THE HOUSEWARE DEPARTMENT.

MORE TEMPTING PRICES.

Such underselling is sure to be hailed with delight! and add many new friends to this already most popular department. There is not a single item quoted in this list of Bargains that can be duplicated in any house in Richmond, and the natural consequence will be another of those crowds which go to prove our wonderful success—called luck—and which a generous public and our kindly-disposed friends are charitable enough to attribute to pluck.

Cut-Glass Ware at Half. In the Strawberry, Diamond, and Fan and other choice patterns, dozens of pieces at 50 Per Cent. Of Usual Price. Fine Heavy Cut-Glass Bowls, rich pattern, our \$1.75 Bowls, Monday, \$4.50

THE FOURQUEAN-PRICE CO.

THE FOURQUEAN-PRICE CO.

FOR THE MAY EXCURSION.

Association for the Development of Richmond Trade Complete Arrangements.

SCHEDULES AND THE RATE OF FARE.

The Second Excursion Promises to be an Even Greater Success Than the First One—President W. S. Rhoads Resigns—To Hold a Meeting.
If Monday, Wednesday, and Thursday, May 11th, 13th, and 14th, are clear days, it will be a great gala-day for Richmond and a crowning achievement for the Association for the Development of Richmond Trade.
They will conduct on those days excursions over nine different lines, embracing Virginia and North Carolina. The present indication is that it will be a success in no less degree than the excursion of April 7th. Arrangements have been concluded with practically all the railroads, and official time-tables and rates of fare are published to-day for the first time.
On Monday, May 11th, the South Boston and Goldsboro excursion will be run, returning from Richmond the following day. The South Boston train will be under the management of Messrs. Carrington and Vaughan, who will exercise every care, and see that order is maintained, and look after the welfare of women and children. Special coaches will be devoted to colored excursionists and smokers. There will be ample cars and seating capacity for all. On the Goldsboro excursion cars will be left at Wilson, Rocky Mount, and Whitaker's, and passengers at those points may board the car and await the arrival of the regular excursion train. The of the regular excursion will be run under the same careful management that characterizes those in Virginia, and people from that distance will find a cordial welcome in the city of Richmond, where all the store-keepers will have special sales for the purpose of getting acquainted with out-of-town trade.
The former excursions, run in April, were a success, as is known, beyond the expectations of the most sanguine of the promoters of the enterprise, and it is believed by the committee that if the business men of the city generally will lend their co-operation to the movement by attending its meetings and offering suggestions, as well as subscribing to the fund, that the success of this movement in the future can be made much greater than that of the past. The committee believes that Richmond should be to the territory within a radius of one hundred and fifty miles, and extending to Oxford and Goldsboro, in North Carolina, what Philadelphia is to its tributary territory in Pennsylvania, New Jersey, and Delaware.
FROM FREDERICKSBURG.
Mr. Alex. H. Meyer, as sub-committee, has been negotiating with the Richmond, Fredericksburg, and Potomac railroad, and states that it is probable that a satisfactory agreement will be reached

for running a train from Fredericksburg to Richmond during the excursion week. This would give trains at very low rates of fare on every line running out of Richmond, from Fredericksburg, from Charlottesville, from Howardsville, from South Boston, from Farmville, from Oxford, and from Goldsboro, and from Old Point. The committee hope to have some form of entertainment here on the night of May 11th, and the question of how the visitors can be entertained during their trip and their visit made particularly pleasant, will probably come up for action at the general meeting of the association Wednesday night.
On Wednesday, May 13th, the Oxford excursion will be run, and this, as well as the other North Carolina excursions, will return the following day.
The Farmville excursion will leave that place on Thursday, May 14th, and to the people who were disappointed in the question of accommodation the last excursion, the Association for the Development of Richmond Trade wishes to say that there will be plenty of cars and ample seating capacity. In order to obviate a reputation of leaving people at the various stations, the Association will have cars left at Crewe, Nottoway, and Blackstones, where excursionists may board the car and await the arrival of the excursion train, to which it will be coupled. In case there is not room enough in the extra cars, excursionists are assured that there will be plenty of accommodations on the excursion train, which will be brought from Farmville on that date.
On the divisions of the Chesapeake and Ohio railroad, the fare will be the same as the last time, except on the Charlottesville excursion, and that the rate of fare is more in no fault due to the Association itself, which made every effort to procure such arrangements that it could offer the same rate of fare. In explanation, it publishes the following letter:
"Chesapeake and Ohio Railway Co., Passenger Department,
H. W. Fuller,
General Passenger Agent,
John D. Watts,
Assistant General Passenger Agent,
Richmond, Va., April 25, 1896.
Mr. Taylor Grandy and others, Richmond, Va.:
Gentlemen—Referring to your letter of the 28th, I have had a talk with Mr. Fuller this morning in reference to the proposed excursion of May 11th. He is willing to yield in the matter of ticket rates, except from Charlottesville. You can use the same rates from Old Point and Howardsville as you did on your last excursion.
You can also use the \$1.00 rate from Gordonsville, provided you will start your train from that point. However, if the train starts from Charlottesville, the rate of \$1.50 must be maintained from that point. I hope this will be satisfactory to the committee.
Mr. Fuller desires me to say that he is not disposed to be arbitrary in this matter, but he is influenced solely by the interests of the company.
Yours truly,
JOHN D. WATTS,
Assistant General Passenger Agent."

