Frank Sharp of Shreveport, spent a few days in town as the guest of his aunt, Mrs. Victor Maurin.

R. M. Hutchins, traveling representative of King-Hannaford Co., Inc., was in town Thursday on business connected with his firm.

The Donaldsonville High School football team journeyed to White Castle last Wednesday, where they met and defeated the Iberville lads by a score of 19 to 0.

Capt. and Mrs. Joseph Constantine of Avondale, in Jefferson parish, and formerly residents of this parish for many years are visiting relatives in France. The Chief wishes them a pleasant sojourn in Europe and a safe return home.

Cool weather is upon this section again. There was a heavy drop in the temperature Wednesday night, which made blankets and quilts very comfortable and Thursday winter clothes and overcoats came in very handy.

Next Monday, All Saints' Day, and Tuesday, election day, being both legal holidays, the opening of the November term of the district court in this parish, scheduled to take place Monday, has been postponed to next Friday.

Dr. Dawson Martin, Prof. J. B. Peot, Hubert Richard, Joseph Wilbert, and Gordon Giscard, composed a party of young men from this city who attended the Halloween dance at White Castle last night. The affair was largely attended and proved a delightful and enjoyable event.

A number of people from this city and vicinity went to Plaquemine last Sunday night to attend the opening of the theatrical season at the Wilbert Theatre, at which was presented the splendid musical comedy, "Good Morning Judge." The show was an exceptionally good one and gave entire satisfaction to the large number of people who witnessed it.

Will Give Election Results.

George Landry, proprietor of the Welcome soft drink establishment, has arranged to receive by wire next Tuesday night, news of the presidential election throughout the country. As the returns arrive they will be posted on a blackboard in his place of business. Returns of the contest for delegates to the Constitutional Convention in this parish will also be received and posted on the board.

Two wonderful photoplays will be shown at The Community Company's new theatre next week. Tuesday night the offering will be one of Roberson-Cole's super-productions, "A Slave of Vanity," featuring Pauline Frederick, the celebrated film actress, and Wednesday night the attraction will be, "Trumpet Island," a Vitaphone special, in which Marguerite De La Motte appears as the star. Both of these plays are exceptionally good and high-class and a rare treat is in store for all those who have the good fortune to see them.

Julius Ayraud, for the past several years located at Beaumont, Texas, where he was engaged in business, has moved to Ascension parish, his former home. He is negotiating for the purchase of Sleepy Hollow plantation, the property of his late father, on Bayou Lafourche near Barton. The place is presently under lease for one year, but if Mr. Ayraud succeeds in purchasing it, he intends, at the expiration of the lease to engage in the farming business. Mr. Ayraud is an industrious and popular young man and the Chief joins his legion of friends here in welcoming him and his estimable family back to Ascension.

Cards are out announcing the approaching marriage of Miss Bessie Irene Gonzales, daughter of Mr. and Mrs. John Gonzales of White Castle, to Stanley Adam Brassett of Smoke Bend. The ceremony will take place at Our Lady of Prompt Succor Church, White Castle, Wednesday, November 17 at 6 o'clock a. m. The prospective bride is a young lady of sweet and amiable disposition and held in high esteem by a large circle of friends. The groom-elect is employed as a night telegraph operator for the Texas and Pacific Railway Company at White Castle. He is a young man of steady and industrious habits and enjoys the confidence of all who know him.

James S. Barman and John Maher, new owners of the Hotel Donaldson, will assume charge of the big hostelry next Monday. Mr. Barman will have charge of the office and Mr. Maher will superintend the dining room and kitchen. It is the intention of the new owners to conduct the hotel on a strictly up-to-date and business plan. No pains will be spared to make the guests and patrons comfortable and the very best service will be given at the most reasonable rates possible. The Chief congratulates Messrs. Barman and Maher upon the occasion of their taking over of the hotel and hopes that under their management and control it will prove an unqualified success.

K. of C. Officers Installed.

The recently elected officers of Ascension Council No. 1087, Knights of Columbus, were installed with appropriate ceremony at a special meeting held last Wednesday night. The ceremony was conducted by District Deputy Francis L. Knoblock of Thibodaux, aided by Mr. Marquette of the same city. A large number of members were in attendance. The following officers were installed:

A. A. Sarraudet, grand knight; John Delatte, deputy grand knight; Perrier Blanchard, chancellor; Justilien Delatte, warden; R. Melancon, financial secretary; U. L. Rodriguez, recording secretary; Wilson Waguespack, inner guard; George Maurin, outer guard; Sidney Marchand, advocate; Rev. C. M. Chambon, chaplain; H. P. Broussard, Joseph S. Blanchard and L. B. Mattingly, trustees.

