

TALK IN SPORTING CIRCLES.

Wonderful Record-Breaking on the Track This Year.

JOHN L. SULLIVAN'S AUSTRALIAN VISIT.

Foot-Ball, Base-Ball, Fifeen Shooting, Champion Running and Other Vigorous Pastimes.

The most wonderful record breaker of all things probably, all things considered, the yearling filly Bell Bird, which reduced the yearling trotting record first to 2:27 1/2 and afterwards to 2:25 1/2.

Beautiful Bells, as her name indicates, is a very beautiful mare. She is black in color, stands 15 1/2, was foaled in 1872, bred by J. J. Ross.

Palo Alto's 2 1/2 on the kite-shape track at Stockton, Cal., Wednesday is the talk of the trotting world. While the old horse goes to the head of the stallion list, much honor must be given to the famous driver, Marvin.

The regular meeting of the board of review of the National Trotting Association will be held at the Murray Hill Hotel on December 1st.

Reports from South America say that Ormeau's lot of mares has been cut down from thirty-five to twenty-three, which would indicate that he is not so successful as his owner would have every one believe.

At a meeting of the Kentucky Trotting Horse Breeders' Association in Lexington Thursday, P. H. Johnson was elected president, H. C. McElwain and R. S. Strader, vice-presidents, and E. A. Lipton, secretary.

Mr. P. Parrish, of Midway, Ky., lost a valuable filly in a singular way last week. He was riding the filly on the ramp while she was being started and she jumped at the side of the stall and broke her neck.

Two officers of the Russian Imperial Guard, named Leontief and Patrine, started from Tientsin, Russia on October 10th on their own horses with the intention of riding to China.

John L.'s Invasion of Australia—Hard to Keep in Training. An interview was had with Jack Barnett, the champion of John L. Sullivan, the other day.

A shooting match at clay pigeons took place at Koenigsberg, Germany, on October 25th, between Captain Fowler and Herr Albert Preuss.

The City Chess Club, of New York, are determined to make matters lively. The last games in the late championship tournament were played at Madison, N. Y.

William B. Curtis proposes to haul amateur clubs and boxes of coals at the board meeting of the Metropolitan Association.

Athletic Union reads "In all competitions the number of rounds to be contested shall be three. The duration of rounds in final bouts shall be limited to three minutes each. In the final, the first two rounds shall be three minutes each, and in the final round four minutes. The referee can order a further round if he sees fit to do so in the event of a draw."

In his chat about his fighting, Arthur Lumley in the Illustrated News makes a funny crack at Alf Levy, the English bantam. Lumley writes as follows:

"It is a hard, indeed," says Alf Levy, "the English bantam, to keep down the weight in America. There are so many blooming fine-fur lurches about. Very true, indeed. Any man with any go whatever in him would not do it."

That a talk with Levy yesterday, and from what he said about his boarding-house on Staten Island I should say that the English lurches are vastly superior to the grub he got there. Alf is very sore on some beef steak he had served him, and he wears he had to have a sharp eye.

Jack Dempsey, the ex-champion middle-weight pugilist, and Peter Hegetz, better known as Mitchell, will fight on New York on November 12th in an engagement in a Brooklyn, N. Y., theatre.

Peter Jackson and Frank Slavin have been matched by the National Sporting Club of London, for a fight on November 12th. Negotiations for the match, which has been agreed on for a week, ended this morning with a preliminary arrangement for a match in June. This will postpone until late next year any match between Sullivan and Slavin.

Other Athletic Sports. The regular meeting of the board of review of the National Trotting Association will be held at the Murray Hill Hotel on December 1st.

Change in the New York Base-Ball Club—Other Notes. HERE is a rumor going the rounds to the effect that the American Association is going to have a club in New York.

The Inter-Collegiate foot-ball match between Yale and the University of Pennsylvania was played on the Manhattan Athletic Club grounds on November 14th.

The Inter-Collegiate foot-ball match between Yale and the University of Pennsylvania was played on the Manhattan Athletic Club grounds on November 14th.

On November 14th the third match was decided. The men tried shooting at 100 birds, and continued to shoot at additional birds when Brewer won. Out of 125 birds shot at Brewer killed 119, Fultford 117.

THE DEPTH OF MISERY.

How to Surely Escape It.

For abject misery nothing exceeds the condition of the dyspeptic. Sufferers from dyspepsia are irritable, nervous, cross, blue, discouraged, depressed in mind and miserable in body.

How to overcome these distressing conditions is the great question. There is one remedy which never fails, the greatest of all stomach medicines, Dr. Greene's Nervura.

It has been officially announced by the Secretary of the United States navy that Mr. George W. Melville, the very able and popular Engineer-in-Chief of the United States navy, is to be reappointed for a further term of four years.

It is a graceful recognition of the very valuable services he has rendered, not only as a great engineer, but also as a heroic and dauntless leader of the survivors of the Jeannette, after her wreck and the death of her gallant captain, during the ill-fated expedition in the Arctic regions a few years ago.
