Fine Series of Feature Films to be Seen at Local Theatre.

Instead of a William Fox production, the attraction at the Grand tomorrow night will be a Mutual picture entitled "The Lonesome Heart," a distinctively American photoplay featuring the beautiful Margarita Fischer in the romance of a founding. This will be the first presentation of a Mutual Masterpicture in this city, but all reports concerning the production are to the effect that they are among the finest now being shown in America. In accordance with his policy of giving his patrons the very best service that can be obtained, Manager Boston has decided to put on one of the attractions tomorrow, and will make them a permanent feature of the Grand program if they measure up to the high standard maintained by the local theatre.

The feature films for the remainder of the week will be as follows: Tuesday, Sept. 28—"The Goose Girl," by Harold McGrath, featuring dainty Marguerite Clark. Thursday, Sept. 30—"Who Pays?" series, featuring the popular players, Ruth Roland and Harry King. "Who Pays?" is not a serial, each number being complete. Friday, Oct. 1—"A Lasky-Belasco Paramount feature, entitled "The Governor's Lady," with Edith Wynne Mathison and a strong supporting company.

The attraction for Sunday, Oct. 3, will be a William Fox feature, "Should a Mother Tell?" with the famous emotional star, Betty Nansen, in the leading role.

### "CHIF" Benefit Next Tuesday.

Through the efforts of a committee of ladies headed by Mrs. F. B. Lemann, there will be a special matinee for children at the Grand Theatre next Tuesday afternoon, from 4 to 6 o'clock, the proceeds of which will go to the fund being raised for the benefit of the New Orleans Charity Hospital. "The Goose Girl," adapted from Harold McGrath's delightful novel of the same name, will be the picture shown on this occasion, with lovely Marguerite Clarke in the stellar role, and the attraction is one that should appeal especially to the little folk and bring them out in large numbers. The use of the theatre and theatre has been very generously donated by Manager Louis Boston, who thus displays his recognition of the meritoriousness of the cause it is sought to help and lends substantial assistance toward making the benefit a success. Throughout the afternoon and evening candy will be sold by the ladies in the foyer of the theatre.

### Big Bargain Sale Continued.

In order to give everybody an opportunity of securing the exceptional bargains obtainable at the New Orleans Bargain Store, the big sale now in progress will be continued until Oct. 25. Large crowds of people are coming in daily from all sections of the surrounding country to take advantage of the unusual values offered, and all of them declare that never before have they bought such high-class merchandise at such low prices. In appreciation of the liberal patronage accorded the Noble Jasmin Tobias, the wide-awake and courteous young proprietor of the popular establishment, states that a beautiful hand-painted dish will be presented to every purchaser of goods to the amount of \$5. Visitors to the South Louisiana Fair, Oct. 13 to 17, are invited to make the New Orleans Bargain Store their headquarters while in Donaldsonville.

### BANKRUPTCY SALE.

In the District Court of the United States, for the Eastern District of Louisiana—Baton Rouge.

In the Matter of Peter Musso, Bankrupt—No. 288 in Bankruptcy.

BY VIRTUE OF and in obedience to an order of sale issued in the above cause by the Honorable Benjamin B. Taylor, referee in bankruptcy for the eastern district of Louisiana, and to me directed, I will offer for sale at public auction to the last and highest bidder, according to law, at the premises hereinafter named, on SATURDAY, OCTOBER 9, 1915, at 11 o'clock a. m., the following described property, to-wit:

The entire stock of boots, shoes, dry goods, notions and other merchandise, as per inventory on file, contained in the premises of said bankrupt in Railroad avenue, in the city of Donaldsonville, La. Terms—Cash on the spot in United States currency. B. J. VEGA, Trustee. Donaldsonville, La., Sept. 24, 1915.

## Thomas Jefferson "Father of the Declaration of Independence"

THIS noble founder of the Democratic Party immortalized himself by writing our Declaration of Independence—the document which laid the foundations of Free Government, not only for our own beloved land, but for all the world. His countrymen twice elected him President and will always treasure his memory. Jefferson was the most ardent advocate of Universal Freedom of Language and it was his wisdom and foresight which brought about the Louisiana Purchase. Every drop of his Virginia blood loved liberty, and because he wanted Americans to be assured of it for all time he championed with all his might and main the signing of the Constitution of the United States. None of the fathers of the Republic were more far-seeing than he and none knew better than he that a mild brew of barley-malt and hops is truly a temperance drink. Hence, in 1816, he wrote President Madison: "A Captain Miller" about to settle in this country and establish a brewery. I wish to see this beverage become common. Jefferson lived past his 83rd year and all his life he was a moderate user of light wines and barley brews. It is unimaginable that were he alive to-day he would vote otherwise than NO to proposed tyrannous prohibition laws. For 58 years Anheuser-Busch have been brewing the kind of honest barley and hop brews which Jefferson hoped in his day to see the National beverage of Americans. Exactly such a beer is BUDWEISER. Its quality, purity, mildness and exquisite flavor have won its way to the top. To-day 7500 people are daily required to meet the public demand. Its sales exceed any other beer by millions of bottles.

Visitors to St. Louis are courteously invited to inspect our plant—covers 142 acres. ANHEUSER-BUSCH, ST. LOUIS, U.S.A.

## Sold Hogs by Telephone

A South Carolina farmer had a large number of hogs which were ready to kill. The weather was so warm that killing was out of the question.

He went to his telephone, called a dealer in Columbia over Long Distance and sold his hogs at a good price. He then called the local freight office and arranged for shipment.

The telephone is now a necessity on the farm. You can have one on your farm at small cost.

See the nearest Bell Telephone Manager or send a postal for our free booklet.