FROM HOWARDSVILLE.

Table with 2 columns: Destination, Round Trip Fare. Includes Howardsville, Warren, Browns, Scottsville, etc.

FROM CHARLOTTESVILLE.

Table with 2 columns: Destination, Round Trip Fare. Includes Charlottesville, Shawnee, Keswick, Campbell, etc.

FROM FORT MONROE.

Table with 2 columns: Destination, Round Trip Fare. Includes Fort Monroe, Poebus, Hampton, etc.

FROM GOLDSBORO.

Table with 2 columns: Destination, Round Trip Fare. Includes Goldsboro, Fremont, Black Creek, etc.

FROM FARMVILLE.

Table with 2 columns: Destination, Round Trip Fare. Includes Farmville, Burkeville, Arrive Crewe, etc.

MR. RHOADS RESIGNS.

At a meeting of the Executive Committee of the Association for the Development of Richmond Trade, held Friday night, it was decided to call a general meeting of the members of the Association, to be held in the hall of the Chamber of Commerce on Wednesday evening at 8 o'clock.
This action was taken in order that the members of the Association might know what the committee is doing, and has done, agree upon more concerted action for making the May excursions as great a success in every way as possible, and the continuation of the idea of the Association to develop Richmond's out-of-town trade.
It is hoped by the committee that every one interested in building up the trade of the city by the cultivation of more intimate trade relations with the out-of-town people, whose trade naturally belongs to Richmond, and North Carolina, will be present and aid in making these excursions the full success that they should be.
The secretary is in receipt of the following letter from Mr. W. S. Rhoads, tendering his resignation as president, and the letter will probably come up for action at the meeting Wednesday night:
May 1, 1896.
Mr. Alex. Meyer, Secretary of the Association for the Development of Richmond Trade:
Dear Sir—Owing to my present indisposition, and frequent absence from the city, made necessary by my health, I beg to tender herewith my resignation of the presidency of the Association for the Development of Richmond Trade, feeling that the position should be held by a member who can take an active part in the proceedings.
Wishing to express my hearty interest and best wishes for the furtherance of the good work by the association, as well as the pleasure it has given me to preside over this body, I am,
Yours very truly,
W. S. RHOADS.

GREENSVILLE VETERANS.

A Splendid Gathering on the Court-Green.
EMPORIA, VA., May 2.—Special.—A meeting of the Chamber-Barham Camp of Confederate Veterans was held to-day upon the court-green. Veterans from this and adjoining counties were in attendance.
A most plentiful dinner was provided, and spirited speeches were made by Commander A. W. Ferguson, Lieutenant P. F. Weaver, Rev. Vernon L. Anson, chaplain of the camp; E. L. Turner, adjutant; Comrade A. J. Ferguson, and Judge G. P. Barham, captain Sons of Confederate Veterans.
The camp determined to attend the reunion on June 30th, as will the Sons of Veterans and Daughters of the Confederacy. A full delegation from Greenville and adjoining counties may be expected.
The funeral of the late John W. Welton was largely attended yesterday at Corinth church, Greenville county.

MIDDLESEX VETERANS.

Reunion at Saluda and a Good Time—Coming to Richmond.
SALUDA, VA., May 2.—Special.—The reunion of Confederate veterans here to-day under the auspices of Healy-Claybrook Camp was a grand success.
Colonel Joseph Mayo, of Lancaster; J. Boyd Sears, of Matthews; Rev. M. S. Watts, of Middlesex; and Senator Stubbs, of Gloucester, were the orators.
A splendid dinner was served by the ladies. Healy-Claybrook Camp has joined the United Confederate Veteran Association and will be represented at Richmond at the grand Confederate reunion in July.

Hollywood Memorial Association.

The mass-meeting of the Hollywood Memorial Association will be held on Monday evening at 8 o'clock in the Lee Camp Hall instead of the rooms of the Chamber of Commerce as was at first proposed. The public generally is invited. There will be an address by Dr. Lafferty and other interesting exercises. The meeting promises great interest. The Association was invited by Lee Camp to meet in their hall as soon as it was thought by the members of the Camp that their quarters would be sufficient to accommodate the meeting.

A CONUNDRUM

Fitcher—What kin' ob a curve shall I pitch dat fella? He's bow-legged.
