News and Opinions

Discovered by a Woman.
Another great discovery has been made and that too by a lady of this country. "Disease fastened its clutches upon her and for several years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recover, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking the first dose, that she slept all night, and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamrick & Co. of Shelby, N. C. "I had bottles free at John E. Jackson's Drug Store. Regular size 50c and \$1.00. Every bottle guaranteed.
