

MISS HAYES IS MARRIED.

THE BRIDE OF MR. ECHES OF LOUISVILLE, KY.

A brilliant wedding in St. Paul's Episcopal Church last evening followed by an elegant reception—Large of the attendants—Many presents—Large congregation.

Within the sacred walls of St. Paul's last night a beautiful marriage was solemnized. It was the nuptials of Miss Anne Somerville Hayes to Mr. T. B. Eches, Esq., of Louisville, Ky.

Long before the ceremony a perfect stream of people entered the church, the chancel of which was prettily decorated.

There were living plants, palms and ferns, and the many lights at the sides lent an additional brilliancy to the assemblage.

Along the aisle lay a white carpet that made a way for the bride and groom, and shortly after 8 o'clock they entered to the beautiful melody of the "Lohengrin" wedding march.

First came the bridesmaids, Misses Robert Blankinship and George A. Gilson, Jr., Stansbury Wallace, of Fredericksburg, and Robert Patton, Hoge Gilliam, and Walter Moncure.

Following the above were the maid-of-honor and the bridesmaids. The bridesmaids were Miss Lucy Blair and Miss Liza Williams.

The groom's attendants were Mr. J. B. Bowman, of New York, and Miss Mary E. Thompson, of Baltimore.

After the ceremony at the church a brilliant reception took place at the home of the bride, Fifth and Main streets.

In the several parlors ferns and plants, varicolored lights and prettily arranged groups of the bride and groom were the chief features.

THE CARNAVAL.

It May Be Necessary to Postpone the Opening Night.

The ladies of the Carnival de la Mer held another general meeting yesterday in the ladies' parlor of the Young Men's Christian Association, which was fairly well attended considering the stormy weather.

It was decided to postpone the opening of the Carnival de la Mer until the 15th and Main streets cannot be completed in time.

Mr. F. Sittlering, who superintends the erection of the structures, thinks that he will not be able to turn the building over to the ladies by last Sunday.

Should the rain continue it would be necessary to postpone the opening of the Carnival de la Mer until the 15th and Main streets cannot be completed in time.

Mr. F. Sittlering, who superintends the erection of the structures, thinks that he will not be able to turn the building over to the ladies by last Sunday.

UNIONS ENDORSE THEM.

ACTION REGARDING THE LOCOMOTIVE WORKS STRIKERS.

Meeting of the Men, Who Are "As Firm as Ever"—Letter of Sympathy and a Check for \$50.—Paper Hangers, Granite Cutters and Bricklayers.

The strikers at the Richmond Locomotive and Machine Works held a meeting as usual yesterday morning at Old-Fellows' Hall.

There were nearly two hundred men present. The President, Mr. J. H. Payne, presided, and the men, from all appearances, were as firm as ever.

This communication from a well-known business man of Richmond was read, and they have received others of like character. The letter is dated Richmond, Va., March 25th, and is addressed to the strikers and the Locomotive and Machine Works.

The letter is as follows: "I am deeply sympathizing with you in your struggle, and sincerely hope you will be successful in your demands, and I believe you will, for what you ask is only just and right."

"The skill of the mechanic is to him what capital is to the merchant, without which neither can a legitimate business be conducted, and I am a zealous supporter of the mechanic."

"I enclose \$50 to help you in this struggle. If I can be of any other service, please let me know. Another meeting will be held to-morrow morning."

A special meeting of Local Union No. 142, Paper Hangers, was held last night at Thon's Hall. President J. H. Payne presided.

The following was adopted: "Be it resolved that the strikers at the Richmond Locomotive Works, and that we assess each member the sum of fifty cents per capita for the benefit of the striking strikers."

A meeting of Richmond Branch Granite Cutters Union, held last night, resolutions endorsing the strikers at the Richmond Locomotive Works, and that we assess each member the sum of fifty cents per capita for the benefit of the striking strikers.

A meeting of Richmond Branch Bricklayers Union, held last night, resolutions endorsing the strikers at the Richmond Locomotive Works, and that we assess each member the sum of fifty cents per capita for the benefit of the striking strikers.

SOCIAL GERMAN CLUB.

A Pleasant Entertainment at Sanger Hall Last Night.

Throughout this winter there have been many happy and pleasurable hours spent at the Social German Club's entertainments, and last night a fitting climax and ending was reached in a farewell german at Sanger Hall.

The officers of this organization have labored arduously for the success of each affair, and their efforts have insured splendid results.

Mr. Samuel Benham has also worked effectively, and as leader of the german, has done much to make the entertainments so pretty to spectators and enjoyable to participants.

Last night new figures entirely were used, and of which a "military figure" was applauded enthusiastically.

At midnight an enjoyable repast was eaten and the german was helped to make the evening a memorable one.

Among the guests were: Miss Sarah Straus, embroidered craps de chine, pearl ornaments, Miss Mrs. Leona White, cream tulle, Duchess lace, pearls.

Miss Miriam Frank, New York, white faille, Duchess lace, La France, diamonds.

THE SUB-CONTRACTORS.

THEIR MASS-MEETING AT LEE CAMP HALL LAST NIGHT.

General Expression of Views as to the Best Manner to Remedy the Existing Condition of Affairs in Regard to Work Done and the Payment Thereof.

A mass-meeting of the sub-contractors of this city was called for last night at the hall of Lee Camp.

A number of general contractors and architects, and about forty sub-contractors responded to the call.

Mr. Mason was elected chairman of the meeting, while Mr. Allen Maynard presided. It was stated by some of the speakers that at present the sub-contractors were dependent financially upon the general contractors.

The Legislature had made no provision for the protection of the sub-contractors, but a remedy of this state of affairs was badly needed. The question was to determine the manner in which the sub-contractors could be protected to the best advantage.

At present the sub-contractors could not have their own money, but were entirely at the mercy of the general contractors.

Mr. Maynard explained the routine of the business as adopted at present by the general contractor, which was entirely in his favor.

The speaker requested the architects in order that they might secure prompt payment for their work.

It was moved that a committee of five be appointed by the chair to confer with the architects of this city and urge them to induce the general contractors to hand in detailed estimates and give out the work in detail in order that the sub-contractors might be paid direct.

At the suggestion of several sub-contractors Mr. Evans proposed a motion that a committee of five be appointed to represent the sub-contractors at each building job.

The motion was adopted, and it was also decided that the committee should present a memorial to the Legislature, asking for some form of legislation for the protection of the sub-contractors.

The meeting then adjourned, subject to the call of the chair.

THE LAND SLIDES.

Condition of Chimborazo and Libby Hills Present Attractions.

The land-slide which occurred at Libby Hill Saturday has created much interest in the city and has caused crowds of people to visit the spot.

There was another slide on the southwestern slope of Chimborazo Park yesterday morning about 8 o'clock, which blocked the tracks of the Richmond and Potomac Railroad.

A large force of laborers were put to work clearing the track, and just as they had about cleared there was another slide at the same point.

The train from Old Point was delayed two hours by the passengers were put off at the Gas Works.

Many were fearful that the slide had endangered the foundation of the Soldiers and Sailors Monument, but this is not the case.
