

A DISGUSTING CONTEST.

CHAMPIONS DEFEATED BY A LARGE AND HUMILIATING SCORE.

Gaffney and James Were Knocked Out of the Box—Brennan Was Sully—Smith Makes a Good Impression.

In the most liberal sense of the word yesterday's contest between the Hustlers and Champions could hardly be termed a ball game. At first it was a farce, pure and refined, and the rooters were happy for it was all at the Farmers' expense, but as matters proceeded and victory became an object in the perspective to the visitors' eyes, they soon forgot, knew straight in their movements, and finally lost their temper and ended by pulling up one of the most unmerciful and brutal exhibitions of ball playing ever seen in this city.

It was a disgusting outrage and shame upon the supporters of the game in this city, who, after having had their money certainly had every fact to expect a decent exhibition of ball playing. The real cause of the trouble was that it was a disgrace to Petersburg, but a few facts remain that will bear telling.

HOW IT WAS DONE.

Gaffney started in the box for the visitors, but was knocked out in the first inning, then James was substituted, but he fared no better, and finally Brennan was put in, who came in from left field. Brennan was sent to "hit Lippert," place as he clearly showed he was either in no condition to catch or utterly incapable. Keefe was brought in from right and hit behind the bat, while Hancock took Keefe's place in the field.

The Hustlers held the ball like friends, and in addition to this the Hustlers pitched up the most ragged holding game ever seen here. Everybody made errors, and Brennan in left field hit for their money, but he let balls come all around him, and merely walked after them. Turner was substituted with the Hustlers, and the Petersburg management would do well to suspend Brennan for his work was purposeless, and he was clearly shown to be a waste of money.

THEir GOOD WORK.

Flych pitched a beautiful game and threw a no-hitter in the first six innings, who only found him for six hits. The Hustlers also pitched in great shape. Nolan, Bradley, and Smith distinguished themselves by their good work. Nolan, a new man, who has been signed from St. Paul, made an excellent impression. Out of six innings he had made three runs, but one a three-bagger, scored three times, had three put out, and made one error, which was not his fault.

THEir GOOD WORK.

Lippert, J. and James were knocked out of the box in the second inning today. In this inning he was hit safely eight times, including a home run and a double, gave a base on balls, and hit a man. Moores had been unwell all day, however, and was in no condition to pitch. Leach was also hit hard, but fast holding on the part of the men behind him kept the score down. The visitors spoiled their good work by constant kicking.
