Proceedings in the Mayor's Court—Roosters and Anti-Roosters Play Ball—Death of Mr. Roach—Personal.

MANCHESTER BUREAU RICHMOND TIMES. No. 1121 Hill Street, BEATTIE BLOCK, S. San Lyon, a negro vagrant, was arrested by the Manchester police yesterday morning. He was found lying in the porch of an unoccupied house on Eighth street shortly after 11 o'clock. His apparel was pitiful and the man, though he gave his age as twenty-eight, was emaciated and old looking.

Several colored people happened to be in the Chief's office at the time the man was brought in, and his condition and his antics so wrought upon their feelings that they subscribed a small fund for him, and Chief Lipscomb turned him loose with a warning to go away. Sam smiled knowingly and departed. Maurice's docket in the Police Court yesterday morning was composed of cross-warrants of Gladie Avery and Bessie Johnson, both colored. Gladie charged Gladie with assaulting and abusing her, and the latter accused the plaintiff of cross-warrants of Gladie Avery and Bessie Johnson, both colored.

The Roosters and Anti-Roosters played ball at Forest Hill Park Thursday afternoon. Both teams had their batting clothes on, and when the game was broken up after the sixth inning, the score stood 21 to 16.

The Roosters made trouble in the second half of the fifth inning, and wound up by refusing to play at the end of the sixth, so the umpire awarded the game to the Anti-Roosters.

The Ambulance Committee met at the Council chamber on Tenth and Hull streets yesterday evening at 6:30 o'clock and went thence to make their monthly inspection of the ambulances. Everything was found to be in neat and satisfactory condition, and Mr. W. H. Allen, the superintendent of the ambulances, was commended for the manner in which he had conducted the institution. The Ambulance Committee is composed of the following members: Messrs. W. E. Hart (chairman), J. R. Green, M. Morton, W. H. Owens, and H. C. Nelson.

Mr. G. A. Meredith received information Thursday of his thirteen-year-old son George, who left home very mysteriously a couple of months ago, and was thought to be dead. The information conveys the news that he is still alive and is at South Bend, Indiana, where he was arrested with two men last Sunday. Mr. Meredith will take steps towards having his son brought back to Manchester.

Mr. William H. Roach died at his residence, on Ninth street, near Semmes, Thursday afternoon at 1:15 o'clock. He was in the sixtieth year of his age, and leaves a wife and several children. The remains were taken to the city hall on the 2 o'clock train yesterday morning for interment.

SICK-POISON.

WHAT IT IS AND WHERE IT COMES FROM.

Sick-poison is what makes you sick, irritates your nerves, disorders your functions, saps your strength, makes you miserable. Different diseases have different poisons, some have several—indigestion more than any.

That is, the symptoms of indigestion are caused by the poisons which are created by undigested food. When you are sick, try to get rid of your poison. It is often easier than you think for all that, but the first step is to go to the root of it.

The poisons of undigested food, which cause lethargy, headache, dizziness, weakness, bad taste, stomach-ache, fever, flatulence, nausea, constipation, loss of appetite, jaundice, anemia, neuralgia, rheumatism, etc., these poisons can be swept away and annihilated by the Shaker Digestive Cordial.

Curing the stomach and helping it to digest food when it is too weak to do so itself, will purify your system of poison and renew your strength and health. Shaker Digestive Cordial, a pure, vegetable, digestive tonic, made by the Shakers of Mount Lebanon, will cure all disorders caused by the poisons of undigested food, when nothing else will give any relief.

Sold by druggists. Ten cents for a trial bottle. Write for a book on food. Address The Shakers, 23 Beade street, New York.
