

Mother Tells How to Make A Baby Bright

"If your baby is bad and cross it's a sure sign he needs Teethina," says Mrs. Clair McConnell, of Norman Park, Ga. "That's the way it always was with my little boy. When he was fretting and cross I would give him Teethina and then he was bright and laughing again.

"Teethina is wonderful for them when they get older, too. I give it to my seven-year-old boy and you never saw anything do so much good."

The most frequent cause of fretting, cross babies is painful disorders in their little tender bowels. Give them Teethina. Your mother used it. It's perfectly harmless.

Sold by all druggists, or send 30c to Moffett Laboratories, Columbus, Ga., and get a package of Teethina and a wonderful booklet about Baby.—Advertisement.

Buying Christmas Seals Helps These Children

The game is to see who can put on the greatest number of pounds in a week. These children are predisposed to tuberculosis and by means of rest, good food and fresh air are regaining health and strength at a preventorium. Christmas seals will be sold during December to promote this and other phases of the tuberculosis campaign.

SOUPS AND GARNISHES

Soups will never grow passe, for with too many a soup is the attractive dish of the meal. There are such varieties that he is indeed hard to please who cannot find one to his liking.

Vermont Chicken Soup.—Take six cupfuls of well-seasoned chicken stock, add a little grated onion, a head of lettuce shredded and one cupful of peas. If the peas are fresh, simmer until they are done. Beat an egg, add enough bread crumbs to make a paste and shape into balls. Drop the balls into the soup and simmer until well heated; serve hot.

Quick Bouillon.—Cut fine one pound of fresh beef and a slice of fat pork. Put into a saucepan with one cupful of cold water, one carrot, one onion finely minced, and cook fifteen minutes; then add two cupfuls of boiling water. Simmer for an hour, then press through a fine sieve. Season with salt, pepper and celery salt.

Cheese Balls.—Take one-half cupful of flour, half a cupful of milk, a tablespoonful each of butter and cheese. Mix in a double boiler, cook until smooth and thick, add one egg well beaten and cook long enough to set the egg. Set aside to cool. Form into balls the size of hickory nuts, drop into boiling soup, cook five minutes and serve immediately.

Leftover Meat Dish.—Put through the meat grinder two or three medium-sized potatoes, season well, add one small onion also ground through the meat grinder. In a little pork sausage fat cook the potato and onion until well scalded then place in a well-buttered baking pan with a layer of chopped roast beef and garnish with halves of cooked pork sausages. Bake until the potato and onion are cooked. Serve from the dish. See that all the potato water and onion juice is added for it will be needed for moisture.

Rice Soup.—Cook one-fourth of a cupful of rice in three cupfuls of boiling water with one teaspoonful of salt, one slice of onion and a stalk of celery. When the rice is cooked add two red plmentoes and press through a sieve; add two cupfuls of cream and the same of chicken or veal stock, one-eighth of a teaspoonful of pepper and three tablespoonfuls each of butter and flour cooked together and added to bind the soup. Bring to the boiling point, sprinkle with chopped celery and serve piping hot.

ALL KINDS OF THINGS

When making the fruit cake for the winter use any recipe desired, place in round pans or use the cooker, after 15 minutes to let the stea escape, or after the steaming dry off for half an hour in a moderate oven. The cake has a much better flavor and texture steamed first, then baked.

At the this season of the year bacon with green peppers makes a most appealing breakfast dish. Wash the peppers and cut them in rings, removing the seeds. Soak for twenty minutes in salted ice water, drain, dry and fry in the bacon fat. Keep the well-drained bacon hot in the oven and serve the peppers when tender in the center of the platter with the bacon arranged around them.

Gluten gems are liked by others than those who find it necessary to diet. To two cupfuls of gluten flour allow a teaspoonful of salt, two teaspoonfuls of baking powder, two tablespoonfuls of sugar, one egg and two cupfuls of milk of half milk and half water. Sift the dry ingredients, beat the egg, add the milk and flour and beat again using hot when the mixture is being mixed in.

When the appetite needs coaxing cut the toast and butter and pile log-cake fashion when serving.

Drinking of salt on the breakfast table is an improvement in eating instead of sugar. The salt brings out the flavor of the fruit. This is good news to those who are denied sugar.

Almond Bread.—Make a sponge at night with a quart each of water and gluten flour, add a yeast cake dissolved in a little water, let rise in a warm place overnight. In the morning add two teaspoonfuls of salt, one cupful of blanched almonds finely chopped and enough gluten flour to mold. Knead well, mold into loaves and bake when light. This makes two loaves.

INSPIRED BY AMERICANS

Photograph of the marble group "The Poem of Peace," just brought to New York by its creator, Senor Marcos Coll, Spanish sculptor who has studied his art in France. Although this is Senor Coll's first trip to America, he has long drawn his inspirations and ideals from this side of the Atlantic. Of his statue he says: "When I read of President Wilson and his 14 points at the time of the peace conference I was inspired with this idea. My two figures, with the woman standing a full equal of the man, as she should, are composite studies of every type of American. They radiate beauty because the American man and woman are beautiful, not only in face and figure but in spirit, which shines from their eyes. The American is the most perfectly developed as to body. Therefore I have given him brawn and grace in the figure."

HIS SERMONS OFFEND

Dr. Harry Emerson Fosdick, pastor of the First Presbyterian church of New York, is to be summoned before the Presbyterian general assembly in Indianapolis next May and compelled either to accept the tenets of the Presbyterian church or to resign his pulpit. So says Rev. Dr. L. S. Mudge, stated clerk of the assembly. Dr. Fosdick was formerly pastor of a Baptist church and his preaching is said not to conform to the Presbyterian confession of faith.
