

ELECTRIC LIGHT AND POWER

Which Plant Will Serve You Best?

One is the noisy vibrating kind. The other is the Silent Alamo

One is a plant that is noisy. It rattles and bangs—it shakes and quivers and jumps and bumps. The whole thing is in a continual state of severe vibration all the time. The other is the Silent Alamo. It runs noiselessly like a little electric motor. This is due to the noiseless, rotating, sleeve-valve motor—the quietest type of motor ever built. And there is no vibration. This is due to the scientific balancing of weight. Remembering that the motor is the vital part of any electric light and power plant; and remembering, too, that vibration which shakes everything out of alignment, destroys adjustments, etc., is certain ruination to a motor—which electric light plant will give you the best service? You can answer the question for yourself.

Silent ALAMO

Electric Light and Power Plant

The great question today is: "What plant shall I select?" And wise buyers will always look at the motor first and at the precautions taken by the manufacturer to safeguard the motor and assure dependable service without trouble or delays.

Investigate the Silent Alamo

We have canvassed the entire field. We have selected the Silent Alamo because we find that it is everywhere proving itself to be the leader. Every part is built with the care of a high priced

automobile. It is a sturdy, complete unit, all enclosed, and on one base (except the batteries) and is the most perfect running machine we have ever seen.

Repairing Paved Streets.

The breaks in the bitulithic pavement in Railroad avenue are being repaired at last. For the past two weeks a gang of laborers, under the supervision of Chief of Police R. E. Dill, have been engaged in filling in the holes and ruts which have become so numerous as to seriously impair the usefulness of the thoroughfare. A mixture of crushed stone, tar, sand and other materials is used. These are heated together and applied while very hot, and pressed down to a level with the surface of the pavement. In cooling, the mixture hardens and becomes firmly set and permanently and effectively closes the rut or break. The work was begun between Mississippi and Therville street, and is proving so satisfactory that it will be continued until the whole of the two streets have been put in a condition of thorough repair.

Mr. and Mrs. Victor Loisel of St. James, have issued invitations to the marriage of their daughter, Miss Eva Catherine, to John M. Jenks. The ceremony will take place at the rectory of Loyola Church, New Orleans, on Friday evening, Nov. 7, at 6 o'clock. The prospective bride is one of the most charming and attractive young belles of St. James. Her father was at one time United States marshal for the eastern district of Louisiana, with headquarters at New Orleans. The groom-elect is a prominent young business man of the Crescent City and is very popular with a large circle of friends. The Chief tenderly congratulates the young couple in advance of the happy event.

The attention of planters and others who are in the market for mules, is directed to the advertisement of O. Conrad, the reliable sugar, rice and cotton mule dealer of Baton Rouge, which appears in this issue of the Chief. Mr. Conrad has on sale high-class mules and a few saddle horses, suitable for planters and overseers. He guarantees that his prices are \$10 per head less than those of any of his competitors. He also offers to pay the expenses to Baton Rouge of all those who buy mules or horses from him.

Learn to recognize quality. Choose slowly and thoughtfully. Buy good material for things that will get hard wear. By so doing you are saving money and making your future safe.

Watches, clocks, diamonds, silverware and jewelry of all kinds at most reasonable prices, at F. L. Trepagnier's Jewelry store.

Join the navy—see the world. Let the Chief do your job work.

Calomei Today! Sick Tomorrow!

I Guarantee Dodson's Liver Tone
Don't take nasty, dangerous calomei when bilious, constipated, headachy. Listen to me!

Calomei salivates! It's mercury. Calomei acts like dynamite on a sluggish liver. When calomei comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomei. Take a spoonful and if it doesn't straighten your liver and straighten you up better and quicker than nasty calomei and without making you sick, you just go back and get your money. If you take calomei today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

Catarrh for Twenty Years

Mrs. M. S. Davis, 1607 10th Ave., N. Nashville, Tenn., writes:

"After having been a constant sufferer from catarrh for more than twenty years and after trying almost every remedy advertised, and having lost all hope, I very reluctantly began the use of Peruna about two years ago. Everybody says I look younger now than I did twenty years ago, and I actually feel younger and better, and weigh more. I am recommending it to my neighbors and all with whom I come in contact."

WAR RISK INSURANCE.

Rules Governing Payment of Compensation to Former Enlisted Men.

The Bureau of War Risk Insurance wishes to emphasize the importance to service men of one of the provisions of the War Risk Insurance Act upon the fulfillment of which may depend the validity of their claim to compensation under the act.

The War Risk Insurance Act provides that "no compensation shall be payable for death or disability which does not occur prior to or within one year after discharge or resignation from the service, except that where, after a medical examination made pursuant to regulations, at the time of discharge or resignation from the service, or within such reasonable time thereafter not exceeding one year, as may be allowed by regulations, a certificate has been obtained from the director to the effect that the injured person at the time of his discharge or resignation was suffering from injury likely to result in death or disability."

Many discharged men are not familiar with or are inclined to disregard this provision of law and are allowing their rights thereunder to lapse.

Request for the certificate mentioned above should be made to the Chief Medical Advisor, Bureau of War Risk Insurance, Washington, D. C.

"Constipation."

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.—(Adv.)

"Willful waste makes woeful want," goes the old adage. Buying useless things carelessly is waste that leads to "poverty row," and unhappiness. Thrift is avoidance of waste.

Women!

Here is a message to suffering women from Mrs. W. T. Price, of Public, Ky.: "I suffered with painful..."

she writes, "I got down with a weakness in my back and limbs... I felt helpless and discouraged... I had about given up hopes of ever being well again, when a friend insisted I

Take CARDUI

The Woman's Tonic

I began Cardui. In a short while I saw a marked difference... I grew stronger right along, and it cured me. I am stouter than I have been in years."

If you suffer, you can appreciate what it means to be strong and well. Thousands of women give Cardui the credit for their good health. It should help you. Try Cardui. At all druggists. E-73

Lay a bet on rolling 'em with PRINCE ALBERT

the national joy smoke

ROLLING your own cigarettes with Prince Albert is just R about as joy'us a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin's cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take to it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jimmy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. 'And, me-o-my, what a wad of smokesport will ripple your way every time you fill 'em up!

A DONALDSONVILLE CASE.

It Proves That There's a Way Out for Many Suffering Folks.

Just another report of a case in Donaldsonville. Another typical case. Kidney ailments relieved in Donaldsonville with Doan's Kidney Pills.

Tony K. Gonzales, 717 Chetmaches street, Donaldsonville, says: "Some years ago I strained my back by overlifting and I suffered a great deal of misery for a long time following. My back became very lame and weak and every move I made caused intense pains to shoot through my kidneys. I felt sore all over on getting up in the morning and my kidneys acted too frequently. Sometimes I was compelled to get up several times to pass the kidney secretions and lost considerable sleep. I tried different kidney remedies, but got no relief until I began using Doan's Kidney Pills. It was no time before I was entirely cured of this trouble and have had no return of it since."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gonzales had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)