Decorated for War Work.

Miss Grace Villiamy of Ipswich, England, a sister of Dr. H. F. Villiamy, well-known veterinary surgeon of this city, was highly honored by two foreign governments for conspicuous services rendered during the world war. Last year King George of England conferred upon her the order of Commander of the British empire, and Queen Wilhelmina bestowed upon her the Dutch Red Cross decoration for her work among the refugees in Holland. Miss Villiamy visited her brother, Lionel Villiamy, at Ipswich, recently, and the East Anglian Daily Times, published in that city, took upon her work, which was made the subject of a lengthy and interesting write-up in its issue of September 30. Dr. H. F. Villiamy of this city, brother of Miss Villiamy, for many years a resident of Plaquemine, where he practiced his profession, recently removed to this city and took over the practice of Dr. Upton, who moved away. During the war Dr. Villiamy rendered valuable service to his country as veterinarian in charge of a ship which transported mules to Europe. He crossed the ocean several times and made a splendid record as a surgeon.

Oschwald-Dugas.

Chas. Oschwald of this city, and Miss Annette Dugas, of the fourth ward of this parish, were married at the Catholic church in Baton Rouge last Wednesday afternoon at 1 o'clock, in the presence of a large number of relatives and friends. The bride was given in marriage by her father, Albert Dugas, D. J. Vega of this city, acted as best man to the groom, and Miss Shaw, a niece of the bride, attended her as maid of honor. As the bridal party left the church Judge-elect Sam A. LeBlanc of Napoleonville, sang "I Hear a Voice Calling Me," accompanied by Mr. Fourchy, organist of the church. The couple left the Capital City on the 2 p. m. Mississippi Valley train for New Orleans where they will spend a brief honeymoon. They expect to return to Donaldsonville next Tuesday and will take up their residence in the upper story of the Palace Drugstore. A large number of friends and acquaintances of the contracting parties from Ascension, Assumption and St. James, went to Baton Rouge to attend the nuptials. The groom is a pharmacist by profession and proprietor of the Palace Drugstore of this town. He is a successful business man and stands high in this community. The bride is the daughter of Albert Dugas, a well-known farmer of the fourth ward. She is possessed of many splendid attributes of character which makes her a great favorite with her legion of friends. The Chief joins the many friends of Mr. and Mrs. Oschwald in extending hearty congratulations and in expressing the hope that their marriage will be blessed with peace, happiness and contentment.

Burnside Notes.

Go to the polls and vote, ladies, next Tuesday! Let nothing stop you from voting for Cox, the League of Nations, the calling of the Constitutional Convention and for delegates Picard and Weber!

The report is that the parishes of Assumption and Lafourche will vote for Harding. Do so, Mr. sugar and rice planters and sell your products for the next four years at Republican prices. Oh, you pocket patriots! The recent death of Mr. Gleason created a vacancy in the management of the Miles Planting Company, which was filled by the selection of their only ex-employee with the knowledge of agricultural pursuits living here now—J. F. Saxon. Mr. Saxon managed Clark plantation successfully for fifteen years and has engaged in the cultivation of cane on his own account since 1914. He will hereafter live in the McFarland-Gleason house, vacating the Clark house where he and family have resided since his marriage in 1901.

Misses Valentine and Carmen Howard made the trip by auto and boat to Donaldsonville last Wednesday. They motored from Monroe plantation to Houmas store, thence by the Virgile to spend a few hours shopping. Mr. and Mrs. John Martine, who had the misfortune to lose their son, Frank, during the war in France, wisely decided not to bring his remains back home, but to have them buried permanently in an American cemetery in Europe. They have notified the war department to that effect.

Robert Harris Reitzell and Miss Marceline Alethen Betz, both of this city, were married at St. Paul's church, New Orleans, last Wednesday forenoon at 10 o'clock in the presence of a number of the relatives of the couple to the altar by her father, Capt. J. W. Betz. Following the ceremony breakfast was served at one of the hotels. The young couple left in the afternoon for West Baton Rouge to visit the bride's sister, Mrs. J. D. Tunnard. They will return tomorrow to this city where they will make their home. The groom is employed as chief lineman of the telephone company at this place. He is a young man of steady habits, hard working and industrious and enjoys the confidence of all who know him. The bride is the attractive daughter of Capt. and Mrs. J. W. Betz.
